About the Nitto ATP Finals

The Nitto ATP Finals is the year-end climax to the men's professional tennis season, featuring only the world's best eight qualified singles players and doubles teams as they battle it out for the last title of the season. Played using a round-robin format, each player plays three matches as they compete for a berth in the knockout semi-finals and beyond. The prestigious tournament has been contested in major cities around the world with a rich history dating back to the birth of The Masters in 1970 in Tokyo. Since 2000 the event has taken place in cities such as Lisbon, Sydney, and Shanghai.
