## ATP WELCOME

On behalf of the ATP, it is my pleasure to welcome you to the 2021 ATP Tour season.

As we reflect on a challenging 2020 season, I would like to acknowledge the hard work and collaboration across tennis that now allows us to look ahead with cautious optimism. I am proud of the way our sport rallied together through adversity during my first year as Chairman and look forward with confidence to what we can continue achieving together.

Tennis boasts iconic players, both men and women, and tremendous commercial upside. Ultimately, however, everything starts with the fans. Our sport can only fulfil its true potential by working together and focussing on what matters most: making our sport's fan experience as engaging and compelling as possible.

The ATP, as one of the few truly global sporting properties in the world, also continues to grow. The breadth and quality of content — from January through to November, culminating with the Nitto ATP Finals — is phenomenal. We look forward to our season finale moving to Turin for the first time, after 12 highly successful years in London.

On the court, the men's game continues to produce incredible storylines, with new chapters written in the record books seemingly year after year. Added to the mix is the next generation of superstars, who are continuing their impressive rise in the game and up the FedEx ATP Rankings. Tennis fans will no doubt be excited to witness new narratives unfolding and new champions crowned.

I would of course like to thank our friends in the media. Without you, our sport would not get the recognition it deserves, and we hope this Media Guide proves valuable for your storytelling.

**Andrea Gaudenzi**  
 ATP Chairman

## ATP TOUR TIMELINE

The ATP is in its sixth decade as a leading governing body in professional tennis. The organisation was formed in 1972 when a handful of the game's top players met in a secluded stairwell at the US Open to discuss the need for a players' association. Under the leadership of newly elected executive director Jack Kramer and president Cliff Drysdale, the Association of Tennis Professionals (ATP) came to life with a goal of changing the game for the better.

**1973**

The ATP establishes the computer ranking system on 23 August, providing a fair analysis of a player's performance and creating an objective way to determine entries into tournaments.

**1974**

The Men's International Professional Tennis Council (MIPTC), made up of ATP, ILTF and tournament directors, is formed to govern the sport as an "independent, democratic, international body for the administration of professional tennis".

**1976**

The ATP doubles computer rankings begin on 1 March.

**1980**

The ATP sets up a player pension fund.

**1985**

At the request of the ATP, MIPTC passes a drug testing rule, making tennis the first professional sport to institute a workable and well-designed drug testing programme.

**1986**

In an effort to make the calendar more coherent, the MIPTC moves the Australian Open a month back to January (1987) and the Masters a month earlier to December (1986).

**1988**

The players, under ATP CEO Hamilton Jordan, hold a press conference in the US Open parking lot to announce that they will assume more control of the game. "Tennis at the Crossroads" outlines a plan for players to form a new tour. Tournament directors representing many of the world's leading events voice their support for the players and join them in what was to become a partnership unique in professional sports – players and tournaments each with an equal voice in how the circuit is run.

**1990**

Sponsored by IBM, the ATP Tour era begins with an equal partnership between players and tournaments. The circuit features 76 tournaments in 28 countries on six continents, with prize money averaging a 50% increase at the events. Indianapolis tournament director Mark Miles is named ATP CEO.

**1993**

The ATP Tour extends its global reach, adding Arabian Gulf tournaments in Doha and Dubai.

**1995**

The ATP Tour launches its first web site, ATPTour.com.

**1996**

The Mercedes-Benz/ATP partnership begins with a four-year agreement.

**1997**

The ATP Senior Tour of Champions is sanctioned.

**1998**

Players form a new STARS program as the ATP Tour helps make players more accessible to media, sponsors and fans. ATP broadcasts extend their reach to more than 200 countries.

**2000**

The ATP Tour changes its name to ATP for 2001, introduces a new logo and rebrands its nine premier tournaments the Tennis Masters Series.

**2005**

Etienne de Villiers is named ATP Chairman in June. The year-end Tennis Masters Cup is held in Shanghai.

**2007**

The ATP introduces a number of changes to the Tour, including the elimination of best-of-5 set finals, as well as reduced draw sizes at five ATP Masters Series events to lessen the physical demands on top players and enhance TV scheduling. The ATP also increases prize money for the first time since 2000 and creates a new multi-million dollar marketing fund.

**2008**

All worldwide tennis organisations (ATP, WTA, ITF and Grand Slams) form a Tennis Integrity Unit.

**2009**

Adam Helfant takes over as ATP Executive Chairman and President in January. Three new tournament categories are introduced as the circuit is rebranded ATP World Tour: Masters 1000, 500 and 250 level events. The ATP's season finale takes place at The O2 in London for the first time.

**2012**

Brad Drewett takes over as ATP Executive Chairman and President in January.

**2013**

Brad Drewett passes away in May from Motor Neurone Disease. In the preceding 12 months, he had led discussions resulting in significant prize money increases for all players across all Grand Slams.

**2014**

Chris Kermode takes over as ATP Executive Chairman and President on 1 January. The ATP's season finale sets a new attendance record of 263,560.

**2015**

The ATP secures an enhanced partnership with Emirates that sees the award-winning airline become the Tour's Premier Partner through 2020.

**2017**

The inaugural Next Gen ATP Finals takes place in Milan, showcasing the world's best 21-and-Under players in a new and innovative format.

**2018**

The ATP announces the launch of the ATP Cup, a new team event set to take place in Australia from January 2020 in partnership with Tennis Australia. A new 'ATP Tour' brand identity and 'Love It All' marketing campaign is unveiled for 2019.

**2019**

The ATP Tour achieves an all-time attendance record with more than 4.8 million fans attending on-site, while Emirates' status as Premier Partner of the Tour is renewed for a further five years, from 2021-2025. An agreement is reached for Turin, Italy, to host the season-ending Nitto ATP Finals from 2021-2025. Andrea Gaudenzi is elected to serve as ATP Chairman for a four-year term, beginning 1 January 2020.

**2020**

The inaugural ATP Cup launches in January in Australia. A global COVID-19 outbreak forces the suspension of the Tour prior to Indian Wells in March. Governing bodies rally together to create a player relief fund of \$6,000,000. The ATP Tour resumes in August, and the Nitto ATP Finals marks its 50th anniversary during its final year in London. Nitto reestablishes its commitment as title sponsor for an additional five years, and Chairman Andrea Gaudenzi unveils a new strategic vision for tennis.

## ATP CHAIRMAN

Following a highly-accomplished professional career on the ATP Tour during which he won three ATP titles and reached a career-high FedEx ATP Ranking of No. 18, **ANDREA GAUDENZI** obtained a law degree from the University of Bologna, Italy, followed by a Master of Business Administration at the International University of Monaco, where he graduated with honours.

He went on to forge a successful career in business over the next 15 years across a wide range of sectors including sports marketing, entertainment, data, technology and media. He held leadership positions at several start-up entertainment, tech and gaming businesses in London, including Musixmatch and Soldo, as well as serving on the Board of ATP Media, where he was instrumental in leading the successful restructuring of the business which serves as the broadcast arm of the ATP Tour.

Gaudenzi and his wife, Giorgia, have three children, Filippo, Pietro, and Enea.

## ATP MASTERS 1000

At the heart of tennis lies the ATP Masters 1000. Its tournaments can make or break a season for the top men's players. Played on the sport's storied courts and at state-of-the-art venues, it maintains tennis's greatest traditions, showcases its best talent and advances the game around the world. Now and in the future, Rolex's commitment to tennis will continue to grow.
