LAST TWO MIAMI OPEN CHAMPIONS MEET FOR FIRST TIME SINCE 2015

- The Miami Open presented by Itau championship on Sunday matches reigning champion and No. 7 seed **John Isner** against No. 4 seed and three-time (2005-06, 2017) Miami Open winner **Roger Federer**, who owns a 5-2 head-to-head record against the top American. This is the oldest combined final in the tournament's 35-year history with Federer (37) and Isner (33). This is also the first Miami final between two former tournament champions since Novak Djokovic d. Andy Murray in 2015.

- This is their first meeting since November 2015 at ATP Masters 1000 Paris where Isner won 76 36 76 in the 3R. Since that loss Federer has reeled off 11 consecutive wins against Americans. Their only previous meeting in a final came in 2012 ATP Masters 1000 Indian Wells where Federer won 76 63. That was also the last time Federer faced an American in a final. He is 15-1 lifetime against Americans in finals with his only loss coming to Andre Agassi in the 2002 Miami title match.

- **Isner** comes in with an 11-match Miami winning streak and he has not dropped a set (10-0) en route to his second straight final and fifth overall ATP Masters 1000 title match (1-3). He is 9-0 in tie-breaks. The previous most tie-breaks Isner won in a tournament was seven in 2007 Washington and 2017 ATP Masters 1000 Rome. He came into Miami 7-10 in TBs on the season. Isner is trying to become the first player to win back-to-back titles here since Djokovic from 2014-16. He is also looking to become the third player (since 1990) to win his first two ATP Masters 1000 titles at the same tournament. Lleyton Hewitt won Indian Wells in 2002-03 and Boris Becker won in Stockholm in 1990-91. Isner leads the tournament with 98 aces and he has held serve 56 of 60 games (93%).

- **Federer** is making his fifth Miami Open final appearance (3-1), his record 50th ATP Masters 1000 final showing (27-22) and 154th overall (100-53). Federer is 17-2 this year and this is the Swiss superstar's third final of the season (1-1). He captured his 100th title in Dubai (d. Tsitsipas) and was runner-up at ATP Masters 1000 Indian Wells (l. to Thiem). He is attempting to become the first two-time winner on the ATP Tour this season and there's been 19 different champions in the first 19 tournaments. He is tied for third place with Sampras with three Miami titles, behind leaders Agassi and Djokovic (with six each). Since dropping the opening set in his first match (2R) against Radu Albot, Federer has won 10 consecutive sets en route to the final. Federer has only been broken three times in 53 service games.

FEDERER-ANDERSON, #NEXTGENATP STARS SHAPOVALOV-TIAFOE MEET

- The quarter-finals in the bottom half of the Miami Open draw on Thursday feature two stars in the Top 10 ATP Rankings as No. 4 seed and three-time champion **Roger Federer** takes on No. 6 seed **Kevin Anderson**. In the other match, #NextGenATP stars No. 20 seed **Denis Shapovalov** and No. 28 seed **Frances Tiafoe** make their Miami Open quarter-final debut.

- In the first match, **Shapovalov** and **Tiafoe** meet for the third time (tied 1-1). Last year Tiafoe won 75 64 in the semi-finals of nearby Delray Beach en route to his first ATP Tour title. In August, the Canadian prevailed in three sets in the 1R at ATP Masters 1000 Cincinnati. Both players had countrymen in the quarter-finals on Wednesday with reigning champion John Isner and qualifier Felix Auger-Aliassime. The 19-year-old Shapovalov is appearing in his third career ATP Masters 1000 quarter-final and he reached the semi-finals on home soil in 2017 Montreal (d. No. 2 Nadal in 3R) and Madrid last May, losing to A. Zverev in both. Shapovalov and Auger-Aliassime are the first teenagers to reach the Miami Open quarter-finals in the same year since 2007 when Novak Djokovic (champion) and Andy Murray (SF) accomplished the feat, both at 19. The 21-year-old Tiafoe is appearing in his first ATP Masters 1000 quarter-final and in January he advanced to his first Grand Slam quarter-final at the Australian Open (l. to Nadal).

- In the evening match, **Federer** brings a 5-1 head-to-head record against **Anderson**, who is playing in his first tournament since the Australian Open two months ago after being sidelined with an elbow injury. Anderson is appearing in his second straight Miami Open quarter-final and third overall. He is trying to become the first South African to reach the Miami semi-finals since Marcos Ondruska in 1993 (l. to Washington). Federer is making his 11th quarter-final showing in Miami and he is 6-4 in QF matches. The 37-year-old Swiss superstar is 15-2 on the season, highlighted by his 100th career title in Dubai and runner-up at ATP Masters 1000 Indian Wells. This is the fifth different ATP Masters 1000 tournament they are meeting in and Federer won the previous four matches in straight sets. Last year Anderson rallied from two sets down and saved one match point in the Wimbledon quarter-finals to win 13-11 in the fifth set en route to the final. Federer won the last meeting 64 63 in round robin play of the Nitto ATP Finals in London.

STATS OF THE DAY

- **Anderson** and **Federer** have won an ATP Tour title this season and one of them could become the first two-time winner in 2019. There have been 19 different winners in the first 19 tournaments on the ATP Tour.
- If #NextGenATP stars **Auger-Aliassime**, 18, and/or **Shapovalov**, 19, win their QF matches, it will be the first time a teenager reaches the SFs in Miami since 2007 when Djokovic beat Murray in the SFs (both 19).
- **Federer's** 53 match wins in Miami is second in tournament history behind Andre Agassi (61).
- **Anderson** is trying to reach his third career ATP Masters 1000 semi-final after reaching SFs last year in Madrid and Toronto. Going into 2018, he had an 0-8 record in Masters 1000 QF matches.
- IF T**iafoe** wins his QF match, he will join **Isner** and it will mark the first time since 2004 that two Americans are in the Miami semi-finals. That year Andy Roddick won the title and Vincent Spadea reached the SFs.
- Of the remaining players, **Isner** and **Federer** have only been broken twice in the tournament. Isner has held 46 of 48 games (96%) en route to the semi-finals while Federer has held serve 34 of 36 games (94%) going into the quarter-finals.

ISNER TO MEET BAUTISTA AGUT, CORIC TO FACE AUGER-ALIASSIME

- The quarter-finals in the top half of the Miami Open draw on Wednesday feature defending champion and No. 7 seed **John Isner** against No. 22 seed **Roberto Bautista Agut** and No. 11 seed **Borna Coric** against #NextGenATP Canadian teenage sensation **Felix Auger-Aliassime**, who is a qualifier. There is also one remaining fourth round match carried over from Tuesday night to be played between No. 4 seed and three-time Miami Open champion **Roger Federer** and No. 13 seed **Daniil Medvedev**.

- In the first men's singles match on Stadium, **Federer** brings a 2-0 head-to-head record against **Medvedev**, winning both meetings last season. Federer is appearing in his 13th fourth round match (10-2) in Miami while Medvedev his first. Federer is 14-2 on the season and Medvedev is co-leader (w/Tsitsipas) with 17 match wins this season on the ATP Tour. The No. 2 Russian is 1-10 lifetime against Top 10 opponents with his lone win coming over Federer's countryman Stan Wawrinka, at 2017 Wimbledon. He was ranked No. 3 at the time.

- In the next match on, **Isner** brings a 2-1 head-to-head record against **Bautista Agut,** who is coming off his third career win over World No. 1 Djokovic on Tuesday. All three of their meetings were decided in a third set. Isner comes in with a nine-match Miami Open winning streak. He is 8-1 in tie-breaks during that stretch, including 5-0 in his first three wins this year. Isner is 11-4 in career ATP Masters 1000 QF matches and he's trying to reach his third semi-final in Miami (2015, 2018). The 30-year-old Bautista Agut is making his Miami Open quarter-final debut in his eighth appearance. This is the Spaniard's fourth career ATP Masters 1000 quarter-final, the first since 2017 Montreal. His last Masters 1000 semi-final came in 2016 Shanghai where he reached the final. He is trying to beat a second Top 10 opponent in the same tournament for the first time in his career. He is an ATP Tour-best (w/Kyrgios) 3-0 vs. Top 10 opponents this season and his three wins equals his career-high in 2016.

- In the other quarter-final, **Coric** and **Auger-Aliassime** square off for the first time. The 22-year-old Coric is back in the quarter-finals for the second straight year and this is the Croat's sixth career ATP Masters 1000 quarter-final. The 18-year-old Canadian is the youngest Miami quarter-finalist since Andy Roddick, 18, in 2001. If he reaches the semi-finals, Auger-Aliassime would be the youngest in the tournament's 35-year history. Auger-Aliassime is the first player born in the 2000s to reach an ATP Masters 1000 quarter-final and crack the Top 50 in the ATP Rankings. In the next rankings on Monday he will jump from No. 57 to No. 41 (No. 33 if reaches SF). He is the first qualifier to reach the quarters or better in Miami since 2007 when Argentine Guillermo Canas advanced to the final (l. to Djokovic).

STATS OF THE DAY

- There have been 19 different winners in the first 19 tournaments on the ATP Tour this season. Of the remaining players, **Anderson**, **Bautista Agut**, **Federer** and **Medvedev** have won an ATP Tour title in 2019.
- Three #NextGenATP players are in the quarter-finals of an ATP Masters 1000 tournament for the first time: **Auger-Aliassime**, 18, **Shapovalov**, 19, and **Tiafoe**, 21. The last time two teenagers reached the QFs-better in Miami was in 2007 with Novak Djokovic (won) and Andy Murray (QF), both 19.

TOP 10 STARS FEDERER, ANDERSON, TSITSIPAS PLAY MONDAY'S 3RD ROUND

- Third-round play in the bottom half of the Miami Open draw takes place on Monday, with three-time champion and No. 4 seed **Roger Federer** the highest-ranked player in action. Top 10 players **Kevin Anderson** and **Stefanos Tsitsipas** also contest their third-round matches, while Tsitsipas is one of three #NextGenATP players in action, alongside **Frances Tiafoe** and **Denis Shapovalov**.

- Federer made his tournament debut 20 years ago, and since that point has amassed a 51-14 win-loss record at Miami, including titles in 2005, 2006, and 2017. He is off to a 13-2 start in 2019, which includes a finalist showing at ATP Masters 1000 Indian Wells and his 100th career ATP Tour singles title at Dubai. On Monday, he will face resurgent **Filip Krajinovic**, who was hampered by injuries last year and saw his year-end ranking fall from No. 34 in 2017 to No. 95 in 2018. Krajinovic is a solid 11-4 so far this year, and is trying to reach the fourth round after advancing to that stage at Indian Wells.

- In the Stadium evening session, No. 28 seed Tiafoe has a generational battle with 36-year-old wild card and 2013 Miami finalist **David Ferrer**. Ferrer plans to retire at ATP Masters 1000 Madrid later this spring, but the former World No. 3 is still fighting through the top-tier draws with the best of them, having upset current World No. 3 **Alexander Zverev** on Saturday night to set up his third-round match with 21-year-old Tiafoe. American No. 2 Tiafoe is aiming to win back-to-back matches for the first time since his breakthrough quarter-final run at the Australian Open in January.

- On the other courts, No. 6 seed Anderson will continue contesting his first tournament since the Australian Open when he meets **Joao Sousa**, and No. 8 seed Tsitsipas will square off against **Leonardo Mayer** for a fourth-round spot. No. 20 seed Shapovalov will play qualifier **Andrey Rublev**, in their first meeting since they faced off at the inaugural Next Gen ATP Finals in 2017. A battle between Top 20 seeds will also take place when No. 14 seed **Marco Cecchinato** meets No. 18 seed **David Goffin**. Goffin was a semi-finalist at Miami in 2016, while Cecchinato has yet to win a match at the event – the Italian has reached the third round in his main draw debut via a bye and a walkover.

STATS OF THE DAY

- **Roger Federer**'s 51 wins at Miami is his second-most out of the nine ATP Masters 1000 events, only behind his Indian Wells match-win total (66). Federer is second in all-time Miami wins behind Andre Agassi (61).
- **Filip Krajinovic**'s sole Top 10 win came in his first match against a Top 10 player, over then-No. 2 **Novak Djokovic** in the Belgrade quarter-finals in 2010 (Djokovic retired after the first set). Krajinovic has played and lost nine matches against Top 10 players since then, including to **Rafael Nadal** at Indian Wells last week.
- **Joao Sousa** is 4-29 against Top 10 players. His most recent Top 10 win came in the second round at Miami last year, when he beat then-No.9 **David Goffin**, 6-0, 6-1.
- **Leonardo Mayer** has a 2-30 win-loss record against Top 10 opposition. Both of those wins required final-set tiebreaks: against then-No.7 **David Ferrer** in the 2014 Hamburg final, and over No. 8 **Kevin Anderson** in the second round of London/Queen's Club last year.
- No. 14 seed **Marco Cecchinato** is the only seeded player making his Miami main draw debut this year, and he still has an 0-0 career win-loss record at Miami despite reaching the third round. He received a first-round bye as a seeded player, then did not have to play his second-round match after **Damir Dzumhur** withdrew from their scheduled tilt due to a lower back injury.

- The top half of the Miami Open draw starts third-round play on Sunday, with World No. 1 and six-time champion **Novak Djokovic** and defending champion and No. 7 seed **John Isner** in action. No. 11 seed **Borna Coric**, No. 12 seed **Milos Raonic**, and No. 15 seed **Fabio Fognini** are other Top 15 seeds in play, while two-time semi-finalist and No. 27 seed **Nick Kyrgios** takes on **Dusan Lajovic** in a night match on the Stadium.

- Reigning champion Isner opens Stadium play on Sunday afternoon against former Top 20 player **Albert Ramos-Vinolas**, as the 7th-seeded American attempts to win his eighth straight match at the Miami Open. Isner and Ramos-Vinolas have split their two previous matches, with Isner triumphing at ATP Masters 1000 Rome in 2017, and Ramos-Vinolas avenging that loss at the same event one year later for the left-handed Spaniard's most recent Top 10 victory.

- World No. 1 Djokovic follows on Stadium when he faces left-handed Argentine **Federico Delbonis** for the first time. Djokovic has a 21-1 win-loss record at Miami when he plays the event while ranked World No. 1, with three of his six titles coming when he is at the summit of the ATP rankings. Delbonis has yet to defeat a World No. 1, but he has earned wins over both **Roger Federer** and **Andy Murray** when they were ranked in the Top 5.

- Kyrgios and Lajovic have the evening session on Stadium, in a rematch of their second-round meeting at Miami last year, which Kyrgios won. Kyrgios has only lost to Top 10 players at Miami during his career – the two-time semi-finalist is 11-0 against all others. In other third-round tilts, Raonic faces No. 19 seed **Kyle Edmund** in a battle between Top 20 seeds, and No. 15 seed Fognini meets No. 22 seed **Roberto Bautista Agut** to extend their lengthy rivalry. Fognini and Bautista Agut have met eight times at Tour level, with Fognini leading the head-to-head 6-2, including a win at Miami in 2014.

STATS OF THE DAY

- Top seed **Novak Djokovic** is 21-1 at Miami when he plays the event as the World No. 1. The only match he has lost at Miami while ranked No. 1 was in the 2013 fourth round to then-No. 18 **Tommy Haas**.
- **Federico Delbonis** is 3-10 against Top 10 players in his career. He has faced a current World No. 1 just once in his career – a second-round loss to **Roger Federer** at ATP Masters 1000 Indian Wells last year.
- Two-time semi-finalist **Nick Kyrgios** is 11-0 against players ranked outside the Top 10 at Miami. Five of those wins came against players ranked inside the Top 25.

- Third-round opponents **Felix Auger-Aliassime** and **Hubert Hurkacz** are both making their Miami main-draw debuts this year. This is the third time Auger-Aliassime has made the round of 32 at an ATP Masters 1000 event, and just the second time Hurkacz has done it (Hurkacz made the quarter-finals at ATP Masters 1000 Indian Wells last week).
- 18 of the 32 seeded players reached the third round. Three qualifiers (Auger-Aliassime, **Reilly Opelka**, and **Andrey Rublev**) and one wild card (**David Ferrer**) have also advanced to the round of 32.
