I. ATP CIRCUIT REGULATIONS

1.01 Categories of Tournaments

In official men's professional tennis, there are four (4) categories of events. ATP Tour tournaments and ATP Challenger Tour tournaments are governed by ATP. Unless otherwise specified, all regulations are applicable to both ATP Tour and ATP Challenger Tour tournaments.

ATP Tour tournaments

ATP Tour Finals (singles & doubles)

ATP Cup

ATP Tour Masters 1000

ATP Tour 500

ATP Tour 250

ATP Challenger Tour tournaments

Grand Slams

Davis Cup

1.02 Tournament Week

A. Main Draw. Each ATP Tour and ATP Challenger Tour tournament is assigned a specific tournament week on the calendar for scheduling of the main draws in singles and doubles commencing on a Monday and concluding on a Sunday, except as approved by ATP.

Case: *A tournament, scheduled and announced for a Saturday final, during the week requests to move the final to Sunday (no weather issues), is this allowed?*

Decision: *Unless weather or other unavoidable circumstances cause the tournament to be extended to Sunday then no change to the original approved schedule may be made.*

B. Matches – Number of Sets.

- 1) Singles.** All matches, including finals, shall be the best of three (3) tie-break sets.
- 2) Doubles.** All matches, including finals, shall be two (2) tie-break sets with a deciding Match Tie-break (10 point) at one (1) set all. Games shall be decided using the No-Ad scoring method.

C. Monday Finals. No ATP Tour or ATP Challenger Tour tournament shall extend its tournament week for a Monday final without prior approval from ATP.

D. Qualifying.

A tournament may petition, forty-two (42) days prior to the event, for expansion of draw size as long as there is no change in the number of direct acceptances.

- 1) ATP Tour.** One (1) round per day except when weather or other unavoidable circumstances require two (2) rounds to be played on the same day.
- 2) ATP Challenger Tour.**
 - a) ATP Challenger 80-125.** One (1) round of qualifying, consisting of two (2) matches, will be scheduled on the first day of play. These two (2) matches

I. ATP CIRCUIT REGULATIONS

should be scheduled as the first matches of the day.

- b) **ATP Challenger 50.** Two (2) rounds of qualifying to be played over the first two (2) days of the event.
- 2) **General.** All tournaments must have a singles qualifying competition (unless there are sufficient places available in the main draw). The singles qualifying competition shall be a single elimination tournament.
 - a) All ATP Tour 250 events shall have a 16 draw qualifying.
 - b) ATP Tour Masters 1000 and ATP Tour 500 qualifying will be one half (1/2) the size of the main draw; i.e. a 56 main draw would have a 28 qualifying draw for the 7 qualifying positions.
- 3) **Location.** If the qualifying competition is not held at the same site as the main draw, the alternate site must have similar facilities, courts, staff, service and equipment. The qualifying competition may not be held at a site outside the metropolitan area of the main draw without prior written approval of ATP.
- 4) **Surface.** The qualifying competition shall be played on the same surface as the main draw. In situations beyond the control of the tournament, the Supervisor may approve the use of courts with a different surface.

1.03 Match Schedule Plan

Each tournament shall provide ATP, at least one hundred and eighty (180) days prior to the start of the tournament, a typed schedule that includes proposed daily starting times and number of courts to be used.

ATP Challenger Tour tournaments should submit their match schedule plan at least ninety (90) days prior to the start of the tournament.

1.04 Finals Options

A. General (See ATP Addendum, page 375)

- 1) When the singles and doubles finals are to be played on the same day, the doubles final shall be scheduled prior to the singles final, unless otherwise approved by ATP or due to player conflict.
- 2) When possible, there should be one Awards Ceremony that follows the completion of the singles final. It is mandatory that both singles and doubles finalist players participate in the awards ceremony, whether ceremonies are separate or combined.

B. Singles (See ATP Addendum, page 375)

- 1) If any ATP Tour tournament singles final is not played, the tournament may elect to replace it as follows:
 - a) Schedule a singles exhibition; or
 - b) Re-schedule the doubles final in its place; or
 - c) In the case where the doubles final has been completed or is in progress when it is discovered that there will not be a singles final, the tournament may elect to have the doubles finalists play a one (1) hour exhibition.
- 2) The awards ceremony shall take place immediately following the singles or doubles exhibition or following the doubles final if it has been re-scheduled.

I. ATP CIRCUIT REGULATIONS

C. Doubles.

The doubles final should be scheduled approximately two (2) hours prior to the published start time of the singles final, unless otherwise approved by ATP.

- 1) Exceptions shall be when one (1) or both of the singles finalists are also involved in the doubles final.
- 2) Tournaments may petition ATP Senior Vice President - Rules & Competition for an exemption to this provision; however, it is the responsibility of the tournament to show that there are valid reasons for justifying the exemption.

1.05 Change of Tournament Site

There shall be no change of a tournament site unless approved by ATP. A request to change a tournament site must be submitted in writing by the tournament and received by the appropriate ATP regional office no later than six (6) months prior to the first Monday of the event. Requests submitted after the deadline will only be considered if ATP determines there are extenuating circumstances out of the control of the tournament member. Any and all actual costs incurred by ATP during the site approval process shall be the responsibility of the tournament.

1.06 Commitment to Rules

All ATP Tour and ATP Challenger Tour tournaments are subject to the jurisdiction of ATP and shall comply with, be bound by and conduct the tournament in accordance with ATP rules and regulations.

1.07 Commitment, Membership Obligations and Bonus Pool

The Anti-Doping Program shall apply to and be binding upon all players and shall govern all ATP-sanctioned events including ATP Challenger Tour events. Players shall submit to the jurisdiction and authority of the ITF to manage, administer and enforce the Anti-Doping Program and to the jurisdiction and authority of the Anti-Doping Tribunal and the Court of Arbitration for Sport to determine any charges brought under the Anti-Doping Program. Players also consent to the release to ATP of their Anti-Doping results obtained by the ITF at ATP events, including missed tests and/or filing failures.

I. ATP CIRCUIT REGULATIONS

 - c) Members submitting a medical examination form which indicates they are "unfit to play" will be required to sign a release/waiver form before they will be allowed to compete in any ATP Tour or ATP Challenger Tour event. This form will be provided by ATP upon request.

B. Official Means of Communication

The [PlayerZone](#) and Player's Weekly are ATP's official means of communicating with its player members. - c) Tournaments are required to wire net prize money to the designated bank trust account to ensure receipt by the Wednesday following the conclusion of their respective events.

- c) ATP must receive the electronically completed ATP prize money excel spreadsheet no later than the end of the business day on the Monday following the conclusion of the tournament. Spreadsheet must be emailed to accounting@atptour.com.
- d) ATP reserves the right to seek assurances of a tournament's financial viability in the form of a letter of credit, advance payment of prize money or any other means ATP deems necessary.

III. FINANCIAL

- 3) Prize money shall be paid only for matches played. If a final cannot be played, then each finalist shall be paid runner-up prize money. For purposes of this section, a match is played when it is won as a result of a retirement, default, walkover or no show. (See "Exhibit K - Glossary")

Singles:

- a) A player who withdraws from the main draw singles competition at an ATP Tour or ATP Challenger Tour event after the start of the qualifying and prior to his first match shall receive first round prize money (second round in the case of a Bye) if the following conditions are met:
- i) The player must be on-site at the time of the withdrawal and must be declared unfit to compete by the tournament doctor.
 - ii) Each player is limited to two (2) tournaments, non-consecutive, in a calendar year where he may receive prize money for the on-site withdrawal.
 - iii) Players who have been out of competition due to long term injuries (30 days or more) and withdraw on-site become eligible for the provision to receive prize money only after they have returned to competition and competed in their first event.
 - iv) Players who have been out of competition, for any reason, 60 days or more and withdraw on-site become eligible for the provision to receive prize money only after they have returned to competition and competed in their first event.
- b) The Lucky Loser replacing a player who has withdrawn on-site shall receive final round qualifying prize money plus money earned in the main draw minus the prize money paid to the withdrawing player.

Case: A player withdraws on-site from singles before his first singles match but is still in doubles. Is he eligible for first round prize money compensation if all other conditions are met?

Decision: Yes. The player may collect the on-site prize money if he is still competing in the doubles of that tournament as long as he receives medical clearance prior to the doubles match. The doubles match cannot be on the same day as his withdrawal or on the day of his scheduled singles match.

Case: A player withdraws from singles before his first singles match and collects on site prize money. Can he play a special event or another tennis event that week?

Decision: No. Once a player withdraws he cannot continue or participate in any other event that week; whether he collects the on-site prize money compensation or not.

Case: A player withdraws on site and collects prize money. Is he allowed to do the same at the next tournament he's entered in.

Decision: No. A player is not allowed to collect prize money when withdrawing on-site at two consecutive tournaments. A player must compete in a tournament where ATP points are awarded or Davis Cup or Olympics before being allowed to collect prize money at another event.

Case: A player withdraws on site and receives prize money at an ATP Challenger Tour tournament. Subsequently, he withdraws on site and receives prize money at an ATP Tour tournament. Is

III. FINANCIAL

the player allowed to withdraw on site and receive prize money at another ATP Challenger Tour or ATP Tour tournament?

Decision: No. Once the player has withdrawn on site and received prize money at any two, non-consecutive ATP Tour or ATP Challenger Tour tournaments, he has used his 2 tournament limit for the year and is not eligible to receive prize money for any future on-site withdrawal at an ATP Tour or ATP Challenger Tour tournament in that calendar year.

Case: A player is out of competition for 30 days after retiring or withdrawing due to injury. Is he eligible to receive prize money if he withdraws on-site after being out the 30 consecutive days since his retirement/withdrawal?

Decision: No: The player is only eligible for the provision to receive prize money for an on-site withdrawal after he has returned to competition and competed in his first event.

Case: A player using a protected ranking for entry withdraws on site and collects prize money. Does this tournament count towards the total number of tournaments the player has used with his protected ranking?

Decision: Yes.

Case: If a player qualifies, accepts a special exempt or accepts a wild card and becomes a main draw player, can he receive on-site prize money if otherwise eligible?

Decision: Yes. Once he is accepted into the main draw as a qualifier, special exempt or wild card, he can receive on-site prize money compensation if otherwise eligible.

Case: A player who is not on-site withdraws after the 12 noon, Friday deadline and comes on-site to do promotional activity or to be medically examined (Challengers) in order to avoid the applicable penalties. Is he eligible for first round prize money compensation?

Decision: No. The player must be on-site at the time of the withdrawal in order to be eligible for first round prize money compensation under the rule.

Case: May a player who withdraws on-site and otherwise qualifies, decline the first round prize money?

Decision: Yes, the player may decline to accept the money and then it becomes a normal on-site withdrawal.

Case: A player is an on-site withdrawal and wants to wait to decide whether or not to accept the first round prize money if otherwise eligible. Is the player allowed to wait?

Decision: No. The player must declare his intent at the time of the on-site withdrawal.

Case: A main draw player that would have been seeded with a bye withdraws on-site after the Qualifying started but before the main draw was done. He is eligible for compensation. Does he get 1st or 2nd round PM compensation?

Decision: The player receives 1st round PM compensation. Seeding is not official until the draw is made.

III. FINANCIAL

Case: A main draw player withdraws late after the Qualifying has started and travels to the tournament site to perform Promotional Activities to avoid the LW fine. Is he eligible for prize money compensation?

Decision: The player is not eligible for compensation as he was not on-site when the withdrawal was done.

Case: During Qualifying, two players withdraw from the main draw list. One player was on-site and eligible for compensation while the other player was not on-site or otherwise ineligible to receive prize money. Neither player was seeded with a Bye. How is it decided what PM will the LL's be receiving?

Decision:

1. The lucky loser who was drawn as the number 1 LL is eligible to receive first round prize money or whatever money he earns in the main draw. He does not keep the final round qualifying money.

2. The lucky loser who was drawn as number 2 LL receives final round qualifying money plus money earned in main draw, less the amount paid to the withdrawing player.

3. The same principle applies if there were more than two withdrawing players prior to the completion of the qualifying or the qualifiers being placed in the draw.

Case: A seeded main draw player with a Bye withdraws on-site after the Qualifying started, the main draw has been made and the player is eligible to collect 2nd round prize money compensation. The order of play for the first day has not been released and the next seeded player who did not receive a Bye moves into that position. How is the prize money distributed?

Decision: The seeded player moving to the bye position will receive first round prize money if he loses and first round prize money plus the difference between 2nd round and the round reached if he wins. The LL inserted in the draw receives final round qualifying money plus prize money earned in main draw less the 1st round prize money.

Case: Same situation as above, however the order of play for the first day has been released.

Decision: If a qualifier is drawn into the bye position he will receive first round prize money if he loses and first round prize money plus the difference between 2nd round and the round reached if he wins. The lucky loser who was drawn into the 1st round position receives final round qualifying money plus money earned in main draw, less the 1st round money paid to the qualifier drawn into the bye position.

Case: Two main draw players withdraw overnight after the Qualifying has finished. The Qualifiers were drawn into their respective positions in the draw. The Order of Play for the first day of main draw is released. One of the withdrawing players was seeded with a bye. The LL's are drawn into the vacant position in the draw. The second LL is drawn to replace the seeded player with the bye. How is the prize money decided if the withdrawing players have received compensation?

III. FINANCIAL

Decision: The LL's receive PM dependent on which player they were drawn to replace in the draw. This is a different procedure than the cases when the WD's happen before the Q is finished and the Q/LL's inserted into the draw.

Doubles: Should a doubles match in an ATP Tour or ATP Challenger Tour event be uncontested* or fail to be completed, the losing team shall only receive points and prize money from the previous round unless one of the following exceptions is applicable:

- * A team withdrawing from the first round will not receive prize money whether there is or is not an alternate/lucky loser team. The exceptions do not apply.
- a) Neither player was in the singles main draw;
- b) Both players used, or could have used**, their doubles ranking for entry into the doubles draw (does not apply to wild card teams).
- c) The retiring/withdrawing player is still in the singles competition and at the time of the medical examination is declared unfit to play in the singles of that event or, if no longer involved in the singles competition of that event, is forced to withdraw from the singles or doubles*** of the next tournament in which he is entered.
 - i) For ATP Tour events if the retiring/withdrawing player was not in the singles draw of that event and is forced to withdraw from the next event in which he is accepted in the main draw (singles or doubles).
 - ii) For ATP Challenger events if the retiring/withdrawing player was not in the singles draw of that event and is forced to withdraw from the following week's event (single or doubles) after the withdrawal deadline.
- d) The retiring/withdrawing player was not involved in the singles draw of that event and:
 - i) For ATP Tour events is forced to withdraw from the next event in which he is entered (singles or doubles).
 - ii) For ATP Challenger events is forced to withdraw from the following week's event (singles or doubles***).
- e) The retiring/withdrawing player had withdrawn/retired from his singles match, which was scheduled the same day; or, if the doubles match is scheduled for a following day the player is examined by the tournament Doctor and is declared unfit for competition in the doubles event.
- f) (See ATP Addendum, page 377)
(See Challenger Addendum, page 398)

** Example: Player A is not in the singles draw and his doubles ranking is 20; his partner, Player B, is in the singles draw with a ranking of 15. Player B's doubles ranking is 30. The cutoff for their method of entry is 60. Using player B's doubles ranking would have kept them as a direct acceptance so they qualify for exception b) above.

*** For ATP Challenger events the withdrawal for doubles must be after the withdrawal deadline.

- 4) A player who receives a "bye" and loses in the second round shall receive second round loser's prize money.
- 5) Players affected by the entries or seedings not in accordance with ATP Rules and Regulations shall not be entitled to compensation. Such entry or seeding variances shall be resolved at the sole discretion of the Senior Vice President - Rules & Competition.

III. FINANCIAL

- 6) A tournament must send to ATP any prize money not paid to a player who is defaulted for improper conduct.

3.09 On-Site Prize Money

For all other tournaments, the on-site prize money will be increased or decreased from approved prize money levels when there are significant exchange rate changes between USD or EUR / local currency. The amount of the prize money adjustment shall be determined as follows:

- 1) As of March 31, June 30, September 30 and December 31 of each year, ATP will compare the current market exchange (ratio of local currency to USD or EUR) with the 5-year average of the same currency exchange rate for each non-U.S./ non-European group and calculate the change between the current rate and average rate as a percentage of the average rate. Prize money amounts for tournaments in countries where more than a 10% change occurs will be adjusted by one-half of the percentage change subject to a maximum adjustment of 15%.

The calculations will apply to tournaments in the following year on the dates as follows:

III. FINANCIAL

- a) March 31 calculation-tournaments that begin from January 1 through March 31

- 2) FedEx ATP Rankings points will be based on approved prize money levels prior to any adjustment pursuant to this section. This section will not apply to tournaments in countries where currencies are not actively traded.
 - 3) The Exchange Rate Adjustment rule will not apply to: new ATP Tour tournaments who have run their event for less than 5 years, existing tournaments that relocate to a country with different currency for the first 5 years in the new location, existing tournaments who previously elected to opt out of this rule and ATP Challenger Tour events. New ATP tournaments may not opt out of this rule.

3.13 Taxes-Notice of Withholdings

Each ATP Tour and ATP Challenger Tour tournament is required to give at least ninety (90) days notice to ATP of the percentage of the applicable player income tax deduction. No other tax deduction(s) will be permitted from the on-site prize money paid to a player. Tournaments are responsible for any additional taxes imposed. Each tournament is responsible for withholding required income taxes from each player's prize money payment and remitting such amounts to the applicable taxing authorities on a timely basis.

3.14 Withholding From Prize Money

- A. Each ATP Tour and ATP Challenger Tour tournament shall withhold from prize money only a player's applicable income tax deduction, non-member service fee, fines, advances and other ATP designated expenses.

- A. In addition to on-site prize money, each ATP Tour tournament may give to each singles and doubles winner during the on-site awards presentation one (1) non-cash award or prize plus a trophy. Non-cash awards or prizes valued over \$5,000 must be approved by the President no later than forty-two (42) days prior to the tournament and can be offered for results in that tournament only.

III. FINANCIAL

- B. All non-cash awards or prizes must be the product of, or service provided by, a principal tournament sponsor.

Every two years all ATP Tour tournaments are required to provide accurate and complete actual and projected financial and other relevant information as requested by an independent consultant appointed by the ATP Board of Directors (Consultant), and otherwise provide reasonable cooperation to Consultant, including, if requested, permitting Consultant to undertake reasonable steps to verify the accuracy of tournament financial data, for the sole purpose of enabling Consultant to provide group tournament data and its evaluation of such data to the ATP Board of Directors.
- B. Consultant will be instructed not to provide to ATP or its staff, except for the COO/ CFO and President, individual tournament information or any information that could reasonably lead to the calculation of individual tournament information and the matching of the information to a particular tournament.
- C. Any tournament that fails to comply with this rule shall be subject to an annual fine in an amount up to a maximum of one half of a respective tournament's Fee Obligation for that year not to exceed \$100,000. The President shall recommend any such fine after completion of an investigation into the circumstances that lead to the failure to comply. All fines shall be subject to approval by the ATP Board of Directors.
- D. A tournament may petition the ATP Board for an exemption from complying with this rule. The ATP Board will consider such petitions that demonstrate clearly that a particular tournament's organization/financial structure is such that it is not permitted to provide the information, or the requested financial information, when combined with other tournaments, will result in incorrect or misleading implications.

3.18 Supplemental Tournament Financial Information Rule - Prize Money Revenue and Audit

- A. Each ATP Tour tournament member is required to annually provide to the Committee Auditor (as defined below) a complete and accurate determination and calculation of its actual Gross Revenue (as defined below) and all other financial information and

III. FINANCIAL

supporting documentation relating thereto, in each case, as requested by the Committee Auditor and in accordance with the terms of this rule. In connection with the foregoing, each ATP Tour tournament member shall provide its full cooperation to the Committee Auditor, who will examine and verify the accuracy of such information.

- B. The following terms used in this Section B shall have the meanings set forth below:

"Committee" means the committee appointed by the ATP Board of Directors and authorized to act in accordance with this rule, which shall be comprised of the ATP Chairman, an Independent Member (as defined below) and an equal number of tournament and player representatives, with only one (1) tournament representative and one (1) player representative serving on such Committee being designated by the class of ATP Board of Directors that appointed such representatives with the right to vote on any Committee matters, regardless of the number of tournament and player representatives appointed to serve on the Committee. The player representative and the tournament representative designated with the right to vote on Committee matters shall be collectively referred to herein as the "Voting Members".

"Committee Auditor" means an independent accounting firm appointed by the Committee to (i) receive and evaluate each tournament member's Submissions, (ii) perform agreed upon procedures regarding financial information included in each Submission, and (iii) prepare reports to be provided to the Committee and to the ATP Board of Directors in accordance with this rule summarizing the Submissions. The Committee Auditor will also act as advisor to the Committee on financial and accounting related matters and Gross Revenue reporting issues and questions

"Independent Member" means the independent member of the Committee appointed by the ATP Board of Directors by a super majority vote to serve on the Committee for a 3-year term. The Independent Member is subject to removal at any time by the ATP Board of Directors by a super majority vote.

"Player Auditor" means an independent certified public accountant and/or financial advisor selected by the player member(s) of the Committee and approved by the Committee in accordance with Section C below who meets the appropriate level of expertise and experience to evaluate the accuracy of the Submissions. The Player Auditor will act as advisor to the player member(s) of Committee. The Player Auditor may also review items and information related to the application of the ATP Prize Money rules to the extent requested by the player member(s) of the Committee and shall provide comfort to such member(s) as to the accuracy of the Submissions to confirm the reasonableness of the Committee Auditor's evaluation thereof.

"Gross Revenues" means the total amount of gross revenues related to a tournament event determined on the basis of the generally accepted accounting principles in the United States ("GAAP") or the International Financial Reporting Standards ("IFRS") (depending on the applicable accounting rules in the country in which the tournament operates), in each case, as in effect on such date of determination and consistently applied, which shall include all revenues related to the tournament's event operations regardless of which entity affiliated with the tournament event receives, or accounts for, such revenues or which jurisdiction such revenues are reported. All such revenues shall be reported in the tournament's domestic reporting currency. For combined events, total Gross Revenues should be broken out by event and categorized by those identifiable only to the men's event, those identifiable only

III. FINANCIAL

to the women's event and all other revenues. The Committee has the power to create additional rules for reporting Gross Revenues. Consistent with both GAAP and IFRS, tournaments will report estimated revenues for those revenue sources where final revenue amounts are not determinable by the deadline for completing the Submission. Subsequent adjustments of these estimates to actual will be included in Gross Revenues in the subsequent Submission when such final revenue amounts are known.

"Barter" means non cash transactions where value is exchanged (for example, when cars are provided as part of a car sponsor deal the value of the cars provided must be included in sponsor revenues). A written description of each Barter transaction must be included as part of each Submission, whether included in or excluded from Gross Revenues. Barter transactions for each revenue category are required to be included in Gross Revenues unless excluded as set forth below in (a), (b) or (c). Barter valuations should be in accordance with GAAP or IFRS, as applicable to each tournament. The Committee will work with the Committee Auditor and include a comprehensive definition of barter transactions and their valuation for Gross Revenue purposes and include such comprehensive definition as part of the Submission. The following Barter transactions are excluded from Gross Revenues:

- (a) Media commitments for promotional time or space that are not for resale and are used solely (i) to promote the tournament, (ii) to promote ATP or any related event or activity of the tournament that generates Gross Revenues, (iii) to promote charitable or not for profit organizations or agencies that are unrelated to the tournament or tournament affiliates, or (iv) for public service announcements.
- (b) Any barter transaction that is both used to satisfy tournament standards and is for the direct benefit of the players. Such direct player benefits include, but are not limited to, hotel accommodations, player transportation, player food, player meals, player beverages, lounge for players, internet access for players, and gifting and on-court supplies for players.
- (c) De Minimus barter transactions defined as individual transactions with valuations under \$10,000 for 250 category tournaments, \$20,000 for 500 category tournaments and \$30,000 for 1000 category tournaments. De Minimus transactions are not required to be reported individually in the Submission as long as the total of such individual transactions is 5% or less of Gross Revenues. In the event such total exceeds 5% of Gross Revenues, tournaments must individually report the highest valued barter transactions included in the total such that the total excluding those transactions is 5% or less of Gross Revenues. A summary written description of each De Minimus transaction is required to be included in the Submission.

Given the potential complexities in valuing barter transactions for inclusion in Gross Revenues, tournaments who submit barter valuations in Submissions through the 2019 year will not be assessed any fine amount in accordance with Section G if those valuations are subsequently changed or amended through the procedures performed by either the Committee Auditor or Player Auditor. This one-time fine abatement will not apply if the Committee determines that a tournament was not acting in good faith or willfully not complying with this rule when submitting those barter valuations.

"Submission" means the prescribed, mandatory annual financial information report required to be submitted to the Committee Auditor by each ATP Tour tournament

III. FINANCIAL

member hereunder, which, for the avoidance of doubt, shall include a determination and calculation of Gross Revenues and any other information required or reasonably requested by the Committee. The Submission must be completed in full as determined by the Committee Auditor to be considered in compliance with this rule.

"Related Party" means a person or company that has control, joint control or significant influence over the tournament or a tournament entity, either by ownership, by agreement, or by power to manage, govern or influence the tournament's finances and/or operations. Also, a person or company is considered to be a related party to the tournament if the tournament has control, joint control or significant influence over the person or company, either by ownership, by agreement, or by power to manage, govern or influence the person or company's finances and/or operations.

- C. The Committee will be delegated the authority by the ATP Board of Directors to administer, implement and enforce this rule, including, but not limited to, the authority to (i) determine procedures for audits for purposes of financial disclosures in accordance with the terms of this rule (including regarding the selection of tournament events to be subject to full on-site audits in accordance with Section E below); (ii) determine the process of receiving financial information from tournament members and any audits with respect to such information, including how often an audit may be performed with respect to an individual tournament; (iii) evaluate and resolve questions and issues that may arise in respect of any audit, Submission or violation of this rule; (iv) enforce this rule pursuant to Section F below; and (v) implement any other aspect of this rule. All actions, approvals and determinations of the Committee shall require a unanimous vote of the Voting Members, unless otherwise expressly provided in this rule (including as set forth in Sections B, C, E and F below). The ATP Chairman shall have no right to vote on Committee matters; provided, however, that in the event that the Voting Members are unable to unanimously agree on the appointment of the Player Auditor, the ATP Chairman acting reasonably shall have the right to vote on whether approval of the proposed Player Auditor should be granted. If any such vote by the ATP Chairman occurs and the ATP Chairman votes against the approval of any proposed Player Auditor, then the ATP Chairman will provide a brief description of his or her reason for such decision to the Committee. The Committee will meet regularly as deemed necessary by the Committee to properly administer, implement and enforce this rule. The ATP Board of Directors will make reasonable and adequate funding available to enable the Committee to administer, implement and enforce this rule in accordance with the terms herein.
- D. Each ATP Tour tournament member is required to provide a complete and accurate Submission annually to the Committee Auditor no later than 120 days following the conclusion of its tournament event for such year. Each Submission must be certified by the applicable tournament member as complete and accurate and in compliance with this rule in all material respects. For a period of one (1) calendar year following the date upon which this rule is formally and duly adopted by the ATP Board of Directors (such date, the "Effective Date"), each Submission must include a determination and calculation of Gross Revenues for the current year and the prior two (2) years (i.e., a total of 3 years) and any other required financial information related to such Gross Revenues. The financial information included in each Submission shall be construed and prepared in accordance with GAAP or IFRS, unless a different basis is legally mandated by the country in which the tournament operates. In such case, differences between any such other basis and GAAP or IFRS, as applicable, must

III. FINANCIAL

be identified and resolved by such tournament member as part of its Submission. Upon appointment by the Committee, each of the Committee Auditor and the Player Auditor will be instructed not to disclose any individual tournament information or documentation that it receives to the Committee, any of its members, ATP, the ATP Board of Directors or any other party. The Committee Auditor and Player Auditor will be required to execute and deliver to the Committee a statement of confidentiality and non-disclosure preventing either the Committee Auditor or Player Auditor from making any such disclosure.

E. Each year, the Committee Auditor will perform an agreed upon desk-based procedures audit (as directed by the Committee) of each tournament member Submission and report to the Committee any issues that it may identify as a result of these procedures for which the Committee Auditor is unable to resolve with the respective tournament. Once this process is complete, the Committee Auditor will provide the results of its procedures and the supporting audit work papers to the Player Auditor. The Player Auditor will undertake a review of the provided information and results. After completing this review, if the Player Auditor has any outstanding issues or questions, the Player Auditor will work with the Committee Auditor to resolve such issues and questions. In the event that the Committee Auditor and the Player Auditor are unable to resolve any such issues or questions, the Committee Auditor and the Player Auditor will inform the Committee and may jointly conduct an on-site audit at the offices of the relevant tournament or Related Party to review and evaluate the books and records of such tournament or Related Party that are reasonably necessary to resolve such issue or question; provided, that any such joint on-site audit must be conducted during regular business hours and no more than three (3) joint on-site audits may be conducted during any consecutive twelve (12) month period. If after any joint on-site audit, the Committee Auditor and the Player Auditor are still unable to resolve any such issues or questions (or in the event the Committee Auditor and the Player Auditor elect not to conduct an on-site audit and such issues or questions remain), the Committee Auditor and the Player Auditor will inform the Committee and the Committee will evaluate the information presented and then issue a determination as to whether the unresolved issue(s) or question(s) is due to an act or omission of a tournament member. In the event that the Voting Members are unable to unanimously agree on such determination, then the Independent Member will make such determination in his or her sole discretion. If it is determined that the unresolved issue(s) or questions(s) are due to an act or omission of a tournament member, then the revenues for that tournament could be excluded from the prize money formula calculation and/or that tournament may be subject to a fine pursuant to Section F below.

F. Any tournament member that (i) fails to provide a Submission to the Committee Auditor as required under this rule (including with respect to the timing, accuracy and/or completeness thereof), (ii) submits a report or document that contains a material misstatement or omits material information, (iii) does not fully cooperate with the Committee Auditor and Player Auditor as required hereunder, or (iv) otherwise fails to comply with this rule, may request from the Committee a 10 day extension in order to comply with its submission failure. Following any such extension the tournament in each case, may be subject to a fine in a maximum amount of \$250,000. This maximum fine amount will increase by 100% for consecutive year submission failure by a tournament. The Committee shall evaluate the circumstances that led to the failure of such tournament member to comply with the terms of this rule and assess an appropriate fine taking into consideration the guidelines set forth in Section G

III. FINANCIAL

below or as otherwise provided by the ATP Board of Directors from time to time. For clarity, any such guidelines will be for guidance purposes only and the Committee will have the right to determine an appropriate fine in its sole discretion. In the event that the Voting Members are unable to unanimously agree on a fine, the Independent Member will make such determination in his or her sole discretion taking into account the circumstances that led to the failure of the tournament member to comply with the terms of this rule. All fines assessed under this rule will be contributed to the player pension program.

G. The following guidelines set forth fines that may be imposed for violations of this rule (subject to the discretion of Committee as set forth in this rule):

Violation	Fine* 250/500/1000
Failure to meet 120-day deadline to provide a Submission in accordance with this rule	\$5,000/\$10,000/\$20,000
Prolonged failure to meet 120-day deadline to provide a Submission in accordance with this rule (over a month late)	\$15,000/\$30,000/\$60,000
Submission contains a material misstatement or material omission of information	\$15,000/\$30,000/\$60,000 (up to a maximum of \$250,000)
Willful non-compliance with this rule (e.g., failure to provide a Submission)	Up to a maximum of \$250,000

*Specific amounts should depend on the severity of the violation and issue(s) presented.

Notwithstanding anything to the contrary herein, each ATP Tour tournament member shall have until January 15th, 2020 to provide the Committee Auditor with a complete and accurate Submission related to tournament events concluded in 2018. Any Submission related to a tournament event that concluded in 2019 prior to the Effective Date shall be required to be provided to the Committee Auditor no later than 120 days following the conclusion of such event or if, after giving effect to this rule, such 120 day period has passed, 60 days following the Effective Date.

3.19 500 Prize Money Formula Rule

The formula within this rule will be used to determine increases in on-site prize money for the ATP Tour 500 category of tournaments (as this category is currently composed) for the years 2020 through 2024. In the event this category is materially changed during this period, the Committee will determine what effect such material changes have on applying this rule for the remainder of the term. The formula will be based on a 2-year average growth percentage (AGP) in defined revenues (DR) for all events in the category. The Committee Auditor will calculate AGP and submit such calculations to the Committee for review and approval. Such AGP will be applied to current year category total on-site prize money as follows:

III. FINANCIAL

AGP up to 2.5%	On-site prize money increases by 2.5%
AGP over 2.5% to 6%	On-site prize money increases by AGP
AGP over 6%	On-site prize money increases by AGP times 1.167

The resulting overall on-site prize money increase will be allocated equally to each of the 13 500 events, regardless of their current on-site prize money level.

Definitions

Supplemental Tournament Financial Information Rule-Prize Money and Audit (Audit Rule) - ATP rule which among other provisions defines the required annual reporting by each ATP tournament of its gross tournament revenue and other financial information and defines the audit procedures to be applied to submitted information. Definitions within that rule are incorporated herein by reference. Implementation of this 500's formula rule will be the responsibility of the Committee as defined in the Audit Rule.

Average Growth Percentage (AGP) - AGP is the 2-year average growth in the most recent actual years DR as reported to and calculated by the Committee Auditor. The annual period for purposes of AGP will be the 12-month periods ending in April each year immediately following the Barcelona tournament.

Defined Revenues (DR) - Defined revenues are the basis for the AGP calculations and include the following four broad revenue categories as long as the 2-year average of these revenues exceed 92% of average gross revenues as reported to the Committee Auditor:

- Sponsorships
- Ticketing and on-site hospitality
- Media and television revenues
- Government funding and/or government subsidies

Revenues within each of these categories must include all amounts earned in connection with each category. For example, if a sponsor agreement in addition to sponsor signage and benefits, provides for on-site parking or event merchandise, total sponsor payments must be included within this category and not allocated to another revenue category. Similarly, if food and beverage and/or parking are included in a ticketing/hospitality package, the total package proceeds will be included in the ticketing/hospitality category as DR and not allocated to another revenue category.

Consistent with the Audit Rule, where applicable, gross revenues and DR includes tournament revenues received by related parties. A person/company is considered to be a Related Party to the tournament if that person/company has control, joint control or significant influence over the tournament or a tournament entity, either via ownership, via agreement, or via power to manage/govern/influence the tournament's finances and/or operations. Also, a person/company is considered to be a Related Party to the tournament if the tournament has control, joint control or significant influence over the person/company, either via ownership, via agreement, or via power to manage/govern/influence the person/company's finances and/or operations.

III. FINANCIAL

If two-year average DR are less than 92% of average gross revenues, the next largest revenue category as determined by the Committee Auditor and approved by the Committee will be added to DR so that the 92% minimum is achieved.

For purposes of DR, barter transactions as defined below for each category are required to be included. Barter for this purpose is non cash transactions (for example advertising) where value is exchanged (for example, when cars are provided as part of a car sponsor deal the value of the cars provided must be included in sponsor revenues. Barter valuations should be in accordance with GAAP or IFRS applicable to each tournament.

ATP payments to tournaments for rebates and prize money subsidy are not included in DR or OR. Data distribution revenues shall be included within the other tournament revenues category (OR) and subject to reclassification within DR as provided above.

For purposes of DR, the following will also apply:

- For combined events, direct men only revenues will be included in DR at 100%. Direct women only revenues will be excluded.
- A 70% factor will be applied to combined events revenues which are not directly men or women event revenues.
- Exchange rates to USD for formula calculation purposes and for equal prize money allocation among tournaments will be based on a 2-year average exchange rate.
- Complimentary tickets where no value is received will not be included in revenues. Complimentary tickets provided to Related Parties will be valued and included in DR.
- Taxes and fees required to be paid on tickets sales will be excluded from revenues. For this purpose, taxes and fees only include such amounts that are in effect during the year 2020. Application of this exclusion based on 2020 determination must be consistently applied during the term.
- Insurance proceeds which replace lost revenues will be included as revenues in the category for which the proceeds relate

Other Revenues (OR) - OR includes all tournament revenues not otherwise included in DR.

Agreed upon procedures as defined in the Audit Rule will only be applied to DR of the 500's events. Remaining OR as reported under the Audit Rule will be subject only to overall fluctuation reviews and resulting inquiries by the Committee and Player Auditors necessary to understand significant changes.

IV. WORLD CHAMPIONSHIPS

4.01 Nitto ATP Finals - Singles

A. Competition Format

The tournament shall be a singles round robin format with eight (8) players. There shall be two (2) groups of four (4) players each with eight (8) seeds to be determined by the FedEx ATP Rankings on the Monday after the last ATP Tour tournament of the calendar year. All matches shall be the best of three (3) tie-break sets, including the final. The round robin shall determine the four (4) players for the semifinals with the format thereafter being a single elimination competition.

B. Entries

- 1) **Selection List.** The selection list for the event shall be:
 - a) The top seven (7) players in the FedEx ATP Rankings as of the Monday after the last ATP Tour tournament of the calendar year; followed by
 - b) Up to two (2) Grand Slam winners of that year, in order of their positions, positioned between eight (8) and twenty (20) in the FedEx ATP Rankings as of that Monday; followed by
 - c) Players positioned eight (8) and below in the FedEx ATP Rankings as of that Monday.
- 2) **Direct Acceptances.** The top eight (8) players in the selection list shall qualify for the event as direct acceptances. Participation is mandatory, and all qualified players shall be entered. All direct acceptances must be at the tournament site to attend the official pre-tournament media conference and must be available for play through the completion of the round robin competition and the knock-out competition if eligible.
- 3) **Withdrawal.** Any withdrawal, before the official pre-tournament media conference starts, shall be replaced by the next highest positioned player on the selection list, who shall be qualified as a direct acceptance.
- 4) **Alternate(s).**
 - a) The next highest positioned player on the selection list (who is not a direct acceptance at the time of the official pre-tournament media conference) shall be designated as the alternate and shall replace any player who subsequently withdraws. The alternate must appear at the official pre-tournament media conference and remain available through the start of the last scheduled round robin match.
 - b) Additional alternates may be selected by ATP to fill the draw, based on the selection list, upon terms satisfactory to ATP. Participation of such additional alternates is not mandatory.
 - c) The alternate(s) is eligible to play in the single elimination competition and to receive points and prize money if he qualifies.
 - d) If the alternate(s) does not play in the draw, then a fee shall be paid to the alternate(s). If the alternate(s) is inserted for the second or third round robin match, then he shall receive the alternate fee plus any prize money and points won. If the alternate(s) replaces a player that does not compete in his first round robin match, the alternate(s) becomes a direct acceptance and does not receive the alternate fee.

IV. WORLD CHAMPIONSHIPS

C. Failure To Participate in the Nitto ATP Finals

- 1) If a player, qualified for the Nitto ATP Finals as a direct acceptance or designated as the alternate, fails or refuses to participate in this event, except for bona fide injury or other reason which constitutes good cause, the player shall not be in good standing.
- 2) All direct acceptances and the alternate must appear at the site of the event(s) as determined by ATP and participate in the pre-tournament media conference.

Failure to appear shall result in a penalty of five percent (5%) of total ATP prize money earned during the ATP circuit year.

Please also see 1.07 G. 2) b).

D. Order of Play

Round Robin

- 1) The field shall be divided into two (2) groups of four (4) players each. The top-seeded player shall be placed in Group "A" and the second-seeded player shall be placed in Group "B". Players seeded three (3) and four (4), five (5) and six (6), and seven (7) and eight (8), shall then be drawn in pairs with the first drawn placed into Group "A."
- 2) Each player shall play every other player in his group to determine the top two (2) players in each group.
- 3) The final standings of each group shall be determined by the first of the following methods that apply:
 - a) Greatest number of wins.
 - b) Greatest number of matches played.
Comment: 2-1 won-loss record beats a 2-0 won-loss record; a 1-2 record beats a 1-0 record.
 - c) Head-to-head results if only two (2) players are tied.
 - d) If three (3) players are tied, then:
 - i) If three (3) players each have one (1) win, a player having played less than all three (3) matches is automatically eliminated and the player advancing to the single elimination competition is the winner of the match-up of the two (2) players tied with 1-2 records; or
 - ii) Highest percentage of sets won; or
 - iii) Highest percentage of games won; a player completing less than all three (3) matches is automatically eliminated and the player advancing to the single elimination competition is the winner of the match-up of the two (2) remaining players; or
 - iv) The player positions on the ATP FedEx Rankings as of the Monday after the last ATP Tour tournament of the calendar year.
 - v) If (i), (ii), (iii) or (iv) produce one (1) superior player (first place), or one (1) inferior player (third place), and the two (2) remaining players are tied, the tie between those two (2) players shall be broken by head-to-head record.

Comment 1: 1 player has 3 wins and the other 3 players have 1 win. Of the 3 players with 1 win, 1 player has only played in 2 matches while the other 2 players have played 3 matches. The player who has only played 2 matches is eliminated and then the 2 remaining players revert back

IV. WORLD CHAMPIONSHIPS

to head-to-head results with the winner of their match advancing to the semi-finals.

Comment 2: 1 player has 3 wins and the other 3 players have 1 win and they all have played 3 matches. The tie-break for % of sets won has 1 player with a better % than the other two. This player advances to the semi-final round.

Comment 3: 3 players have 2 wins and the other player has 0 wins. The player with 0 wins is eliminated. Of the 3 players with 2 wins, they are ordered by their % of sets won. This produces a 1, 2 & 3 order and the players finishing 1 and 2 move to the semi-final round and the player finishing 3 in % of sets won is eliminated. The player with the best % of sets won is the winner of the group.

Comment 4: 3 players have 2 wins and the other player has 0 wins. The player with 0 wins is eliminated. Of the 3 players with 2 wins, 1 player's sets won-loss is 5-2 for 71.43%; the other 2 players both have a 4-3 record in sets for 57.14%. In this case there is 1 superior player (71.43%) and the remaining 2 players are tied; it now reverts to the head to head result of the 2 remaining players with the winning player advancing as group runner-up.

Comment 5: 3 players have 2 wins and the other player has 0 wins. The player with 0 wins is eliminated. Of the 3 players with 2 wins, 2 have set won-loss records of 5-3 (62.5%) while the other player is 4-3 (57.14%). In this case we have 1 inferior player (57.14%) and he is eliminated. The remaining two players both advance to the semi-finals with the winner of their head-to-head match advancing as the group winner.

Comment 6: 3 players have 2 wins and the other player has 0 wins. The player with 0 wins is eliminated. Of the 3 players with 2 wins, all have played 3 matches and all 3 have set won-loss records of 5-4 (55.56%). In this case we move to % of games won. The % of games won breaks down like this: 44-40 for 52.38%, 45-43 for 51.14% and 44-43 for 50.57%. This produces a 1, 2 and 3 order of the group and the number 1 player in % of games won is the group winner while the player finishing 2nd in % of games won advances to the semi-finals as the group runner-up. The player with the 3rd best % of games won is eliminated.

- 4) In applying the tie-breaking procedures, a conduct default or retirement shall count as a straight-set win or loss. However, games won or lost in matches with the defaulting or retiring player shall not be counted in the application of subsection 3.d. (iii) above. A player who retires during the round robin because of illness or injury may continue in the competition if it is approved by the tournament Doctor.

Comment: This prevents a scenario where a player knows he only needs to win 1 set to qualify for the semi-finals from retiring once he has won a set.

- 5) Any player who is defaulted pursuant to the ATP Code during the round robin competition shall be defaulted from all other matches in the Championship and ATP default provisions shall apply, except for the following circumstances:
 - a) The loss of physical condition; or
 - b) Dress and Equipment.
- 6) Any player who withdraws from any round robin match after the first round shall not be eligible for the single elimination competition.

IV. WORLD CHAMPIONSHIPS

E. Single Elimination Competition

- 1) The winner of each group shall be placed in separate semi-final brackets. The runner-up of each group shall be placed in the semi-final bracket with the winner of the opposite group.
- 2) The event shall be completed with a single elimination competition for the semi-finals and final.
- 3) There shall be no playoff for the third and fourth place positions.

F. Prize Money and Points

Final standings at the end of the tournament shall determine the prize money and FedEx ATP Rankings points earned.

4.02 Nitto ATP Finals - Doubles

A. Competition Format

All matches shall be two (2) tie-break sets with a deciding Match Tie-break (10 point) at one (1) set all. The round robin shall determine the four (4) teams for the semi-finals with the format thereafter being a single elimination competition.

B. Entries

- 1) **Selection List.** The selection list for the event shall be:
 - a) The top 7 teams in the 2020 FedEx ATP Doubles Team Rankings as of the Monday after the last ATP Tour tournament of the calendar year; followed by
 - b) Up to two (2) Grand Slam winners of that year, in order of their positions, positioned between eight (8) and twenty (20) in the 2020 FedEx ATP Doubles Team Rankings as of that Monday; followed by
 - c) Teams positioned eight (8) and below in the 2020 FedEx ATP Doubles Team Rankings as of that Monday.
- 2) **Direct Acceptances.** The top eight (8) teams in the selection list shall qualify for the event as direct acceptances. Participation is mandatory, and all qualified teams shall be entered. All direct acceptances must be at the tournament site to attend the official pre-tournament media conference and must be available for play through the completion of the round robin competition and the knock-out competition if eligible.
- 3) **Withdrawal.** All eligible teams shall be entered by ATP; however, teams may withdraw through the Monday following the last ATP Tour tournament of the year. Any withdrawal, before the official pre-tournament media conference starts, shall be replaced by the next highest positioned team on the selection list, who shall be qualified as a direct acceptance.
- 4) **Alternate(s).**
 - a) On the Monday following the last ATP Tour tournament of the year, the next highest positioned team shall be asked to confirm its status as the alternate team. Alternate team(s) may be selected by ATP to fill the draw upon terms

IV. WORLD CHAMPIONSHIPS

satisfactory to ATP. Any withdrawal after the official pre-tournament media conference through the start of the last scheduled round robin match shall be filled with the alternate team(s). The alternate team must appear at the official pre-tournament media conference and remain available through the start of the last scheduled round robin match.

- b) Additional alternate teams may be selected by ATP to fill the draw, based on the selection list, upon terms satisfactory to ATP. Participation of such additional alternate teams is not mandatory.
- c) The alternate team(s) is eligible to play in the single elimination competition and to receive points and prize money if they qualify.
- d) If the alternate team(s) does not play in the draw, then a fee shall be paid to the alternate team(s). If the alternate team(s) is inserted for the second or third round robin match, then they shall receive the alternate fee plus any prize money and points won. If the alternate team(s) replaces a team that does not compete in their first round robin match, the alternate team(s) becomes a direct acceptance and does not receive the alternate fee.

C. Order of Play

Round Robin

- 1) The field shall be divided into two (2) groups of four (4) teams each. The top-seeded team shall be placed in Group "A" and the second-seeded team shall be placed in Group "B". Teams seeded three and four, five and six, and seven and eight, shall then be drawn in pairs with the first drawn placed into Group "A".
- 2) Each team shall play every other team in their group to determine the top two (2) teams in each group.
- 3) The final standings of each group shall be determined by the first of the following methods that apply:
 - a) Greatest number of wins.
 - b) Greatest number of matches played.
Comment: 2-1 won-loss record beats a 2-0 won-loss record; a 1-2 record beats a 1-0 record.
 - c) Head-to-head results if only two (2) teams are tied.
 - d) If three (3) teams are tied, then:
 - i) If three (3) teams each have one (1) win, a team having played less than all three (3) matches is automatically eliminated and the team advancing to the single elimination competition is the winner of the match-up of the two (2) teams tied with 1-2 records; or
 - ii) Highest percentage of sets won; (Winning the MTB counts as one (1) set won); or
 - iii) Highest percentage of games won. (Winning the MTB counts as one (1) game won); a team completing less than all three (3) matches is automatically eliminated and the team advancing to the single elimination competition is the winner of the match-up of the two (2) remaining teams; or
 - iv) The team positions on the 2020 FedEx ATP Doubles Team Rankings as of the Monday after the last ATP Tour tournament of the calendar year.
 - v) If (i), (ii), (iii) or (iv) produce one (1) superior team (first place), or one (1) inferior team (third place), and the two (2) remaining teams are tied, the tie between those two (2) teams shall be broken by head-to-head record
Comment 1: 1 team has 3 wins and the other 3 teams have 1 win. Of the 3 teams with 1 win, 1 team has only played in 2 matches while the other 2

IV. WORLD CHAMPIONSHIPS

teams have played 3 matches. The team who has only played 2 matches is eliminated and then the 2 remaining teams revert back to head-to-head results with the winner of their match advancing to the semi-finals.

Comment 2: 1 team has 3 wins and the other 3 teams have 1 win and they all have played 3 matches. The tie-break for % of sets won has 1 team with a better % than the other two. This team advances to the semi-final round.

Comment 3: 3 teams have 2 wins and the other team has 0 wins. The team with 0 wins is eliminated. Of the 3 teams with 2 wins, they are ordered by their % of sets won. This produces a 1, 2 & 3 order and the teams finishing 1 and 2 move to the semi-final round and the team finishing 3 in % of sets won is eliminated. The team with the best % of sets won is the winner of the group.

Comment 4: 3 teams have 2 wins and the other team has 0 wins. The team with 0 wins is eliminated. Of the 3 teams with 2 wins, 1 team's sets won-loss is 5-2 for 71.43%; the other 2 teams both have a 4-3 record in sets for 57.14%. In this case there is 1 superior team (71.43%) and the remaining 2 teams are tied; it now reverts to the head to head result of the 2 remaining teams with the winning team advancing as group runner-up.

Comment 5: 3 teams have 2 wins and the other team has 0 wins. The team with 0 wins is eliminated. Of the 3 teams with 2 wins, 2 have set won-loss records of 5-3 (62.5%) while the other team is 4-3 (57.14%). In this case we have 1 inferior team (57.14%) and this team is eliminated. The remaining two teams both advance to the semi-finals with the winner of their head-to-head match advancing as the group winner.

Comment 6: 3 teams have 2 wins and the other team has 0 wins. The team with 0 wins is eliminated. Of the 3 teams with 2 wins, all have played 3 matches and all 3 have set won-loss records of 5-4 (55.56%). In this case we move to % of games won. The % of games won breaks down like this: 44-40 for 52.38%, 45-43 for 51.14% and 44-43 for 50.57%. This produces a 1, 2 and 3 order of the group and the number 1 team in % of games won is the group winner while the team finishing 2nd in % of games won advances to the semi-finals as the group runner-up. The team with the 3rd best % of games won is eliminated.

- 4) In applying the tie-breaking procedures, a conduct default or retirement shall count as a straight-set win or loss. However, games won or lost in matches with the defaulting or retiring team shall not be counted in the application of subsection 3.d. (iii) above. A team who retires during the round robin because of illness or injury may continue in the competition if it is approved by the tournament Doctor.

Comment: this prevents a scenario where a team knows he only needs to win 1 set to qualify for the semi-finals from retiring once he has won a set.

- 5) Any team who is defaulted pursuant to ATP Code during the round robin competition shall be defaulted from all other matches in the Championship and ATP default provisions shall apply, except for the following circumstances:
 - a) The loss of physical condition; or
 - b) Dress and Equipment.
- 6) Any team who withdraws from any round robin match after the first round shall not be eligible for the single elimination competition.

IV. WORLD CHAMPIONSHIPS

4.04 Next Gen ATP Finals

A. Competition Format

The tournament shall be a round robin format with eight (8) players. There shall be two (2) groups of four (4) players each with eight (8) seeds to be determined by their position on the most recent FedEx ATP Singles Rankings. All matches shall be the best of five (5) tie-break sets. Each set shall be the first to four (4) games with a margin of two (2) with a tie-break played at three (3) games all. Games shall be decided using the No-Ad scoring method. The round robin shall determine the four (4) players for the semi-finals with the format thereafter being a single elimination competition.

B. Entries

- 1) **Age Eligibility.** All players must be 21 years or under throughout the 2020 calendar year.
- 2) **Selection List.** The selection list for the event shall be:
 - a) The top seven (7) players in the ATP Race to Milan standings as of Monday (2 Nov) following the Basel / Vienna / Challenger events; followed by
 - b) One (1) Wild Card designated by the FIT and approved by ATP. The Wild Card selection must meet the age restriction as specified in B. 1) above.
 - 3) **Direct Acceptances.** The top seven (7) players in the selection list shall qualify for the event as direct acceptances. Participation is mandatory, and all qualified players shall be entered. The exception to this is that any player(s) who are qualified for the Nitto ATP Finals as a Direct Acceptance or as a designated Alternate are excluded from mandatory participation. All direct acceptances must be at the tournament site to attend the official pre-tournament media events scheduled Sunday night and Monday and must be available for play through the completion of the round robin competition and the knock-out competition if eligible.
- 4) **Withdrawal.** Any withdrawal, before the official pre-tournament media conference starts, shall be replaced by the next highest positioned player on the selection list, who shall be qualified as a direct acceptance.
- 5) **Alternate(s).**
 - a) Alternate(s) (who are not a direct acceptance at the time of the official pre-tournament media conference) shall be designated as determined by ATP. The alternate shall replace any player who subsequently withdraws. The alternate must appear at the official pre-tournament media conference and remain available through the start of the last scheduled round robin match. Participation of the Alternate is not mandatory.
 - b) Additional alternates may be selected by ATP to fill the draw, based upon terms satisfactory to ATP. Participation of such additional alternates is not mandatory.
 - c) The alternate(s) is eligible to play in the single elimination competition and to receive prize money if he qualifies.
 - d) If the alternate(s) does not play in the draw, then a fee shall be paid to the alternate(s). If the alternate(s) is inserted for the second or third round robin match, then he shall receive the alternate fee plus any prize money won. If a player, qualified for the Next Gen ATP Finals as a direct acceptance fails or refuses to participate in this event, except for bona fide injury or other reason which constitutes good cause, the player shall receive a fine in the amount of \$25,000.

E. Order of Play

Round Robin

- 1) The field shall be divided into two (2) groups of four (4) players each. The top-seeded player shall be placed in Group "A" and the second-seeded player shall be placed in Group "B". Players seeded three (3) and four (4), five (5) and six (6), and seven (7) and eight (8), shall then be drawn in pairs with the first drawn placed into Group "A."
- 2) Each player shall play every other player in his group to determine the top two (2) players in each group.
- 3) The final standings of each group shall be determined by the first of the following methods that apply:
 - a) Greatest number of wins.
 - b) Greatest number of matches played.
Comment: 2-1 won-loss record beats a 2-0 won-loss record; a 1-2 record beats a 1-0 record.
 - c) Head-to-head results if only two (2) players are tied.
 - d) If three (3) players are tied, then:
 - i) If three (3) players each have one (1) win, a player having played less than all three (3) matches is automatically eliminated and the player advancing to the single elimination competition is the winner of the match-up of the two (2) players tied with 1-2 records; or
 - ii) Highest percentage of sets won; or
 - iii) Highest percentage of games won; or
 - iv) The player positions on the most recent FedEx ATP Rankings.
 - v) If (i), (ii), (iii) or (iv) produce one (1) superior player (first place), or one (1) inferior player (third place), and the two (2) remaining players are tied, the tie between those two (2) players shall be broken by head-to-head record.

Comment 1: 1 player has 3 wins and the other 3 players have 1 win. Of the 3 players with 1 win, 1 player has only played in 2 matches while the other 2 players have played 3 matches. The player who has only played 2 matches is eliminated and then the 2 remaining players revert to head-to-head results with the winner of their match advancing to the semi-finals.

Comment 2: 1 player has 3 wins and the other 3 players have 1 win and they all have played 3 matches. The tie-break for % of sets won has 1 player with a better % than the other two. This player advances to the semi-final round.

IV. WORLD CHAMPIONSHIPS

Comment 3: 3 players have 2 wins and the other player has 0 wins. The player with 0 wins is eliminated. Of the 3 players with 2 wins, they are ordered by their % of sets won. This produces a 1, 2 & 3 order and the players finishing 1 and 2 move to the semi-final round and the player finishing 3 in % of sets won is eliminated. The player with the best % of sets won is the winner of the group.

Comment 4: 3 players have 2 wins and the other player has 0 wins. The player with 0 wins is eliminated. Of the 3 players with 2 wins, 1 player's sets won-loss is 5-2 for 71.43%; the other 2 players both have a 4-3 record in sets for 57.14%. In this case there is 1 superior player (71.43%) and the remaining 2 players are tied; it now reverts to the head to head result of the 2 remaining players with the winning player advancing as group runner-up.

Comment 5: 3 players have 2 wins and the other player has 0 wins. The player with 0 wins is eliminated. Of the 3 players with 2 wins, 2 have set won-loss records of 5-3 (62.5%) while the other player is 4-3 (57.14%). In this case, we have 1 inferior player (57.14%) and he is eliminated. The remaining two players both advance to the semi-finals with the winner of their head-to-head match advancing as the group winner.

Comment 6: 3 players have 2 wins and the other player has 0 wins. The player with 0 wins is eliminated. Of the 3 players with 2 wins, all have played 3 matches and all 3 have set won-loss records of 5-4 (55.56%). In this case, we move to % of games won. The % of games won breaks down like this: 44-40 for 52.38%, 45-43 for 51.14% and 44-43 for 50.57%. This produces a 1, 2 and 3 order of the group and the number 1 player in % of games won is the group winner while the player finishing 2nd in % of games won advances to the semi-finals as the group runner-up. The player with the 3rd best % of games won is eliminated.

- e) In applying the tie-breaking procedures, a conduct default or retirement shall count as a straight-set win or loss. However, games won or lost in matches with the defaulting or retiring player shall not be counted in the percentage of games won. A player who retires during the round robin because of illness or injury may continue in the competition if it is approved by the tournament Doctor.
Comment: This prevents a scenario where a player knows he only needs to win 1 set to qualify for the semi-finals from retiring once he has won a set.
- f) Any player who is defaulted pursuant to the ATP Code during the round robin competition shall be defaulted from all other matches in the Championship and ATP default provisions shall apply, except for the following circumstances:
 - i) The loss of physical condition; or
 - ii) Dress and Equipment.
- g) Any player who withdraws from any round robin match after the first round shall not be eligible for the single elimination competition.

F. Single Elimination Competition

- 1) The winner of each group shall be placed in separate semi-final brackets. The runner-up of each group shall be placed in the semi-final bracket with the winner of the opposite group.
- 2) The event shall be completed with a single elimination competition for the semi-finals and final.

IV. WORLD CHAMPIONSHIPS

- 3) There shall be a playoff between the losers of the two semi-final matches for the third and fourth place positions.

G. Prize Money

Final standings at the end of the tournament shall determine the prize money earned.

H. Conditions of Play

A player on the alternate list for the singles main draw may withdraw at any time prior to such time that he is moved into the main draw as a direct acceptance because of withdrawals of other players.

NOTE: The deadline for ATP Tour Masters 1000 - Monte Carlo main draw is 12 Noon, Eastern Time, USA, twenty-eight (28) days prior to the Monday of the tournament week.

- 2) ATP Tour Qualifying.** 12 Noon, Eastern Time, USA, twenty-one (21) days prior to the first Monday of the tournament week. A player directly accepted into the qualifying competition may withdraw, without penalty, if he is moved into the main draw, or accepts a wild card into an ATP Tour 250 or ATP Tour 500 tournament, or if he is still competing in an ATP Tour, ATP Challenger Tour, or ITF Men's WTT tournament at any time on the day prior to the commencement of qualifying or two days prior if competing on another continent. If a player is still competing past 9:00 p.m. local time, he will be automatically withdrawn from the qualifying without penalty. Players who withdraw or are withdrawn due to "still competing" will be allowed to accept a wild card or enter doubles into any ATP Tour 250, ATP Tour 500, ATP Challenger Tour or ITF Men's WTT tournament, including qualifying. If a withdrawal occurs prior to 12 noon, Eastern Time, USA, on Friday, the qualifying vacancy shall be filled by the next player on the qualifying alternate list. If a withdrawal occurs after 12 noon, Eastern Time, USA, on Friday, the qualifying vacancy will be filled from the on-site sign-in list, using the most recent FedEx ATP Rankings list. Main draw vacancies will be filled from the main draw alternate list, not the qualifying acceptance list.

NOTE: For ATP Tour qualifying tournaments, withdrawals occurring after 12 Noon Eastern Time USA and prior to the draw* will be filled from that night's alternate sign-in. Vacancies occurring after the release of the qualifying draw, will be filled from the next day's on-site alternate list. Players must personally sign-in to be eligible as an on-site alternate.

* For events in a time zone where the qualifying draw is made prior to 12 Noon Friday, Eastern USA, vacancies occurring after the Qualifying Alternate sign-in deadline but prior to the qualifying draw shall be filled from that night's alternate sign-in.

May I Accept a Wild Card after Withdrawing from an ATP Tour Qualifying?

Case: A player was still competing in a Challenger on the day before Qs started at an ATP Tour event. He wanted to withdraw from the Qs due to "still competing" and then take a wild card into a Challenger event. Is this allowed?

Decision: Yes. The rule states that he may withdraw without penalty from the qualifying if he is still competing on the day prior

VII. THE COMPETITION

to the commencement of the qualifying. By withdrawing due to "still competing", he is allowed to accept a wild card.

Case: Can a player who is still competing the previous week on Thursday or Friday (on the same continent*), or on Wednesday (on a different continent*) be signed in over the phone as a Qualifying Alternate for the following week's event (Saturday Qualifying start)?

Decision: Yes, a player who is still competing the previous week on Thursday or Friday (on the same continent*), or on Wednesday (on a different continent*) can be signed in by the Supervisor over the phone if he has lost before the Qualifying Alternate sign-in deadline. Players who lose after the release of the qualifying draw must personally sign-in on-site the next day to be eligible as an on-site alternate.

*Continents are: Europe, Asia, Antarctica, Australia, Africa, North America (including Central America) and South America.

Case: If a player is competing in an event (including Davis Cup) that finishes on the day of the Qualifying Alternate sign-in for the following week's event, can he be signed in as a Qualifying Alternate, even though he may be competing past the Qualifying Alternate sign-in deadline?

Decision: Yes. Since the event finishes on the day of the Qualifying sign-in deadline, the player may be signed in as a Qualifying Alternate for the following week's event.

From Q to Main Draw of another event

Case: May a player who is a direct acceptance to an ATP Tour qualifying event be withdrawn to move into the main draw of an ATP Tour 250 or ATP Tour 500 event as a Direct Acceptance or Wild Card which is held in the same week?

Decision: Yes, as long as the first ball of the qualifying at the tournament where he is in the qualifying draw has not been struck.

Case: May a player withdraw BDA from the main draw alternate list of an ATP Tour Event and remain on and/or play the Qualifying of the same event?

Decision: Yes, unless he would have moved into the main draw of that event, had he not withdrawn. A player may not turn down this main draw position to play the qualifying of that event.

Case: May a player who is accepted to play qualifying in an ATP Challenger Tour Tournament, ATP Tour 250 or ATP Tour 500 be withdrawn to move into the main draw singles of an ATP Tour 250 or ATP Tour 500 event as a Direct Acceptance or as a Wild Card which is held the same week?

Decision: Yes, as long as the first ball of the qualifying at the tournament where he is in the qualifying draw has not been struck.

Withdrawing from Qualifying to play Main Draw Doubles at another event.

Case: May a player who is direct acceptance in the singles qualifying event of an ATP Tour 250 or ATP Tour 500 enter through the Advance Entry system and become a direct acceptance into the main draw doubles of another ATP Tour 250 or ATP Tour 500 event which is held the same week?

VII. THE COMPETITION

Decision: No. Once a player enters and is accepted into the Qualifying of an ATP Tour Tournament, he is committed to that tournament unless he moves into the main draw singles of another ATP Tour event. However, a player who competes and loses in the singles qualifying competition may enter the doubles event of any tournament, provided he has lost prior to the respective tournament's on-site doubles sign-in deadline.

Withdrawing from Qualifying to play Main Draw Doubles at the same event.

Case: May a player who is included in the singles qualifying event of an ATP Challenger Tour Tournament, ATP Tour 250 or ATP Tour 500 and is forced to withdraw, be allowed to come back and play doubles at the same event?

Decision: Yes

- 3) **ATP Challenger Tour Tournaments. (See Challenger Addendum, page 401).** 12 Noon, Eastern Time, USA, twenty-one (21) days prior to the Monday of the tournament week. A player on the Alternate List for the singles main draw may withdraw at any time prior to such time that he is moved into the main draw as a direct acceptance because of withdrawals of other players. If a withdrawal/vacancy occurs after the ATP withdrawal deadline on Friday at 12 noon, Eastern Time, USA, and prior to 3:00pm local time on Sunday* before the tournament, the vacancy shall be filled from the original acceptance list by players who have preserved their position on the list.

If there are no Alternates from the original acceptance list, the vacancy will be filled from the on-site Alternate List. If a withdrawal occurs after 3:00pm local time on the day prior to the commencement of qualifying, the main draw vacancy will be filled from the on-site alternate sign-in list (players must personally sign-in to be eligible as an on-site alternate), with the first priority being those players who have preserved their eligibility, followed by players in ranking order from the original Acceptance List who signed in for qualifying, followed by players who were not on the Acceptance List or who did not preserve their position, using the most recent FedEx ATP Ranking.

*Saturday for a Sunday start event.

NOTE: In order to preserve his eligibility on the Acceptance List, the player must email the ATP Supervisor directly prior to 2 PM local time on Saturday before the tournament (email listed on detail sheet) and personally inform the Supervisor that he wishes to preserve his position on the Acceptance List and the player must leave a contact number. The player should ask for confirmation that the Supervisor has received the email in a timely manner. A player can only preserve his eligibility on one list.

Case: May a player use his Protected Ranking to preserve eligibility for a Challenger tournament?

Decision: Yes, but only if he was on the original alternate list with his Protected Ranking.

- 4) **ATP Challenger Tour Qualifying. (See Challenger Addendum, page 402)**

Sign-in. To be eligible for the qualifying competition, a player must sign in with the Supervisor and/or Referee. Each player wishing to sign-in must be either an ATP Player Member or an ATP Registered Player and must show a government issued photo identification to the Supervisor and/or Referee at time of sign-in.

VII. THE COMPETITION

Players must include their ATP Player Identification number on the sign-in sheet along with their printed name and signature. The Supervisor and/or Referee may sign in a player prior to the qualifying competition sign-in deadline if such player is competing on Saturday or Sunday (Friday if the tournament is on a different continent) in a Grand Slam, ATP Tour or ATP Challenger Tour, or ITF Men's WTT tournament that is scheduled to finish the day prior to the first day of the next week's Challenger. This player must be able to be on-site and play his qualifying match as the first scheduled match on Monday (Sunday for those events approved for a Sunday start). No special scheduling allowed to accommodate travel difficulties. The player is responsible for having his entry confirmed by the supervisors at both tournaments.

NOTE: For the purposes of this rule, the Continents are: Europe, Asia, Antarctica, Australia, Africa, North America (including Central America) and South America.

Sunday Start for Qualifying

Case: The qualifying event begins on Sunday, how does this effect players being signed in coming from the previous week's event?

Decision: The criteria for signing players in from other events is adjusted by one day, i.e. a player losing on Thursday on a different continent is eligible to be signed in when the next event's qualifying begins on Sunday. Players competing on Saturday in the previous week's event must have lost prior to the qualifying sign-in deadline at the next event, plus they must be able to arrive at the qualifying event to play as scheduled.

Time. The ATP Challenger Qualifying Sign-in shall begin no later than 1 p.m. and close at 3 p.m. local time on the day prior to the start of the qualifying competition (Sunday for a qualifying commencing on Monday). There shall also be an Alternate sign-in on the day of first round qualifying play, this deadline is one-half hour prior to the first scheduled qualifying match. This is a new sign-in and any player who is on-site with a FedEx ATP Ranking (singles/doubles) is eligible to sign-in.

- 5) If a tournament date, site or surface is changed; it is the player's responsibility to withdraw from the event on or before the new entry/withdrawal deadline if he does not wish to play.
- 6) **Late Entries.**

Any player who submits an entry after the deadline may only be accepted into the singles main draw as a wild card, qualifier, or as a special exempt (if eligible).

- 7) **Emergency Situations.**

ATP Tour 250 Events

- a) Tournaments shall qualify for one (1) emergency substitution if the following conditions exist:
- Two (2) of the tournament's top four (4) seeds withdraw; and
 - One (1) of the withdrawals involves the first or second seeded player; and
 - The substitute player (1) will become one of the tournament's top two (2) seeds*.

The withdrawals and substitution must occur within the period beginning on the Monday prior to the start of the event week and ending at 12 Noon, Eastern Time, USA, on the Friday before the event week, or if the second withdrawal occurs between 11:00 am and 12 Noon, Eastern Time, USA on the Friday before the event the deadline for naming a qualified substitute shall be extended by one (1)

VII. THE COMPETITION

hour. During this one hour period all lists will be held awaiting a final cut-off for the affected event. If no substitution is made within this defined time period, then the next player on the acceptance list shall be moved into the main draw.

- b) The tournament shall pay prize money equal to that paid first-round losers to each player who would have been a direct acceptance if not for the late substitution. This payment shall not apply in the case where the player gained entry into a main draw singles, at any event, by other means.

*For purposes of determining if the substitute player qualifies as a 1 or 2 seed, all players including Wild Cards, shall be ranked in order using the most recent FedEx ATP Rankings. To be eligible for the emergency substitution, the tournament must have declared their Wild Cards to the ATP prior to the withdrawal of the player that qualified them for the emergency substitution.

CASE: Which FedEx ATP Ranking is used to determine the emergency substitution rule?

DECISION: The most recent FedEx ATP Rankings is used to determine the seeding of the withdrawing players as well as the seeding of the substitute player.

CASE: If a Wild Card player will become one of the tournament's top two seeds, can a tournament switch the Wild Card to a substitute player if the Wild Card was announced?

DECISION: No, once the Wild Card has been announced, such player is not eligible to become a substitute player.

B. Main Draw Doubles

1) ATP Tour Tournaments

- a) **Advance Entry.** 12 Noon, Eastern Time, USA, fourteen (14) days prior to the Monday of the tournament week (or the first tournament week in the case of tournaments scheduled for more than one (1) week). A team on the alternate list for the doubles main draw may withdraw at any time prior to such time that they are moved into the main draw as a direct acceptance because of withdrawals of other teams.
- b) **Withdrawal Deadline.** The deadline for a team to withdraw from the advanced entry list closes at 12 Noon, Eastern Time, USA, on the Friday prior to the tournament week.
- c) **On-site Entry.** The period for online on-site entries opens at 12:01 am, Eastern Time, USA on the Friday prior to the tournament week and closes at 5:00 pm Eastern Time, USA on the Friday prior to the tournament week. The online sign-in is blind and no preliminary lists will be produced. Players entering multiple events in the same week must do so with the same partner and shall designate tournaments by priority. The number of places available through the on-site entry is specified in the Composition of Draws (7.08.B) plus any spots made available through withdrawals occurring after 12 Noon Eastern Time, USA, on the Friday before the event week.
- d) **Limit to On-site Entry.** A team is allowed entry through the on-site entry method a maximum of two (2) times per year in events where they would have been accepted, using their doubles ranking, on the original list in that event through the Advance Entry system, if they had entered.

Case: A player pulls out of doubles and the partner signs on-site with another doubles player (doubles/doubles, having a higher rank-

VII. THE COMPETITION

ing than the advanced entry original cut). Since the new team would have been in the main draw had they entered in advance, does this count as 1 of the 2 allowed on-site entries?

Decision: No. In this situation the new team could not have entered through the advance entry method and therefore the on-site entry was their only option, this will not count as 1 of the 2 allowed. (Tour Policy)

2) ATP Challenger Tour Tournaments

The entry/withdrawal deadline for doubles shall be 12 Noon local time on the Saturday prior to the first day of the tournament unless otherwise authorized by ATP.

- 3) The doubles sign-in record shall be available for player sign-in at a reasonable time prior to the sign-in deadline.

C. Qualifying Doubles

1) ATP Tour 500

The size of the draw is four (4) with two (2) seeds. The composition of the doubles qualifying draw will be the first three (3) teams from the on-site entry list who were not accepted in the main draw and have declared availability to participate in the qualifying event plus one (1) wild card team. All matches will be played as two tie-break sets, no-ad scoring with a match tie-break at one set all. Qualifying matches are to be held on the Saturday / Sunday prior to the start of main draw, as determined by the Supervisor and Tour Manager. Teams shall receive hospitality. Rooms for doubles qualifying players shall be available beginning on Saturday and continue through the night of their last match.

Points. The qualifying team shall receive 45 ranking points. The team losing in the final round of qualifying shall receive 25 ranking points*.

*Teams receiving a first round Bye and subsequently losing in the final round receive no points.

2) ATP Challenger Tour Tournaments

There is no doubles qualifying at ATP Challenger tour events.

D. Entry Deadline Extensions

ATP may extend the deadline for entries and/or withdrawals when unforeseen circumstances arise.

7.04 Entry/Withdrawal Method

A player may enter a Grand Slam, ATP Tour or ATP Challenger Tour tournament through a written entry form or other alternatives available to ATP player members. For entry into an ATP Tour or ATP Challenger Tour main draw or qualifying singles and doubles, the player must be an ATP Player Member or an ATP Registered Player. Wild Cards are exempt from this provision.

A. Main Draw - Singles

- 1) No player shall be considered entered or withdrawn from an *ATP Tour Masters 1000, ATP Tour 500**, ATP Tour 250 or ATP Challenger Tour tournament unless

VII. THE COMPETITION

his written entry or written withdrawal is received on or before the entry or withdrawal deadline by a player relations staff member, ATP Supervisor or through the PlayerZone. A player must have entered in order to be moved into the main draw as a direct acceptance because of the withdrawals of other players. For each ATP Tour Masters 1000 tournament, players with a FedEx ATP Rankings position that qualifies them as a direct acceptance or alternate, shall be automatically entered by ATP.

- * For the mandatory ATP Tour Masters 1000 tournaments, this section is applicable for withdrawals only as entries are automatic.
 - ** Commitment players are automatically accepted into the main draw of all ATP Tour 500 events in which they have entered in a proper manner. **(See ATP Addendum, page 389)**
- 2) Once a player enters he is subject to all the withdrawal provisions.
 - 3) Withdrawals, retirements or defaults during an ATP Tour or ATP Challenger Tour tournament must be made through the Supervisor.

B. Main Draw - Doubles

1) Advance Entry – ATP Tour Only

- a) No team shall be considered entered or withdrawn from an ATP Tour tournament* unless their written entry or written withdrawal is received on or before the entry or withdrawal deadline by a player relations staff member or ATP Supervisor. A team must have entered in order to be moved into the main draw as a direct acceptance because of the withdrawals of other players.
- b) Once a team enters they are subject to all the withdrawal provisions.

*The top 13 teams from the final 2019 ATP Doubles Team Rankings shall receive automatic Direct Acceptance into the first 5 Masters 1000 events in the 2020 season (if not included as a Direct Acceptance on their own merit). To qualify for automatic acceptance a team must have competed as a team in 11 ATP Tour or Grand Slam events during the 2019 season.

For each of the remaining four (4) Masters 1000 events, the top 13 teams in the Team Race at the advanced entry deadline for that event, shall receive automatic Direct Acceptance into that Masters 1000 event (if not included as a Direct Acceptance on their own merit).

To qualify for automatic acceptance into the first 5 Masters 1000 events a team must have competed together as a team in each week of the 2020 season where both players were playing in that week. The exception would be when they were both involved in the singles of different events.

To qualify for automatic acceptance into the final 4 Masters 1000 events, once a team has competed together as a team, they must compete together as a team in each week of the 2020 season where both players were playing in that week. The exception would be when they were both involved in the singles of different events.

VII. THE COMPETITION

2) On-Site Entry - ATP Tour - See 7.03 B. 1) c)

On-Site Entry - ATP Challenger Tour Tournaments

- a) No team shall be accepted for on-site entry into the doubles event unless one player of the team personally signs the on-site entry list unless subsection d) applies.
- b) If neither player of the team is able to sign the list then such team may enter the doubles event by submitting a written entry to ATP or by personally contacting the Tour Manager or Supervisor at the tournament he wants to play.
- c) Written entries submitted by a player(s) who is not on-site and who has not been able to talk to the Tour Manager or Supervisor, must be received by the on-site Supervisor prior to the deadline.
- d) The Tour Manager or Supervisor may sign-in and enter doubles teams.
- e) Each member of a team wishing to enter the doubles event must be either an ATP Player Member or an ATP Registered Player.

Emailed Doubles Entry

Case: *The Supervisor/Referee is sent a doubles entry via email. The email was not seen by the Supervisor/Referee until after the entry deadline. The date/time of the email show that it was received prior to the deadline. Is this a valid entry?*

Decision: *No. To be considered as a valid entry the official at the site of the doubles event (Supervisor, Referee or Tour Manager) must have actually viewed the email. The same decision would be made on undelivered faxes or an entry left on voice mail.*

Note: *Proper procedure for any emailed or faxed entries would be to ask for a confirmation from the person who the entry was sent. Barring confirmation, you should make personal contact prior to the entry deadline.*

C. Qualifying

Players may be entered in the main draw (singles or doubles) as qualifiers based on their success in the respective qualifying competition.

1) Challenger. (See Challenger Addendum, page 402)

The ATP Challenger Qualifying Sign-in shall begin no later than 1 p.m. and close at 3 p.m. local time on the day prior to the start of the qualifying competition (Sunday for a qualifying commencing on Monday). The ATP Challenger Qualifying Alternate Sign-in shall close 30 minutes prior to the start of play on the day of the qualifying competition.

2) ATP Tour.

- a) Direct acceptances to ATP Tour qualifying are not required to sign-in.
- b) The ATP Tour Qualifying Alternate sign-in shall begin no later than 4 p.m. and close at 6 p.m. local time on the night prior to the start of the qualifying competition (Friday night for a qualifying commencing on Saturday).

3) Challenger & ATP Tour. There shall also be an Alternate sign-in on the day of first round qualifying play, this deadline is one-half hour prior to the first scheduled qualifying match. This is a new sign-in and any player who is on-site and with a FedEx ATP Ranking (singles or doubles) is eligible to sign-in.

VII. THE COMPETITION

Can I Play Both?

Case: A player is playing a doubles match on the Friday night before a Saturday start to Qualifying that will not finish before 9 p.m. local time at the following week's tournament. The next tournament is 2-3 hours traveling time and because the doubles semi-finals is scheduled for Saturday night, it is feasible for the player to drive between the two locations so that he could compete in the qualifying singles and still play the doubles semi-final should he win on Friday night. Can he remain a direct acceptance?

Decision: Yes. The Saturday night doubles match (which cannot be a result of special scheduling) makes this possible for the player. Appropriate penalties apply if the player does not appear for his qualifying match or his doubles semi-final match, if he wins Friday night.

Players Miss Sign-In

Case: Players cannot be at the Lucky Loser/Alternate sign-in on time because of circumstances beyond their control. If the Supervisor is satisfied that the players were not at fault, may he sign them in?

Decision: No.

D. Sign-in Protocol. (NEW: See ATP Addendum, page 389) / (See Challenger Addendum, page 403)

7.05 Withdrawal/Late Withdrawal Penalties

The following shall result when a player withdraws after the deadline from the singles main draw of an ATP Tour or ATP Challenger Tour tournament:

- A.** A player shall be subject to the sanctions provided in the Player Code of Conduct.
- B.** If the withdrawal is from the singles main draw of an ATP Tour tournament, the player shall be required to fulfill his obligations under the ATP Stars Program.
- C.** If the withdrawal occurs after 12 noon, Eastern Time, USA, on Friday before the tournament week or, in the case of doubles, after the on-site entry deadline, then the withdrawal shall be considered a late withdrawal and shall also result in a late withdrawal fine, unless the injury on-site examination provisions or player promotional activity provisions apply as stated under repeal of penalties. In addition, in the case of a 96-draw tournament, if the withdrawal occurs after the qualifying or main draw is made, whichever comes first, the player shall receive a late withdrawal fine, unless the injury on-site examination or player promotional activity provisions apply. Players included in the draw that fail to appear on-site shall be classified as a late withdrawal.

Whom To Fine?

Case: Player A and player B agree to play doubles together in a tournament, so player B signs the team in to play. On Monday, player A withdraws from singles and consequently from doubles. As player A does not come on-site for promotional activities, he is aware that he will get a withdrawal penalty for singles. What penalties apply to the doubles team?

VII. THE COMPETITION

Decision: Player A gets a fine for doubles while player B does not as he is on-site. Even if player B was not on-site, he would not be penalized as he did not cause the withdrawal.

Note: If player A and player B were only playing doubles and if player A denies agreeing to play with player B then both players are penalized with a fine unless one of the team accepts responsibility for signing the team in.

D. No Play After Withdrawal

- 1) (See Challenger Addendum, page 403).** If a player withdraws after the entry/withdrawal deadline from the singles or doubles event of a Grand Slam, ATP Tour, ATP Challenger Tour or the qualifying competition of an ATP Tour tournament for any reason, he may not play in any other tournament or special event during that tournament week.
- 2)** If the withdrawal was for medical reasons then the player may enter and compete in the doubles event of the same tournament provided he is determined by the Supervisor, upon written medical advice, to be physically capable to compete on a professional level of play.
- 3)** No player may continue playing in an ATP Tour or ATP Challenger Tour tournament in singles or doubles after giving notice of withdrawal from a tournament scheduled in a future week on account of injury, illness or other medical reason. Players, however, may continue playing in that event if the withdrawal from the future event was for non-medical reasons.
- 4)** The exception to No Play after Withdrawal is the withdrawal of a team accepted into the main draw of an ATP Tour tournament through the advance entry method due to one or both team members being accepted into the main draw singles of another ATP Tour, ATP Tour Qualifying or ATP Challenger Tour tournament. In this case, both players may enter a doubles competition, together or separately, through the on-site entry method.
- 5)** A violation of this section shall also be punishable by the provisions set forth in the Code of Conduct.

Case: A player is a Direct Acceptance in a Grand Slam, Indian Wells or Miami and withdraws. Can he play an ATP Challenger during the 2nd week of that tournament.

Decision: Yes as long as the withdrawal was prior to the start of qualifying.

Case: A player is an alternate on an ATP Tour Qualifying list and gets in and is inserted in the draw which is done before the official withdrawal deadline due to the difference in time zones. Is he allowed to withdraw once he is in the draw and play somewhere else?

Decision: When the player gets in the draw, he is automatically withdrawn from any other qualifying event where he was an alternate. He will be allowed to withdraw (up until the normal Friday, 12 noon withdrawal deadline) from the event where he got in and not be penalized. However, he will only be allowed to play doubles at the same event.

Case: May a player withdraw from a tournament where he is a Direct Acceptance in singles or doubles (with his regular or protected

VII. THE COMPETITION

ranking) and then accept a wild card into the same tournament?

Decision: Yes, provided the withdrawal is prior to the withdrawal deadline, a player may withdraw from a tournament and then accept a wild card into the same tournament. For doubles, the wild card must be with his original partner. He cannot accept a wild card nor play in any other tournament or event in the same week as the tournament he withdrew from. (Tour Policy)

Case: A player accepted in an ATP Tour, ATP Challenger Tour main draw or ATP Tour Qualifying list using a PR withdraws prior to the withdrawal deadline and accepts a WC into the same event. Does this tournament count towards the total tournaments at which the player can use his PR?

Decision: No, this tournament will not count towards the player's total of tournaments.

Case: A player withdraws from an ATP Tour tournament prior to the Friday, 12 noon deadline with injury. He is allowed to play doubles in the same event provided he is determined to be physically capable to compete. Since he is coming on-site to play doubles, does he have to do promotional activity?

Decision: No, however, he is required to complete his Stars requirements if requested by ATP staff.

Case: May a player withdraw BDA from the main draw alternate list of an ATP Tour or Challenger event and play the Qualifying of the same event?

Decision: Yes, unless he would have moved into the main draw of that event, had he not withdrawn. A player may not turn down this main draw position to play the qualifying of that event. He may, however, play the Qualifying of a different event.

Challenger Cancels, Where can I Play?

Case: A player enters and is main draw of a Challenger on the original Acceptance List. The Challenger cancels. The deadline has now passed for entering another Challenger or 250 tournament during the same week. What are the player's options for competing that week?

Decision: The player may sign in as an Alternate at any ATP Tour or ATP Challenger Tour qualifying event the same week. Or he may accept, if offered, a Wild Card at any Challenger or ATP Tour event. He may not be inserted directly into the draw or placed on another Acceptance List.

Options if Tournament Changes Surface after the Entry Deadline

Case: Can a player withdraw from the main draw and play elsewhere during the same week if a tournament changes its surface after the Acceptance List has come out?

Decision: The player may sign in for Qualifying at any event that week or he may accept, if offered, a Wild Card at any Challenger or ATP Tour event. He may not be inserted directly into the draw or placed on another Acceptance List.

Case: A doubles team enters 4 Challenger tournaments in the same

VII. THE COMPETITION

week through phone or email. The team is accepted and appears on two draws at the same time as well as the alternate lists of the other 2 tournaments. Is the team allowed to withdraw from one of the events it is accepted into and play at the other one?

Decision: No. The team is in violation of the One Tournament Per Week and No Play After Withdrawal rules and will be withdrawn from all tournaments that week.

Case: A player moves from the Alternate list into a Challenger Singles Main Draw at the 12 noon deadline on Friday before the event and later appears in the draw. Not knowing that he is in the main draw of a tournament already, the player requests and receives a Main Draw wild card at another Challenger tournament the same week and appears in the draw. Is the player allowed to withdraw from one of the events and compete at the other one?

Decision: No. The player is in violation of the One Tournament Per Week and No Play After Withdrawal rules and will be withdrawn from both tournaments that week.

E. (See Challenger Addendum, page 403). Withdrawals from the qualifying competition at ATP Tour tournaments will be without penalty if one of the following occurs:

- 1) Player is accepted into the main draw of ATP Tour Masters 1000, ATP Tour 500 or ATP Tour 250 tournament, or in the case of an ATP Challenger Tour qualifying withdrawal, the main draw of another ATP Challenger Tour singles event.
- 2) Player is still competing in an ATP Tour, ATP Challenger Tour, or ITF Men's WTT tournament at any time on the day prior to the commencement of qualifying.
- 3) The first two (2) withdrawals are excused, thereafter, each withdrawal is subject to a fine in accordance with article 8.03 B., Fines.

7.06 One Tournament Per Week and Exception

A. Regulation:

A player may only enter and compete in one Grand Slam, ATP Tour, ATP Challenger Tour or special event during that tournament week. Once a player enters and is accepted into the main draw of singles, doubles, or the qualifying competition, he is committed to that tournament for the week, unless released by the Senior Vice President - Rules & Competition or Supervisor. A player who loses in the singles qualifying competition may enter the doubles event of any tournament.

Case: May a team who enters and loses doubles qualifying at an ATP 500 event on Saturday enter doubles in a Challenger for the same week.

Decision: No. This would violate the provisions of the One Tournament Per Week rule.

B. Exception:

A player who has lost in a tournament may enter the qualifying for a tournament scheduled for the next week*. The Supervisor may authorize a player who is still competing in the main draw of a tournament in singles and/or doubles to enter the qualifying for the next week's ATP Tour and ATP Challenger Tour tournaments provid-

VII. THE COMPETITION

ed that no special scheduling by either tournament shall be required. In the event of a conflict, he shall be withdrawn from such qualifying so as to compete in the singles and/or doubles of the main draw tournament in which he is competing. In addition, if the player does not appear for play as scheduled, there shall be an automatic fine.

*This does not apply to events in the same week as a Grand Slam qualifying event. Players accepted into the qualifying of a Grand Slam event will not be allowed to compete in any ATP Tour or ATP Challenger event (qualifying or main draw) held in the same week.

7.07 Play-Up Regulation (ATP Challenger Tour Tournaments)

A. Restrictions - Challengers 80-125

- 1) Players positioned 1-10 in the FedEx ATP Rankings twenty-one (21) days prior to the first Monday of the ATP Challenger Tour tournament are prohibited from entering, accepting a wild card and/or competing in an ATP Challenger Tour tournament. Players who would have been, had they and all other players entered, a direct acceptance on the original acceptance list for a Grand Slam are prohibited from entering, accepting a wild card and/or competing in an ATP Challenger Tour tournament in the first week of the Grand Slam tournament.
- 2) Players positioned 11-50 in the FedEx ATP Rankings twenty-one (21) days prior to the first Monday of the ATP Challenger Tour tournament are prohibited from entering but may receive an ATP-approved wild card in order to compete in the Challenger tournament. The Challenger Supervisor will make wild card determinations consistent with the limitations outlined below. Players positioned 11-50 are also prohibited from entering, accepting a wild card or competing in an ATP Challenger Tour 80 tournament.
- 3) ATP Challenger Tour tournaments scheduled the same week as an ATP Tour tournament may offer wild cards to players positioned 11-50 in the FedEx ATP Rankings who have received approval from the ATP on-site Supervisor according to the following breakdown:

ATP Challenger 125	up to (2) two wild cards
ATP Challenger 110	up to (2) two wild cards
ATP Challenger 100	up to (1) one wild card
ATP Challenger 90	up to (1) one wild card
ATP Challenger 80	no wild card

4) (See Challenger Addendum, page 403).

ATP Challenger Tour tournaments not scheduled in the same week as ATP Tour tournaments, or scheduled during the 2nd week of a Grand Slam, ATP Tour Masters 1000 Miami and Indian Wells, may offer wild cards to players positioned 11-50 in the FedEx ATP Rankings who have received approval from the ATP on-site Supervisor according to the following breakdown:

ATP Challenger 125	up to (4) four wild cards
ATP Challenger 110	up to (4) four wild cards
ATP Challenger 100	up to (3) three wild cards

VII. THE COMPETITION

ATP Challenger 90	up to (2) two wild cards
ATP Challenger 80	no wild card

NOTE: These restrictions apply only to singles draws.

B. Restrictions - Challenger 50

Players positioned 1-150 in the FedEx ATP Rankings twenty-one (21) days prior to the first Monday of the ATP Challenger Tour tournament are prohibited from entering Challenger 50 events. ATP Challenger 50 tournaments may offer an ATP-approved wild card to players ranked 51-150 in the FedEx ATP Rankings at the entry deadline who have received approval from the ATP on-site Supervisor according to the following breakdown:

51-100	1 wild card limited to a player of the same nationality as the event
101-150	1 wild card - no nationality restriction

Case: A player ranked between 11-50 asks for a wild card into an ATP Challenger 90 and is denied by the tournament. The player then signs in for the qualifying. Is he allowed to play qualifying?

Decision: He is allowed to play only if the tournament grants him a wild card into the qualifying. The WC, however, will not count against the maximum allowed number of 11-50 players for the tournament.

Case: A player ranked 11-50 at the time of the entry deadline asks for a wild card into an ATP Challenger 90 and is denied by the tournament. The player's ranking then drops below 50 and he signs in for the qualifying. Is he allowed to play qualifying?

Decision: Yes. Since his ranking dropped below 50, he is allowed to sign in and play qualifying and does not need a wild card.

Case: May a player who was ranked in the 11-50 range at the time of the entry deadline into an ATP Challenger 80 event, but whose ranking falls below this at the time of the qualifying sign-in, be accepted into the event as a main draw or qualifying wild card or sign-in for the qualifying event?

Decision: No. The rule under 7.07 A 3) states that these players are prohibited from entering, accepting a wild card or competing in an ATP Challenger 80 tournament.

If a withdrawal occurs after 3:00pm local time on the day prior to the commencement of qualifying, the main draw vacancy will be filled from the on-site alternate sign-in list (players must personally sign-in to be eligible as an on-site alternate), with the first priority being those players who have preserved their eligibility, followed by players in ranking order from the original Acceptance List who signed in for qualifying, followed by players who were not on the Acceptance List or who did not preserve their position, using the most recent FedEx ATP Ranking.

*Saturday for events approved for a Sunday start.

VII. THE COMPETITION

7.09 Size and Method of Draw

A. Main Draw

1) Singles

- a) **28 Competitors.** A draw sheet with 32 places shall be used. After the seeds and byes are placed, the remaining players, including the qualifiers, shall be drawn and placed in the vacant spaces in the draw, beginning at the top of the draw.
- b) **32 or 64 Competitors.** A draw sheet of 32 or 64 places shall be used. After the seeds are placed, the remaining players, including the qualifiers, shall be drawn and placed in the vacant spaces in the draw, beginning at the top of the draw.
- c) **48 or 56 Competitors.** A draw sheet with 64 places shall be used. After the seeds and byes are placed, the remaining players, including the qualifiers, shall be drawn and placed in the vacant spaces in the draw, beginning at the top of the draw.
- d) **96 Competitors.** A draw sheet with 128 places shall be used. After the seeds and byes are placed, the remaining players, including the qualifiers, shall be drawn and placed in the vacant spaces in the draw, beginning at the top of the draw.

2) Doubles

- a) The draw shall be for 16, 24 or 32 teams.
- b) Placing of seeds and byes and the drawing of the remaining teams, including qualifiers, shall be in accordance with the same principles used in the singles main draw.

B. Qualifying Draw

The qualifying draw shall be made in sections, and the winner of each section shall be given a place in the main draw, as determined by lot.

1) Singles

- a) If four (4) qualifiers are required, there shall be four (4) sections; six (6) qualifiers, six (6) sections; and so on. The draw shall be seeded and the selection of seeds shall be based on the most recent available and complete FedEx ATP Rankings list.
- b) There shall be no pre-qualifying event; however, a tournament may conduct a separate or local event to determine wild cards in the qualifying competition or main draw, and unsuccessful participants in this event are eligible to be considered for entry into the qualifying competition.

2) Doubles - ATP Tour 500

There shall be a four-draw event with one team qualifying.

Correct When Left Out of Draw

Case: After the qualifying draw has been made, it is discovered that player A, who was properly entered, has been left out of the draw. What is the procedure to correct this mistake?

Decision:

1. If player A is unseeded, replace the last direct acceptance in the qualifying draw with player A in the draw. Follow this procedure if play has begun unless the last direct acceptance has begun his first

VII. THE COMPETITION

match. If the last direct acceptance has started his first match then no correction is to be made and player A is left out of the draw.

2. If player A is seeded, then if he is one of the top four (4) seeds he replaces seed four (4) and then seed four (4) replaces seed eight (8). Seed eight (8) then replaces the last direct acceptance. If player A is to be seeded 5-8, then he shall replace seed eight (8) and then seed eight (8) replaces the last direct acceptance. The same principle is followed for larger qualifying draws where you have a greater number of seeds. If play has begun, then the Supervisor shall evaluate the impact upon the draw and correct when possible. If the last direct acceptance has begun play, then no corrections are possible.

Correcting an Error in Seeding

Case: After the event has begun, it is discovered that a tie between 2 seeded players or teams was not broken correctly. What action may be taken?

Decision: If the players or teams involved in the error have not played their first match, then the error in seeding may be corrected by switching the positions of the affected players or teams.

Don't Have Eight Seeds

Case: In a qualifying draw, there are only seven (7) players listed in the FedEx ATP Rankings or the FedEx ATP Doubles Rankings. Since there will not be an eighth seed, how are seeds 5-7 placed in the Draw?

Decision: Draw seeds 5, 6 and 7 for placement in sections 2,3 and 4.

Main Draw Seed for a Qualifier

Case: May a player who gains a place in the main draw by qualifying be seeded in the main draw?

Decision: Yes. However, if the main draw is made prior to the completion of the qualifying, then the original seedings are final.

Who to Seed in singles Qualifying

Case: Seven (7) players listed in the FedEx ATP Rankings sign in for the singles qualifying. Two (2) other players listed in the FedEx ATP Doubles Rankings sign-in along with fifteen (15) other players. How many and which players will be seeded?

Decision: Eight (8) players. The seven (7) singles players and the highest-positioned doubles player.

Player Pulled from ATP Tour 250 and 500 Qualifying

Case: An ATP Tour 500 and an ATP Tour 250 or a different ATP Tour 250 or 500 event are being held the same week. Can a player inside the original cut of the ATP Tour 250 or 500 qualifying list be withdrawn in order to be moved into the main draw of the ATP Tour 250 or 500 or a different ATP Tour 500 or 250 event or accept a wild card?

Decision: Yes.

VII. THE COMPETITION

7.10 Special Exempts (SE)

A. Eligibility

Players may receive a special exempt into the main draw of the following week's tournament if they meet the criteria and apply for it in a timely manner.

1) A player is eligible to receive a special exempt into the singles main draw of the following week's tournament, subject to the provisions of this section, if he is unable to compete in that qualifying competition because he is still competing on the date the qualifying competition begins in another qualified event, and his current ranking as of the date of the entry deadline would not have otherwise qualified him as a direct acceptance on the original acceptance list if he had entered. In addition, a player who is still playing a match at 9 p.m. local time at the qualifying site, is eligible to receive a special exempt only if he wins that match.

a) A Qualified event for special exempt to an ATP Tour Masters 1000 tournament is the singles event of another ATP Tour Masters 1000, ATP Tour 500 or Grand Slam tournament.

b) A Qualified event for special exempt to an ATP Tour 500 tournament is the singles event of another ATP Tour 500, ATP Tour Masters 1000, ATP Tour 250* or Grand Slam tournament.

*The 250 event must be located in the same region as the 500 event, as determined by ATP and specified in "Exhibit M".

c) A Qualified event for special exempt to an ATP Tour 250 tournament is the singles event of any ATP Tour 250, ATP Tour 500, ATP Tour Masters 1000 or Grand Slam tournament.

d) A Qualified event for special exempt to an ATP Challenger Tour tournament is the singles event of an ATP Tour or ATP Challenger Tour tournament within the same geographic region, unless there are no Challengers in the same region the following week. If there are no Challengers in the same region the following week, then a qualified event would include all ATP Challenger Tour events scheduled in the following week, regardless of region. (Definition of Regions can be found in "Exhibit M").

EXCEPTION 1: A player who has entered and been accepted into the qualifying draw of an ATP Tour tournament and has been withdrawn because he is still competing in a Challenger or Tour event in the same region, will be added to the last position on the special exempt list of an ATP Challenger Tour tournament scheduled for the next week, even though he would have been a direct acceptance, had he entered the Challenger.

Note: EXCEPTION does not apply if player was Top 50 twenty one (21) days prior to the first Monday of the Challenger.

EXCEPTION 2: A player who has entered and been accepted into the qualifying draw of an ATP Tour 500 tournament and has been withdrawn because he is still competing in an ATP Tour event, will be added to the last position on the special exempt list of an ATP Tour 250 tournament located in the same region (as determined by ATP) if specific conditions are met. These conditions are:

- i) He is qualified for a Special Exempt spot in the ATP Tour 500 event.
- ii) Due to other qualified player(s) for the Special Exempt into the ATP Tour 500 event there is no Special Exempt available.
- iii) The player's ranking would have qualified him for the main draw of the 250 event, had he entered there instead of the 500 qualifying.

VII. THE COMPETITION

B. Number of Special Exempts

ATP Tour Masters 1000, ATP Tour 500 and ATP Challenger Tour tournaments shall have one (1) special exempt and ATP Tour 250 tournaments shall have two (2).

C. Selection of Special Exempt

1) If there are not sufficient special exempt places in the draw for applicants, the players shall be selected according to their position on the most recent FedEx ATP Rankings list issued prior to the tournament or by their protected ranking, except:

- a) If he is a direct acceptance using his protected ranking, then he is not eligible for a special exempt place, or
- b) If he would have been a direct acceptance had he entered using his protected ranking, then the protected ranking cannot be used to determine his position on the special exempt list.

2) **ATP Tour.** If the special exempt places are not needed before the beginning of the qualifying competition, the special exempt places shall be filled by additional direct acceptances selected from the original acceptance list. Thus a player may be pulled out of the qualifying before the first ball is hit and replaced by an alternate list player.

3) **ATP Challenger Tour.** If the special exempt place is not needed prior to the 12 Noon withdrawal deadline, the special exempt place shall be filled by an additional direct acceptance selected from the original acceptance list. If the special exempt place has not been determined at the deadline, and then following the 12 Noon withdrawal deadline it is determined that the Special Exempt is not needed, the additional direct acceptance shall be filled from the next player who has properly preserved his eligibility on the original acceptance list for that event.

D. Special Exempt Process

- 1) A list of possible eligible players is compiled by the player relations department by Wednesday/Thursday of the current week for the next week's tournaments.
- 2) The list of eligible players is supplied to the supervisors where the players are competing. The supervisors need to contact each player to inquire if the player is interested in the special exempt position and then contact player relations immediately following the player's decision to remove himself from consideration for any tournament for which he is eligible.
- 3) If the player is interested in an event, player relations coordinates with the supervisors at both events until the SE positions are filled.
- 4) If the main draw is to be made before a potential special exempt player plays on Friday, then such place(s) shall be drawn in the same manner as qualifier, i.e., four qualifiers ("Q") and one or two "SE" depending on whether there are one or two possibilities. Each of the five or six slots are marked "Q/SE." As soon as the "SE" match results are known, either the "SE" or the next direct acceptance (if the SE lost) is randomly drawn and inserted into the draw.

NOTE: The deadline for a player to declare his intent to accept a Special Exempt, if eligible, is no later than one hour following the completion of the match that qualified him for a Special Exempt. Once he has declared his intent to the Super-

VII. THE COMPETITION

visor or Player Relations staff, he must accept the Special exempt, if eligible, or be subject to the applicable withdrawal/late withdrawal penalties.

- 5) If, on the day prior to the start of qualifying, a player does not finish his match by nine (9) p.m. local time at the qualifying site and subsequently loses his match, then he is not eligible to be signed in for qualifying or for a special exempt; however, he may receive a wild card from the tournament if it is known before the qualifying draw that he has lost and that no special scheduling shall be required.
- 6) A player who does not appear after accepting a special exempt shall be treated as an entered player and shall receive appropriate penalties.

Potential Special Exempt Playing at 9 p.m. Friday

Case: A player is competing in the singles event of a “qualified event” on the night before the next week’s qualifying. If the player wins, he will be eligible for a special exempt. His singles match, however, will not be completed by 9 p.m. local time at the qualifying site for the next week’s tournament. How does this affect the “composition of draws” at the next week’s tournament?

Decision: The special exempt slot in the main draw shall be left available pending the result of the player’s match. The qualifying draw should be made as required at 9 p.m. unless it is prudent to wait up to an hour for the match result. If the player vying for the special exempt loses, then the unused special exempt place shall be filled by the next player on the original acceptance list*. If the next player on the original acceptance list is in the qualifying draw, then he shall be withdrawn and moves into the main draw. The vacancy created in the qualifying draw shall be filled from the qualifying alternate list.

*For ATP Challenger Tour events, the vacancy is filled from the next player on the Acceptance List who properly preserved his eligibility at that event.

Potential Special Exempt Loses: After 9 p.m.

Case: A potential special exempt player loses his match at 9:15 p.m. on Friday night and he calls the qualifying sign-in site requesting that he be given a wild card into the singles qualifying competition. May a wild card be given to him for the next week’s tournament if the qualifying draw has not been made?

Decision: Yes. The wild card belongs to the tournament, which may give it to this player as long as the draw has not been made and no special scheduling is required because of the travel plans of the player.

Potential Special Exempt Playing at Midnight Friday

Case: Same situation as above, except that the player’s match is still in progress after midnight. Does this make the player eligible for a special exempt based on the fact that he was still competing on the date the qualifying competition begins in another qualified event?

Decision: No. For the purpose of the rule, competing on the date the qualifying competition begins shall be defined as: “Starting or resuming a match as part of that day’s (normally Saturday) scheduled program”. If the player wins the match, he is eligible to be considered for a special exempt position.

VII. THE COMPETITION

Special Exempt Awarded if Player Is in Semis?

Case: A tournament has a Saturday final and a player asks for a special exempt after he wins his quarterfinal match on Thursday. Is he eligible?

Decision: No. The player must be scheduled to play on Saturday when the “qualifying begins”.

Case: A player is a potential special exempt for one or more Challenger tournaments. Can he also preserve his eligibility on an original acceptance list?

Decision: Yes. A player who is a possible special exempt may also preserve his eligibility on an original acceptance list, however the player may only preserve his eligibility on one list.

NOTE: If he preserves his eligibility on an original acceptance list and gets in that main draw before he has completed his match for the special exempt spot, he would be removed as a possible special exempt. Conversely, if he wins his match and thus becomes the special exempt before he is accepted in the main draw from the original acceptance list, his name would be removed from eligibility on the original acceptance list. He is obligated to compete at whichever tournament he gets in the main draw first. Before he is accepted in the main draw from the original acceptance list, his name would be removed from eligibility on the original acceptance list. He is obligated to compete at whichever tournament he gets in the main draw first.

Case: A player has won a position as a Special Exempt but he is also next on the Acceptance List. After the draw is made, but prior to the start of the qualifying competition, there is a late withdrawal and the player gets in due to the withdrawal. Does his status change from SE to Direct Acceptance, thus allowing the Special Exempt to go to the next player who earned the Special Exempt spot?

Decision: Yes, since the player ultimately got in because he was next on the list, this frees up the Special Exempt for the next player who earned it. If there are no Special Exempts, the list drops by the applicable number of spots.

Am I kept on the Special Exempt List?

Case: A player expresses an interest in a Special Exempt spot prior to the match that will qualify him for the position and becomes a possible Special Exempt. He does not contact the Supervisor or Player Relations staff member to accept the Special Exempt within one hour after the completion of the match that qualifies him. Is he kept on the list of possible Special Exempts?

Decision: No. If the player does not contact the Supervisor or Player Relations staff member no later than one hour following the completion of the match that qualified him, to accept the Special Exempt spot, he will be taken off the list of possible Special Exempts.

Must I Appear for Play After Accepting a Special Exempt?

Case: A player is listed as a possible Special Exempt and the Supervisor confirms with him that he is interested in the spot. There are other Special Exempt players ahead of him on the list of possi-

VII. THE COMPETITION

ble Special Exempts whose matches are scheduled after his. No later than one hour after the match that qualifies him as a Special Exempt, he informs the Supervisor or Player Relations staff member that he accepts the Special Exempt spot. If the remaining possible Special Exempt players ahead of him on the list lose their matches, thus earning him the Special Exempt spot, must he accept the Special Exempt?

Decision: Yes. Because he had accepted the Special Exempt spot within one hour after the match that qualified him, he is obligated to accept the position and shall be treated as an entered player and be subject to the appropriate penalties if he does not appear for play.

Case: Can a player with no ranking receive a Special Exempt if otherwise eligible?

Decision: No. A player must have a singles ranking or a singles protected ranking in order to be considered for a Special Exempt.

Case: May a player who has entered and been accepted into an ATP Tour Qualifying draw starting on Sunday be considered for a possible Challenger Special Exempt position for the following week?

Decision: Yes, however the player must decide on Friday within an hour after winning his match whether he will accept the Challenger SE or stay on the ATP Qualifying list. Should the player decide to accept an available Challenger SE position, he will be withdrawn from the ATP Qualifying with "still competing".

7.11 Time of Draw

A. Main Draw

- 1) **Singles. (See Challenger Addendum, page 405).** The tournament shall publicly make the singles draw no earlier than 12 noon Eastern Time, USA, on Friday prior to the Monday of the tournament week and no later than 10 p.m. local time two (2) days before the first day's play, unless the tournament receives prior written permission from ATP. VII. THE COMPETITION

- 2) **Singles – ATP Challenger Tour. (See Challenger Addendum, page 406).** The qualifying competition draw shall be made and the order of play announced as soon as possible but no earlier than 3:00 pm local time on the day prior to the start of the main draw.

7.12 Wild Cards

A. Regulations

1) Singles.

- a) Wild cards are players included in the main draw at the sole discretion of the tournament. Wild cards must be named at the time the draw is made. Wild cards may be seeded. Tournaments may not receive compensation and players may not offer compensation in exchange for the awarding of a wild card.
- b) A wild card is no longer eligible as an alternate at that event.
 - i) A main draw wild card may not be re-classified as a direct acceptance, due to withdrawals, once the acceptance list is finalized (when the first chip of the main draw has been drawn).
 - ii) A qualifying wild card is eligible to be moved into the main draw as a direct acceptance, due to withdrawals, up to the start of the qualifying event.
- c) Once a qualifying competition has commenced (first ball of the first qualifying match is struck), an entered player may not be offered nor the player accept a wild card into any tournament that week.
- d) A tournament may not offer a wild card or accept the entry from any player who has either accepted a wild card or been committed by an entry method to another tournament in the same week.

2) Singles – ATP Tour 500

An additional Wild Card is awarded to the tournament with the following restrictions.

- a) The Wild Card must be named no later than 12 Noon, Eastern Time, USA on the Friday before the event week; and
- b) The player must be an A+ player as designated by that event's region.
- c) If the tournament does not use the additional Wild Card by the deadline then the position in the main draw goes to the next eligible player on the entry list.

3) Doubles.

A tournament may not enter players as a wild card team without the consent of both players. A wild card may be offered to any team that is not a direct acceptance on the original acceptance list after entries have closed. A wild card may be offered to one player on an entered team if it is conditioned on his playing with a specific player. Wild cards must be named at the time the draw is made. Wild cards may be seeded. Tournaments may not receive compensation and players may not offer compensation in exchange for the awarding of a wild card.

B. Limitation

- 1) **Singles.** Players may accept up to five (5) main draw singles wild cards into ATP Tour tournaments during any ATP Circuit Year. Wild cards shall only count toward the annual limit if the player would have been a direct acceptance on the original

VII. THE COMPETITION

acceptance list. Additional exceptions are outlined below.

- a) Players who cannot participate in ATP Tour tournaments and ATP Challenger Tour tournaments for six (6) months because of a physical injury may petition ATP for one additional wild card.
 - b) In the event that a player's position in the FedEx ATP Rankings is insufficient to make him a direct acceptance on the forty-two (42) day acceptance list, then he shall be released from his commitment to that tournament, unless offered a wild card to the contract tournament within twenty-four (24) hours of the entry deadline. Such wild card accepted by a player shall not count in the player's annual limitation of five (5) wild cards in singles.
 - c) Any player who becomes thirty-five (35) years of age by December 31 of an ATP circuit year shall be exempt from the wild card limitation if he is:
 - i) A former singles Champion of a Grand Slam; or
 - ii) A former singles Champion of the ATP World Championships, Tennis Masters Cup or Nitto ATP Finals; or
 - iii) A former No. 1 ranked player in the ATP Singles Rankings prior to January 2000; or
 - iv) A former No. 1 player in the year-end ATP Rankings.
 - d) Players may petition ATP for exceptions to these limitations.
- 2) **Doubles.** There shall be no limitations of doubles wild cards for players.

Two Chances

Case: Can a player who loses in the qualifying receive a wild card into the main draw?

Decision: No.

Wild Card After ATP Tour Qualifying Withdrawal

Case: A player withdraws from the qualifying of an ATP Tour tournament on Friday at any time because he is still competing in an ATP Challenger Tour tournament. The player is offered a wild card in another ATP Challenger Tour event to be held the following week. May the player accept the wild card or do the provisions of "No Play After Late Withdrawal" apply?

Decision: The player is allowed to accept the wild card. Because the player was competing in a qualified event on the Friday, he is allowed to withdraw from the ATP Tour qualifying event without penalty and therefore it is not considered as a "Late Withdrawal".

Wild Card Pulled from Challenger Qualifying

Case: After a Challenger qualifying draw has been made but before that challenger qualifying competition has officially begun, may a player who is included in that qualifying draw be offered and accept a wild card into that or another tournament's main draw?

Decision: Yes. As long as the qualifying competition has not begun (first ball is struck), a player may accept a wild card into the main draw of any ATP Tour or ATP Challenger Tour tournament and be withdrawn from that qualifying event. The vacancy created in the qualifying shall be filled by an eligible alternate.

Unused Wild Cards

Case: A tournament elects not to use all of its main draw singles wild cards. How are these spots filled?

VII. THE COMPETITION

Decision: If the qualifying has not begun, the next player on the acceptance list is moved into the main draw. If qualifying has begun, a lucky loser is to be inserted into the main draw.

7.13 Selection of Entries

A. Singles Main Draw

- 1) **Direct Acceptances.** Direct acceptances are players accepted directly in the draw by virtue of their position in the FedEx ATP Rankings or by their protected ranking position (singles). The list to be used for ATP Tour tournaments shall be dated approximately forty-two (42) days prior to the Monday of the (first) tournament week and twenty-one (21) days prior to the Monday of the tournament week for ATP Challenger Tour tournaments.
- 2) **Qualifiers.** Qualifiers are players who are included in the main draw as a result of their success in a qualifying competition. If the main draw is made prior to the completion of a qualifying competition, it shall include as many qualifying places as there are sections in the qualifying draw. Each of these qualifying places shall be positioned in the main draw in accordance with standard drawing procedures. Determination as to which qualifier goes into which qualifying place shall be by drawing after the qualifying competition ends.
- 3) **Special Exempts (SE).** Players may receive a special exempt into the main draw of the following week's tournament if they meet the criteria and apply for it in a timely manner. If the main draw is to be made before a potential special exempt player plays on Friday, then such place(s) shall be drawn in the same manner as qualifier, i.e., four qualifiers ("Q") and one or two "SE" depending on whether there are one or two possibilities. Each of the five or six slots are marked "Q/SE." As soon as the "SE" match results are known, either the "SE" or the next direct acceptance (if the SE lost) is randomly drawn and inserted into the draw.
NOTE: Once a player has become eligible for Special Exempt consideration, he must confirm to the Supervisor or Player Relations staff no later than one (1) hour following the completion of the match that qualified him for a Special Exempt, that he is applying for the Special Exempt position.
- 4) **Wild Cards.** Wild cards are players included in the main draw at the sole discretion of the tournament.* Wild cards must be named at the time the draw is made. Wild cards may be seeded. Tournaments may not receive compensation and Players may not offer compensation in exchange for the awarding of a wild card.

* See 7.12 A. 2) for restrictions pertaining to ATP Tour 500 additional Wild Card.

May I Accept a Challenger Wild Card after Losing in an ATP Tour Qualifying?

Case: Can a Tournament Director at a Challenger, which is held in the same week as an ATP event, request permission to offer a main draw wild card to a player who has lost in the qualifying of the ATP Tour event?

Decision: No. A player may only compete in one tournament per week.

VII. THE COMPETITION

May I Play Grand Slam Qualifying After Losing in an ATP Tour tournament?

Case: Can a player lose in the main draw of an ATP event, which is held the week before a Grand Slam tournament, and be eligible to compete in the qualifying for the Grand Slam event that is held that same week?

Decision: Yes, as long as he meets the entry deadline set by the Grand Slam event. The player is not violating the one tournament per week rule because the main draws for the two events are in different weeks.

May I Accept a Wild Card after Withdrawing from an ATP Tour Qualifying?

Case: A player was still competing in a Challenger on the day before Qs started at an ATP Tour event. He wanted to withdraw from the Qs due to “still competing” and then take a wild card into a Challenger event. Is this allowed?

Decision: Yes. The rule states that he may withdraw without penalty from the qualifying if he is still competing on the day prior to the commencement of the qualifying. By withdrawing due to “still competing”, he is allowed to accept a wild card.

May I Sign In for Doubles after Withdrawing from an ATP Tour Qualifying?

Case: A player was still competing on the day before Qs started at an ATP Tour event. He wanted to withdraw from the Qs due to “still competing” and then sign in for doubles at the same or other event. Is this allowed?

Decision: Yes. The rule states that he may withdraw without penalty from the qualifying if he is still competing on the day prior to the commencement of the qualifying. The “without penalty” would relieve him from the “No Play After Withdrawal” provisions of the rules.

B. Singles Qualifying

- 1) **Direct acceptances – ATP Tour.** Direct acceptances are players accepted directly in the draw by virtue of their position in the FedEx ATP Rankings or by their protected ranking position (singles). The list to be used for ATP Tour tournaments shall be dated approximately twenty-one (21) days prior to the Monday of the tournament week.
 - a) If there are still places available for direct acceptances in the qualifying draw, the next players selected shall be those with the highest position on the most recent FedEx ATP Doubles Rankings list.
 - b) There shall be an alternate sign-in list comprised of players that sign in who are not selected as direct acceptances. In the event that direct acceptance players are not present for first-round qualifying matches or if players are moved into the main draw from the qualifying (before the first ball is hit), players shall be selected from the alternate sign-in list in the order described in sections 1), and 2) above. Alternate sign-in deadline is 6:00 pm local time the day before the start of the qualifying. Thereafter, the deadline is one half (1/2) hour before the first scheduled match each day an Alternate may be required.

VII. THE COMPETITION

2) Direct acceptances – ATP Challenger Tour (50-125).

- a) **Qualifying Sign-In.** Players who personally sign-in for the qualifying event shall be accepted based upon their position on the most recent FedEx ATP Singles Ranking followed by the most recent FedEx ATP Doubles Ranking.

The sign-in shall also include those players coming from other events who are eligible to be signed-in by the ATP Supervisor or Tournament Referee.

Case: A player enters an event using his current ranking. After the deadline, he realizes he did not get in with his current ranking and informs the Supervisor that he wants to use his protected ranking. May he do this?

Decision: No, the intent to use a protected ranking must be declared at the time of entry and cannot be declared after the deadline for the event.

- b) **On-Site Alternate Sign-In.** There shall be an on-site alternate sign-in on the day of the start of qualifying. The sign-in deadline is one half (1/2) hour before the first scheduled qualifying match.

Priority for the on-site alternate sign-in is based upon the most recent FedEx ATP Singles Ranking and then players using their most recent FedEx ATP Doubles Ranking.

- 3) Any vacancy created by the withdrawal of a seed (for any reason), after the qualifying draw has been made but prior to the release of the order of play for the first day of the qualifying event, shall be filled by the next highest positioned player or team in the qualifying draw eligible to be seeded. The position vacated by that next highest positioned player or team shall then be filled by the next eligible player or team on the qualifying draw alternate list.

Can I Sign In

Case: An ATP Tour tournament with an advanced entry qualifying holds an Alternate Sign In on Friday night. If a player does not sign-in on Friday night, may he sign-in on the Saturday morning Alternate sign-in sheet?

Decision: Yes. Following the sign-in occurring prior to the qualifying draw being made, the Alternate sign-in on the day of first round play is a new list and any player who is on-site and with a FedEx ATP Ranking (singles or doubles) is eligible to sign-in.

Unranked Players as Alternates

Case: The tournament has used their wild card allocation. Are players without a ranking eligible to sign in as alternates?

Decision: No. Unranked players are only allowed into the draw as a wild card selection.

Fill by Random or Alternative Method

Case: After concluding the qualifying sign-in, there are not a sufficient number of players listed in the FedEx ATP Rankings (singles/doubles) to fill the draw. If there are still additional vacancies, may the Tournament Director fill the remaining spots with players according to the local system?

Decision: No. Unranked players are only allowed into the draw as a wild card selection.

VII. THE COMPETITION

Case: A player asks to be signed-in to the doubles qualifying which begins on Saturday. He is in another tournament and is playing the doubles final scheduled for Saturday. He asks that he be signed-in if he gets a bye for Saturday, as he would not be able to play the qualifying on Saturday.

Decision: The entry for doubles qualifying cannot be accepted. The player could sign-in for main draw doubles, but not for qualifying.

C. Doubles Main Draw - ATP Tour. Direct acceptances for ATP Tour events shall be in the following order:

- 1) Teams composed of players in either the FedEx ATP Rankings or the FedEx ATP Doubles Rankings. The combined positions of the two players using best FedEx ATP Rankings (singles or doubles) shall be added together and the total used to determine the direct acceptances. The most recent FedEx ATP Rankings and/or FedEx ATP Doubles Rankings list, including a protected ranking, shall be used.

Ties are broken as follows (including protected rankings):

- a) Team using two (2) doubles rankings.
- b) Team using one (1) doubles ranking.
- c) Team using two (2) singles rankings.

Note: For ties between teams with the same composition:

- i) For teams using two (2) FedEx ATP Doubles Rankings, the fewest number of doubles tournaments played and then the team with the highest number of points.
 - aa) If one (1) team is using a protected ranking, then they are placed below the team using two (2) actual rankings;
 - bb) If both teams have one (1) or two (2) members using a protected ranking, then the team with the strongest individual FedEx ATP Doubles Ranking, including protected ranking, will receive priority;
- ii) For teams using one (1) singles & one (1) doubles - the team with the strongest individual FedEx ATP Doubles Ranking will receive priority;
- iii) For teams using two (2) FedEx ATP Rankings, the team with the strongest individual FedEx ATP ranking.
- iv) If none of the above break the tie, then the order shall be determined by a draw.

Case: A player enters an event using his current ranking. After the deadline, he realizes he did not get in with his current ranking and informs the Supervisor that he wants to use his protected ranking. May he do this?

Decision: No, the intent to use a protected ranking must be declared at the time of entry and cannot be declared after the deadline for the event.

- 2) If the doubles draw cannot be filled by teams where both members are listed in the FedEx ATP Rankings or FedEx ATP Doubles Rankings, the remaining places shall be filled with byes.

Only One Doubles Player Has Ranking

Case: A doubles team has one player who is listed in the FedEx ATP Rankings or FedEx ATP Doubles Ranking and one player who is not. Can the team be in the doubles draw?

Decision: Since one player does not have a ranking, the only way

VII. THE COMPETITION

into the draw is via a wild card.

NOTE: The rationale for this is that all players, except Wild Cards, must be an ATP member or a registered player. Since one player of the team does not have a ranking, he is not eligible to register and therefore the only way into the draw is via Wild Card.

Use of Both Rankings

Case: A player has a protected singles ranking of 201, true singles ranking of 458, protected doubles ranking of 320 and true doubles ranking of 408. Can the player use his protected singles ranking to enter doubles when he has already used it to enter the singles of that tournament or does he have to use his 'true' singles ranking or his protected doubles ranking?

Decision: The protected singles ranking CAN be used for entry into the doubles. It would not count against his allowed total for singles events but would count against his doubles allotment.

D. Doubles Main Draw – ATP Challenger Tour Challenger 50-125

Direct acceptances for ATP Challenger events shall be in the following order:

- 1) Teams composed of players in either the FedEx ATP Rankings or the FedEx ATP Doubles Rankings. The combined positions of the two players (using best FedEx ATP Rankings - singles or doubles) shall be added together and the total used to determine the direct acceptances. The most recent FedEx ATP Rankings and/or FedEx ATP Doubles Rankings list, including a protected ranking, shall be used.

Ties are broken as follows (including protected rankings):

- a) Team using two (2) doubles rankings.
- b) Team using one (1) doubles ranking.
- c) Team using two (2) singles rankings.

Note: For ties between teams with the same composition:

- i) For teams using two (2) FedEx ATP Doubles Rankings, the fewest number of doubles tournaments played and then the team with the highest number of points.
- ii) If one (1) team is using a protected ranking, then they are placed below the team using two (2) actual rankings;
- iii) If both teams have one (1) or two (2) members using a protected, then the team with the strongest individual FedEx ATP Doubles Ranking, including protected ranking, will receive priority;
- iv) For teams using two (2) FedEx ATP Rankings, the team with the strongest individual FedEx ATP Doubles Ranking will receive priority.
- v) For teams using two (2) FedEx ATP Rankings, the team with the strongest individual FedEx ATP Ranking will receive priority.
- vi) If none of the above break the tie, then the order shall be determined by a draw.

E. Seeds - ATP Tour and ATP Challenger Tour

Seeded teams will be determined by using the combined FedExATP Doubles Rankings of the two players (protected ranking not included). Ties shall be broken as follows:

VII. THE COMPETITION

- 1) The team with the fewest events played is positioned higher.
- 2) The team with the highest number of points is positioned higher.
- 3) A coin flip or draw if a tie remains.

F. Qualifiers

Qualifiers are teams who are included in the main draw as a result of their success in a qualifying competition. If the main draw is made prior to the completion of a qualifying competition, it shall include as many qualifying places as there are sections in the qualifying draw. Each of these qualifying places shall be positioned in the main draw in accordance with standard drawing procedures. Determination as to which qualifier goes into which qualifying place shall be by drawing after the qualifying competition ends.

G. Wild Cards. Wild cards are players included in the main draw at the sole discretion of the tournament. Wild cards must be named at the time the draw is made. Wild cards may be seeded. Tournaments may not receive compensation and players may not offer compensation in exchange for the awarding of a wild card.

7.14 Seeds Definition

Seeds are players who are given preferential positions in the draw based on the FedEx ATP Rankings. The selection and arrangement of seeds shall be based upon the most recent FedEx ATP Rankings list (the protected ranking is not considered). Each tournament shall have a seeded draw and there shall be only one seeding list. Seeding shall not be official until the final draw is made. For doubles, seeded teams will be determined by using the combined FedEx ATP Doubles Rankings of the two players (entry protection not included).

Any vacancy created by the withdrawal of a seed, after the draw has been made but prior to the release of the order of play for the first day of main draw, shall be filled according to the procedures described under vacancies.

Protected Ranking is for Entry, Not Seeding

Case: *May a player's protected ranking be used for seeding purposes?*

Decision: *No. The protected ranking position can be used for: 1) entry into the qualifying competition and main draw, or 2) special exempt position. It may not be used for: 1) seeding, or 2) lucky loser order.*

VII. THE COMPETITION

7.15 Number of Seeds

24 competitors - 12 seeds (singles Q)	24 teams - 8 seeds

A. Singles - ATP Tour

- 1) There will be one section, having two (2) seeds, for each qualifying position in the main draw. The first seed shall be placed at the top of the first section. The second seed shall be placed at the top of the second section and so on until all sections have one (1) seed on the top line of each section. The remaining seeds shall be placed together and drawn with the first drawn placed on the last line of the first

VII. THE COMPETITION

section, second drawn placed on the last line of the second section and continued in this manner until each of the sections have two seeds.

- 2) The names of the remaining players shall be drawn and placed in the vacant spaces not occupied by the seeds or byes beginning at the top of the draw.

B. Singles – ATP Challenger Tour

- 1) There will be two (2) sections, having one (1) seed in each section. The first seed shall be placed at the top of the first section. The second seed shall be placed at the top of the second section.
- 2) The names of the remaining two (2) players shall be drawn and placed in the vacant spaces beginning at the top of the draw.

C. Doubles

Two teams shall be seeded in a four-draw event with the seeds being placed on lines 1 and 4.

7.18 Byes - Assignment and Placement

A. Singles Main Draw

- 1) If there is a 32 main draw, no byes shall be awarded unless there are an insufficient number of direct acceptances.
- 2) If there is a 28 main draw, the top four (4) seeds shall be awarded a bye.
- 3) If there is a 48 or 96 main draw, each seed shall be awarded a bye.
- 4) If there is a 56 main draw, the top eight (8) seeds shall be awarded a bye. **(See ATP Addendum, page 390)**
- 5) Any player who received a “bye” and loses in the second round shall receive second round loser’s prize money but only first round loser’s points for the FedEx ATP Rankings, if applicable.

B. Doubles Main Draw

- 1) If there is a 16 or 32 main draw, no byes shall be awarded.
- 2) If there is a 24 main draw, each seeded team shall be awarded a bye.
- 3) Any team that received a “bye” and loses in the second round shall receive second round loser’s prize money but only first round loser’s points for the FedEx ATP Doubles Rankings, if applicable.

C. Qualifying Draw

If there are not enough competitors to fill the qualifying draw, then after the seeds are placed in the draw, the required number of byes shall be awarded as follows:

- 1) Priority shall be to the highest seeds.
- 2) Remaining byes shall be drawn by groups of two (2) going into one (1) section (e.g., if there are 10 byes, eight go to seeds and the remaining two are drawn into one section; if there are 11 byes, nine and 10 are drawn into one section and the 11th is randomly drawn into one of the other three (for a 32 draw qualifying competition) remaining qualifying sections).

VII. THE COMPETITION

7.19 Remake of Draw

A. Singles

If two (2) or more of the top eight (8) seeds withdraw more than twenty-four (24) hours before the start of the singles tournament, the tournament may choose either to remake the draw or let the draw stand. If a wild card withdraws after the original draw and the draw is to be remade, the vacancy created may be filled at the tournament's option by a substitute wild card. If the tournament elects not to use a substitute wild card, the vacancy shall be treated as any other vacancy.

B. Doubles

Prior to the draw being finalized (not sooner than when it is published but not later than when the first ball of the doubles tournament is struck as determined by the Supervisor), use the following procedure: If one-fourth or more of the seeded teams withdraw, or a minimum of two (2) seeded teams in a 16-team draw withdraw, the Tournament Director has the option to have the draw remade if approved by the Supervisor. If the draw is remade, the original pairings may not be changed except where vacancies occur.

Case: *A draw has to be remade. How is the remake of the draw done?*

Decision: *There are 2 methods for remaking a draw: (1) Retaining the original order of the chips drawn and (2) Starting from the beginning and redrawing the chips.*

Retaining the original order of the chips drawn is the preferred method and is used in all cases except when the cause of the remake had to do with an issue with the chips, such as a loss of a chip; a chip being accidentally thrown back into the bowl and drawn a second time, etc.

In the instance of remaking the draw retaining the original order of the chips, the following procedure is followed:

- 1) The Chip List (order of the names of players and/or teams) is regenerated
- 2) The draw is populated using the list of chips drawn in the original order
- 3) No other action is taken

In the instance when the draw is remade by starting from the beginning and redrawing the chips., the following procedure is followed:

- 1) The Chip List (order of the names of players and/or teams) is regenerated.
- 2) The Chips are redrawn according to the procedures outlined in the ATP Rulebook 7.09

Where does the "No Match" go?

Case: *At an ATP Tour Qualifying, the draw is made and the OP is published on Friday night. Overnight, 3 withdrawals occur. The players who withdrew were on Line 2, Line 11 and Line 13. The next morning, only 2 players sign in for the on-site alternate list leaving a "No Match" spot for the draw. How is it determined on which line the "No Match" is placed?*

Decision: *By random draw.*

VII. THE COMPETITION

7.20 Lucky Losers, Substitutions and Vacancies

A. Lucky Loser Selection

A player may be entered in the main draw of a tournament if he meets the criteria outlined for a lucky loser.

- 1) Lucky losers are players who have lost in the final round of the qualifying event or, if more lucky losers are required, those players who have lost in the previous qualifying round(s). Lucky Losers shall be selected based on the computer rankings as follows: If there are no vacancies when the qualifying event has been completed, then the order of the Lucky Loser list shall be selected on the basis of their position on the FedEx ATP Rankings (singles or doubles) list used for determination of qualifying seeding (protected ranking is not considered). If there is a vacancy in the main draw when qualifying is completed then the order of the two (2) highest ranked players shall be randomly drawn, thereafter the order shall follow the players' rankings, unless there are two (2) or more withdrawals at the time the Qualifying competition is finished in which case the size of the random draw will be the number of withdrawals plus one (1). In the case where players from the previous round are included in the draw they will be placed behind all players who have lost in the final round of qualifying. Only those accepted into the qualifying competition may sign in as lucky losers.

Note: For Challengers the following protocol shall be used:

Challengers 80-125. When there are vacancies in the main draw at the conclusion of the qualifying, the Lucky Loser order is determined first by a random draw of the two players who lost in the final round of the qualifying. Thereafter, alternates from the daily Lucky Loser/Alternate sign-in may be placed in ATP rank order but behind the two players who competed in the qualifying. If there are no vacancies in the main draw at the conclusion of the qualifying, the Lucky Loser order is determined first by the ATP rank order of the two players who lost in the qualifying. Thereafter, alternates from the daily Lucky Loser/Alternate sign-in may be placed in ATP rank order but behind the two players who competed in the qualifying.

Challenger 50. The Challenger 50 shall use the same protocol as specified for ATP Tour events in section 7.20 A. 1).

- 2) The lucky loser list shall be posted each day at least one (1) hour before the sign-in deadline, which shall be one-half (1/2) hour before the first scheduled match of the day. If rain or other disruptions occur, then the Supervisor can change the deadline as appropriate. Such list shall not be available for sign-in on the preceding day. All lucky loser sign-in deadlines must be placed on each day's schedule of play.
- 3) The sign-in for doubles lucky losers or alternates shall follow the same procedures as the sign-in for singles lucky losers or alternates. One member of a lucky loser team may sign in for the team. If there is no qualifying competition, substitutions shall come from the alternate list of teams not accepted directly into the main draw through the on-site sign-in procedure. In either case, only substitutions of the originally paired teams are permitted. If two (2) or more positions become available at the same time during the preceding period, the positions to be occupied shall be determined by drawing.

VII. THE COMPETITION

- a) There shall be one Lucky Loser / alternate sign-in sheet that will have all eligible Lucky Loser / alternate* teams listed.
 - b) The system of merit for alternates is based on the same method as used in the system of merit for entry.
 - c) The system of merit for Lucky Losers is based on the same method as used to determine seeding.
- 4) Vacancies in ATP Tour 500 Doubles main draw will be filled by the following method:
- a) Team losing in the final round of qualifying shall be the number 1 lucky loser; and
 - b) The two teams losing in the first round of the doubles qualifying shall be numbers two (2) and three (3) based upon their ranking as used in the determination of seeds; and then
 - c) All teams who signed in for the on-site entry list and were not accepted or could not participate in the qualifying and shall be ordered based upon their rank on the acceptance list.
 - d) One player from each team must sign the daily lucky loser / alternate sign-in sheet to be eligible to fill a vacancy.
- 5) Vacancies in ATP Masters 1000 and ATP Tour 250 Doubles main draws occurring after the online sign-in deadline but prior to the draw being made will be filled by the next team on the alternate list.
- 6) Vacancies in ATP Masters 1000 and ATP Tour 250 Doubles main draws occurring after the draw has been made will be filled by the first of the following methods:
- a) Teams who were not accepted into the main draw through the on-site sign-in procedure; then
 - b) Teams who did not enter through the online on-site alternate sign-in and teams where one member of the team is eligible to re-pair following the withdrawal of his partner are eligible* to sign the daily alternate sign-in and are placed below those teams on the alternate list who did enter through online on-site alternate sign-in method.

* To be eligible, alternate teams who did not enter through the online protocol must sign-in on the first day of the doubles competition.

- 7) Teams may remain on the alternate list for multiple events in the same week, however, they may only sign-in at one of those events on any given day.
- 8) Vacancies in Challenger Doubles main draw will be filled from an alternate list using the same protocol as used for entries.

Case: A team submits an advance entry for a 250 tournament with one of the players using a protected ranking. They are among 6 teams not ranked high enough to be selected. The other 5 teams are using their best of rankings. Where is the team using the protected ranking placed on the alternate list if they are the next team in based on that ranking or the 4th highest team using their best of ranking?

Decision: The team using the protected ranking is placed at the top of the alternate list. Protected ranking is used for entry into a tournament either directly or as an alternate (either an advanced entry or as an on-site entry).

VII. THE COMPETITION

Who is inserted as the doubles alternate?

Case 1: After the sign-in deadline for doubles alternate has closed, there are 7 teams signed-in. At 16:55 a team scheduled to play at 17:00 withdraws due to injury of one of the players. The #1 team on the alternate list is inserted into the draw. The match is called at 17:00. It is discovered that the inserted team is at the hotel and at 17:15 the alternate is defaulted for punctuality. What should be done now?

Decision: If an eligible alternate team cannot be found who is ready to go on court by 17:20, then a walkover is awarded. 7.20 B 2) b) states that to be eligible for substitution, a lucky loser (alternate) must "be ready to play within five (5) minutes after the announcement of a default for punctuality".

ATP POLICY: While every effort must be made to locate an eligible, signed-in alternate team, the 15 minute punctuality rule must be enforced to protect the opponent who is ready to play. It is incumbent upon the teams signed-in as alternates to be available, reachable and ready to go when the match is called or within 5 minutes of the announcement of a punctuality default. In the instance of one player on court in singles, his partner must be available, reachable and ready to go, the team would be inserted and the match rescheduled. This policy extends to Lucky Losers also.

Case 2: A doubles match is called at 11:00 AM and one of the teams cannot be found. At 11:15 AM a punctuality default is awarded. How is the vacancy filled?

Decision: The highest ranked doubles team from the alternate list who are eligible to be inserted in the draw and are ready to play within the five (5) minute allotted time period will replace the defaulted team. 7.20 B 2) b) states that to be eligible for substitution, a lucky loser (alternate) must "be ready to play within five (5) minutes after the announcement of a default for punctuality".

ATP POLICY: (See ATP Addendum, page 390). Alternates (Lucky Losers) are to be ready when called upon to fill a vacancy. By signing the daily alternate (Lucky Loser) list they are declaring that they are on-site and ready to play, if needed. While every effort will be made by ATP staff to locate the alternate/LL teams it is the alternate/lucky loser teams/players responsibility to keep ATP staff informed of their whereabouts and to remove their names if they leave the site or otherwise become unavailable for substitution.

Advance Entry Qualifying

Case: How are vacancies handled for ATP Tour qualifying events if there are no eligible players remaining on the Advanced Entry list and there are not enough players who signed the Friday On Site Alternate list to fill the draw?

Decision: If there are no eligible players remaining on the Advanced Entry list and there are not enough players who signed the Friday On Site Alternate list to fill the draw then Byes should be awarded to the seeded players by ranking order. Any additional vacancies occurring after the draw will be filled from the "day of" Alternate sign-in list.

VII. THE COMPETITION

B. Lucky Loser/Alternate Substitution

- 1) A lucky loser/alternate shall be inserted in the appropriate position as a substitution for any player who withdraws or is withdrawn before the first ball of his first match is struck.

NOTE: A player winning a match by walkover is considered to have played a match.

- 2) In order to be eligible for substitution, a lucky loser/alternate must:
 - a) Sign the lucky loser/alternate sign-in record at least one-half (1/2) hour prior to the first scheduled match of each day; and
 - b) Be ready to play within five (5) minutes after the announcement of a default for punctuality.
 - c) If the eligible lucky loser/alternate is not available to play, he shall be placed at the bottom of the lucky loser/alternate priority list for that day corresponding to the qualifying round in which he lost. If the eligible player is playing in the doubles event at the time he is called as a lucky loser/alternate in singles, the singles match may be rescheduled so he can fill the lucky loser/alternate position, provided the Supervisor determines that the rescheduling does not cause an unreasonable disruption of the schedule or does not cause the winner to play a second match that day; otherwise the next available lucky loser/alternate shall be selected to fill such vacancy.

Alternate Sign-In Procedures

Case: The two (2) players ahead on an alternate list do not sign in 1/2 hour before the singles qualifying matches are to begin. One (1) of the players arrives on-site just before it is known that an alternate is going to be needed. Who gets in?

Decision: Neither of the two (2) players. In order to be eligible for substitution, an alternate must sign in before the deadline and must be ready to play within five (5) minutes of being called.

Doubles Alternate at two tournaments?

Case: A team signs in for doubles at two tournaments the same week. They do not get into the main draw, but are the #1 alternate at both events. The team signs the Alternate list at tournament A on Monday and Tuesday and then wants to sign the Alternate list at tournament B on Wednesday. Are they permitted to do this?

Decision: Yes, however, a team is only eligible to be signed in on one "live" list per day.

Eligible for Lucky Loser - ATP Tour

Case: May a player or team sign the lucky loser sign-in sheet if they are not accepted into the qualifying competition?

Decision: No. To be eligible as a lucky loser, a player or team must have played and lost in the qualifying event.

Extending Closing Times

Case: The first-round singles matches are scheduled to start at 10 a.m. A steady rain is falling at 9 a.m. and it is decided to postpone the start of play until 11 a.m. should the lucky loser sign-in be extended?

Decision: Yes. Extend the deadline to 10:30 a.m.

VII. THE COMPETITION

Case: The lucky loser Sign-in closed at 10:30. A player arrives at 10:45 to sign in saying that:

1. The Referee told me that the deadline would be at 11:00; or
2. Somebody on the phone said the deadline was 11:00; or
3. Tournament transportation was 45 minutes late.

Decision:

1. Allow the player to sign in. Information given by the Referee (if verified) must be honored.
2. Sign-in not allowed. Players receiving information over the phone do so at their own risk unless they speak directly to the Supervisor or Referee.
3. Sign-in not allowed. The player is responsible for arriving on time.

Which Lucky Loser to Insert?

Case: On Monday before the last singles match has gone on court, a player whose first-round singles match is scheduled for Tuesday is forced to withdraw because of injury. No one signed the lucky loser list on Monday. How is the vacancy resolved?

Decision: The vacancy should be filled from Monday's lucky loser list. However, since no one signed the lucky loser list on Monday, the vacancy shall be filled from the Tuesday lucky loser list, if any eligible players sign in. If no one signs on Tuesday, then a walkover shall be awarded.

Who Goes In?

Case: A player withdraws from the singles event on Tuesday. His singles match was not scheduled until Wednesday. There was a singles lucky loser sign-in on Tuesday. The last singles match scheduled for Tuesday has not gone on court. Is the vacancy filled from Tuesday or Wednesday's lucky loser sign-in?

Decision: Tuesday's sign-in.

C. Vacancies - Doubles

ATP Tour

- 1) A team shall constitute a doubles entry. If either of the players of a team cannot play, that doubles entry is subject to withdrawal and substitution.
- 2) If the withdrawal is from the advance acceptance list and prior to 12 Noon (EST) on the Friday before the event, then the next team on the alternate list is moved into the main draw.
- 3) If the withdrawal is from the advance acceptance list and occurs after the 12 Noon (EST) deadline on the Friday before the event then an additional on-site entry position is created for each withdrawal.
 - a) For both 2 and 3 above, the partner of the withdrawing player may enter doubles or sign in for the singles qualifying of the same or another event through the on-site entry method; or
 - b) If the withdrawal was due to one or both players being accepted into the main draw singles of another ATP Tour or ATP Challenger Tour event, then both players may enter the doubles of that event through the appropriate on-site entry procedure.

VII. THE COMPETITION

- 4) If a player from a team that is a direct acceptance withdraws based on a medical reason or other unavoidable circumstances after the on-site sign-in deadline, his partner may enter as an on-site alternate with another player who has not already been accepted into the main draw doubles event. This new team may be considered for acceptance based on its position in the on-site entry list including any entry protection position, as specified in A. 6) b) above.

Can I Sign In For Q's after Withdrawing from Doubles?

Case: A player is withdrawing from a Doubles Advanced Entry list where he is a direct acceptance. Can he sign in for the singles qualifying of another ATP or Challenger tournament that same week or play doubles somewhere else?

Decision: No. However, his partner, who was not the reason for the withdrawal, can sign in for singles qualifying or find another partner and sign-in on-site for doubles at the same or another tournament.

Can I Withdraw from Doubles to Accept a Singles Wild Card?

Case: A player, who is main draw in doubles, is offered a singles wild card into an ATP Tour or ATP Challenger Tour event. Can he withdraw from main draw doubles to accept this singles wild card at another event?

Decision: Yes. The player can withdraw from the doubles before the doubles on-site entry deadline to accept a wild card into the singles. This would be considered the same as the player being accepted into the main draw singles of another ATP Tour or ATP Challenger Tour tournament which is allowed.

Partner Injured: Who May Replace Him?

Case: A player's doubles partner withdraws after the on-site sign-in deadline but before the draw is made. In looking for a new partner, is the withdrawing player's partner allowed to choose another partner from the qualifying draw?

Decision: No. The player seeking a new partner may not team with any player who is accepted into the qualifying or main doubles draws. He may re-enter with any player that he chooses as long as their combined position in the FedEx ATP Rankings qualifies them by virtue of the system of merit for doubles entries. He may not select from players who will be or who are in the qualifying draw based on the sign-in sheet.

ATP Challenger Tour

- 1) A team shall constitute a doubles entry. If either of the players of a team cannot play, that doubles entry is subject to withdrawal and substitution.
- 2) If a player from a team that is a direct acceptance in the main draw withdraws based on a medical reason or other unavoidable circumstances after the on-site sign-in deadline but before the draw, his partner may enter again with another player who has not already been accepted into the main draw doubles event. This new team may be considered for acceptance based on its position in the entry list including any entry protection position.

Remake of the Draw

Case: On Monday morning, two (2) of the four (4) seeded teams withdraw from a 16-draw doubles event. The doubles competition

VII. THE COMPETITION

has not yet begun. May the draw be remade?

Decision: Yes. However, it is the option of the tournament.

D. Prior to Qualifying Competition

- 1) **ATP Tour Singles.** After the main draw is made and prior to the commencement of the qualifying competition, all vacancies created by the withdrawal of unseeded players including wild card withdrawals, shall be filled by the next highest positioned player(s) on the original acceptance list. If the vacancy was created by the withdrawal of a seed, then the procedures for replacing seeds are followed and the vacancy created by replacing the seed is filled by the next highest positioned player(s) on the original acceptance list.
- 2) **ATP Tour Doubles.** After the main draw is made and prior to the commencement of the qualifying competition, all vacancies created by the withdrawal of unseeded teams including wild card withdrawals, shall be filled by the next highest positioned player(s) on the on-site entry list. If the vacancy was created by the withdrawal of a seed, then the procedures for replacing seeds are followed and the vacancy created by replacing the seed is filled by the next highest positioned player(s) on the on-site entry list.
- 3) **ATP Challenger Tour. (See Challenger Addendum, page 406)** After the withdrawal deadline and prior to Sunday*, 3pm local time before the tournament, vacancies will be filled from the original acceptance list by players who have preserved their position on the list. If there are no Alternates from the original acceptance list, the vacancy will be filled from the on-site Alternate List. (*Saturday for a Sunday start event.)

If a withdrawal occurs after 3:00pm local time on the day prior to the commencement of qualifying, the main draw vacancy will be filled from the on-site alternate sign-in list (players must personally sign-in to be eligible as an on-site alternate), with the first priority being those players who have preserved their eligibility, followed by players in ranking order from the original Acceptance list who signed in for qualifying, followed by players who were not on the Acceptance List or who did not preserve their position, using the most recent FedEx ATP ranking. If the vacancy was created by the withdrawal of a seed, then the procedures for replacing seeds are followed and the vacancy created by replacing the seed is filled by the next highest positioned player(s) from that event's alternate sign-in list, following the protocol specified above.

ATP Tour Main Draw Vacancy Before Qualifying Starts

Case: After making the qualifying draw, a vacancy occurs in the main draw. How is the vacancy filled?

Decision: If the qualifying competition has begun, the vacancy is filled by the eligible lucky loser. If the qualifying competition has not begun, the vacancy is filled by the next player on the original acceptance list.

E. Qualifying started or finished

- 1) **During Qualifying Competition.** If a lucky loser position should become available during the qualifying competition, it shall be treated the same as the qualifying places for placement in the main draw. If a seeded player or team withdraws after the main draw has been made but prior to the release of the order of play for the first day of main draw in that event, the vacancy created by the withdrawal of

VII. THE COMPETITION

a seed shall be filled by the following method:

- a) **16/24 (Doubles)/32/48/64 and 96 Draw.** The vacancy shall be filled by the next highest positioned player or team in the main draw eligible to be seeded. The appropriate lucky loser shall fill the remaining vacancy.
- b) **28 Draw.** If the vacancy involves a seed #1-4, then seed #5 moves to the vacated seed position and the next highest positioned player in the main draw eligible to be seeded shall be placed in the position vacated by the #5 seed. The appropriate lucky loser shall fill the remaining vacancy. If the vacancy involves a seed #5-8, then the next highest positioned player in the main draw eligible to be seeded shall be placed in the vacated seed position. The appropriate lucky loser shall fill the remaining vacancy.
- c) **56 Draw.** If the vacancy involves a seed #1-8, then seed #9 moves to the vacated seed position and the next highest positioned player or team in the main draw eligible to be seeded shall be placed in the position vacated by the #9 seed. The appropriate lucky loser shall fill the remaining vacancy. If the vacancy involves a seed #9-16, then the next highest positioned player or team in the main draw eligible to be seeded shall be placed in the vacated seed position. The appropriate lucky loser shall fill the remaining vacancy.

Seeds Withdraw or Are Withdrawn

Case: *The team seeded 4th withdraws after the draw but prior to the order of play being released for the first day of main draw. How is the vacancy filled?*

Decision: *For a 16 team draw, the vacancy created by the removal of a seeded team is filled by the next highest positioned team eligible to be seeded. The appropriate alternate or lucky loser team shall fill the remaining vacancy.*

Qualifier Eligible To Be Seeded

Case: *A qualifier's ranking was high enough for him to be seeded in the main draw. The main draw was completed prior to the end of the qualifying event. After the player had qualified but prior to the order of play being released for the first day of main draw a seeded player withdraws. Is the qualifier eligible to be seeded?*

Decision: *Yes. The successful qualifier shall be accorded the same right to be seeded as the other players who have gained entry as Direct Acceptances, Wild Cards, Special Exempt etc. As per ATP rules a player may not use his Protected Ranking for seed purposes*

2) Other Vacancy Procedures After Qualifying Starts.

- a) After the qualifying commences (when the first ball of the first match is struck), vacancies may only be filled by eligible lucky losers (and eligible alternates in the case of a Challenger event).
- b) If a lucky loser position becomes available after the places for qualifiers are drawn for the main draw but before the first day of the main draw event, the highest positioned lucky loser shall be inserted into the draw provided he can be notified.
- c) If a position becomes available during the day, the highest positioned player who has signed that day's lucky loser sign-in record shall be inserted at the time the withdrawal is confirmed.
- d) Positions becoming available after the start of play for the last match of each day in that event (singles or doubles) shall be filled by the highest positioned

VII. THE COMPETITION

- e) When two or more positions become available at the same time, the positions to be occupied by each lucky loser shall be determined by drawing.
- f) In all such cases, the Supervisor is responsible to notify a player(s) that he is in the draw.

When is the withdrawn player replaced?

Case: *A player withdraws from the main draw 2 hours prior to the close of the lucky loser sign-in deadline. A few minutes later, the highest ranked lucky loser signs in. There is still one hour left before the lucky loser sign-in deadline closes. As the player who signed-in is the highest ranked LL, is he inserted at that moment, or is the vacancy filled after the sign-in deadline passes?*

Decision: *The player is not inserted in the draw until after the sign-in deadline as others may withdraw necessitating drawing for the available spots. Multiple withdrawals occurring after the last match of that event began on the previous day, and the time that the sign-in deadline closes on the next day, are considered to have occurred at the same time and the positions to be occupied by each lucky loser shall be determined by drawing.*

7.21 Match Scheduling

A. Scheduling Committee

The scheduling of matches and daily order of play in all tournaments shall be prepared by the Referee and/or Tour Manager and approved by a committee composed of the Tournament Director, Supervisor, Referee and the Tour Manager. In cases where the scheduling committee cannot agree, the Supervisor shall make the final decision.

B. Tournament Week Plan

- 1) **Main Draw.** The main draw should be scheduled so that the first round in singles begins on Monday and the finals in singles and doubles are completed by Sunday, unless the tournament has special permission from ATP forty-two (42) days in advance of the event to complete the tournament on Saturday or on Monday.
- a) **Considerations and Priorities.** The following priorities in the order listed should be followed:
 - i) Schedule the halves of the draw together particularly from Wednesday onward. At indoor tournaments, second rounds can be split within sections if necessary to avoid Monday/Thursday (singles).
 - ii) Schedule quarters together as an alternative.
 - iii) Avoid Monday/Thursday (singles) or Tuesday/Friday (doubles). Schedule some doubles on Monday.
 - iv) The singles quarterfinal matches on Friday should be scheduled by halves and as close together as possible.
 - v) Schedule one doubles semi-final on Friday (cannot be done if there are two Saturday sessions).
 - vi) When weather or other unavoidable circumstances cause a disruption in the schedule, a player may not be scheduled for more than three (3) matches in a day without his consent.
 1. The matches may not all be singles without the consent of the player.

VII. THE COMPETITION

2. Completion of a match in progress shall count as one (1) match.
- 2) **ATP Tour Qualifying.** One (1) round per day except when weather or other unavoidable circumstances require two (2) rounds to be played on the same day.
 - a) In ATP Tour events, one round shall be played on Saturday and the final round shall be played on Sunday except when weather or other unavoidable circumstances forces two rounds to be played on Sunday.
 - b) ATP Tour 250 events may petition for qualifying to be held on Sunday and Monday. The petition may be approved or denied after evaluating the impact upon the Match Schedule Plan and its effect upon the players and the tournament as a whole.
- 3) **ATP Challenger Tour Qualifying.**
 - i) **ATP Challenger 80-125.** The two (2) qualifying singles matches shall be scheduled as first matches on the first day of the event, no exceptions.
 - ii) **ATP Challenger 50.** The Qualifying shall be played over the first two (2) days of the tournament week. The final round, six (6) matches should be scheduled as a first priority on the second day.

C. Daily Scheduling Overview

- 1) Feature singles matches should be scheduled after the scheduling committee considers the needs of players, television, tournament and the public. It is recommended that a tournament schedule no more than two (2) evening matches to begin no later than 8 p.m. local time.
- 2) The scheduling committee must schedule a doubles match on all show courts (including Center Court) as follows:

ATP Tour 250 (16 draw doubles)

- o Seven (7) doubles matches must be scheduled on the Center Court during the tournament week.

ATP Tour 250 (24 draw doubles)

- o Seven (7) doubles matches must be scheduled on the Center Court during the tournament week.
- o Four (4) doubles matches must be scheduled on the Grandstand or second court.

ATP Tour 500 (16 draw doubles)

ATP Tour 500 (24 draw doubles)

- o Seven (7) doubles matches must be scheduled on the Center Court during the tournament week.
- o Four (4) doubles matches must be scheduled on the Grandstand or second court.

ATP Tour Masters 1000 (24 draw doubles)

- o Seven (7) doubles matches must be scheduled on the Center Court during the tournament week.
- o Seven (7) doubles matches must be scheduled on the next two (2) best courts with at least four (4) out of the seven (7) scheduled on the second overall best court.

ATP Tour Masters 1000 (32 draw doubles)

- o Seven (7) doubles matches must be scheduled on the Center Court during the tournament week.

VII. THE COMPETITION

- o Nine (9) doubles matches must be scheduled on the next two (2) best courts with at least four (4) out of the nine (9) scheduled on the second overall best court.

Final. The doubles final is to be scheduled prior to the singles final. It is recommended that the time of the final is no earlier than two (2) hours before the singles final, unless otherwise approved by ATP.

It is further recommended that the tournament begin each session (day and night) with a doubles match as an "opening act".

If exceptional circumstances do not allow for a doubles match to be scheduled on the Center Court or a designated show court, then best efforts shall be made by the scheduling committee to schedule an additional doubles match on one of the other show courts, if any.

- a) **Exceptional Circumstances may include, but are not limited to, the following:**
 - i) Contractual television obligations.
 - ii) Security issues.
 - iii) Weather or other scheduling interruptions.
 - iv) Combined with WTA Tour event.
 - v) Unforeseen circumstances as determined by the scheduling committee.

Definition of show court(s): Center Court and all other courts that are used to televise matches; or, if only Center Court is televised, then the next court with the greatest number of spectator seating.

Violation of this section may subject the Tournament to the penalties set forth in VIII. The Code - section 8.02 Tournament Violations.

- 3) Normally, matches are scheduled using "to follow on assigned court." However, assigning feature matches a time or "not before" basis is permissible. The Tournament Director should understand that scheduling "not before" in a Center or show courts may result in a court not having a match until the announced time.
- 4) First round doubles matches can be scheduled on a "not before" basis which will then allow for the fixing of the lucky loser or alternate sign-in deadline.
- 5) Starting matches after Midnight is not recommended (after 1:00 a.m. should be avoided). The ATP Supervisor may postpone a match after examining the impact on the tournament and the players. If postponing the match is not possible, then consideration must be given to moving a match to another court, if available.

D. Order of Play

The daily order of play is the published summary of all matches scheduled for a particular day.

- 1) **Release Deadline.** Once the scheduling committee determines the order of play, it should be released no later than 10 p.m. local time at the tournament.
- 2) **Change.** Once released, the order of play may not be changed except upon the approval of the Supervisor.
- 3) **Notification.**
 - a) It is the responsibility of all players to ascertain their schedules from the Supervisor/Referee for each day's play.
 - b) The Supervisor/Referee should also use all available means to notify each player of his schedule.

VII. THE COMPETITION

- 4) **Notes / Reminders.** Daily order of play must have footnotes reflecting the following:
- The singles (and doubles) lucky loser sign-in deadline is _____ (on appropriate days).
 - The alternate sign-in deadline is _____ (on appropriate days).
 - Any match on any court or session may be moved.

E. Calling of Matches

The Supervisor determines when a match is to be called. Players must be ready to play when their matches are called. The Supervisor shall determine when a match is to be called or when a match was in fact called. Schedules and match updates may only be reliably obtained from the Supervisor, Tour Manager or the Referee.

F. Rain

If because of rain, etc., a tournament cannot be completed within the tournament week, then, at the option of the tournament, one (1) extra day shall be allowed. The Supervisor shall approve the commencement times for matches on the extra day, which shall then be scheduled during the morning or early afternoon. No further extension of the tournament shall be permitted without the approval of ATP.

Case: *A tournament with an approved and announced Saturday final is interrupted by weather so that the final is scheduled for Sunday. If adverse weather on Sunday prevents the match from being played, may the tournament be extended to Monday at the option of the tournament?*

Decision: *No. For a tournament with a Saturday final the tournament week would end on Saturday and the one (1) extra day allowed at the option of the tournament would be Sunday. It must be noted however that if play cannot be completed on Sunday then ATP would consider approving Monday play only in the case where all parties (tournament & all players) request to finish on Monday.*

G. Rest Periods - Minimums and Guidelines

- Between Main Draw and Prior Week's Tournament(s).** Before scheduling matches for the first day of play, the Supervisor must contact the Supervisor(s), Referee(s) or Tour Manager(s) of the preceding week's tournament(s) to determine to what extent players still competing may have difficulties in arriving for play. To the extent possible, and providing it does not jeopardize the fairness of scheduling and the completion of his tournament, matches should be scheduled so that each player with reasonable difficulties can be accommodated. The Supervisor shall whenever possible give the player one full day's rest between his last match played in a previous week's tournament or event and the player's first match in the succeeding tournament, unless weather or unavoidable circumstances have caused a schedule disruption or the player was a finalist in a Monday or other delayed final. There shall be no first-round singles matches scheduled to start on Wednesday in 32 draw outdoor tournaments without the approval of ATP or on-site Supervisor. The on-site Supervisor shall consider approving Wednesday starts only in the following circumstances:
 - If a player is competing on the Sunday in a Grand Slam, ATP Tour, ATP Challenger Tour, Davis Cup or ITF M 25 tournament, and the following week's

VII. THE COMPETITION

tournament is on a different continent; or in a Monday Final on the same continent. Davis Cup Ties on the same continent which are delayed until Monday may also be considered. For the purposes of this rule the world is divided into 7 distinct continents. They are Europe, Asia, Antarctica, Australia, Africa, North America (including Central America) and South America.

In such cases, the match must be scheduled early Wednesday and if the player enters doubles, then he shall be required to play as determined by the Supervisor.

The criteria listed in a) above shall not apply in the case where a tournament has been approved for a Saturday final.

Case: *A player competes in a Grand Slam Junior match on the final Sunday. Is he eligible for a Wednesday start if his next tournament is the following week and on a different continent?*

Decision: *No. The Wednesday start provisions indicated in the ATP Rulebook only apply to Main Draw Singles, Main Draw Doubles and Mixed Doubles.*

- Main Draw and Qualifying.** Other than in exceptional circumstances, no player shall be required to play his first-round match in the singles main draw until at least twelve (12) hours after the completion of his final qualifying match. The following should also be considered:
 - If a player plays two (2) rounds of singles qualifying on the first day of qualifying, then the scheduled start time of his final round of qualifying shall be no earlier than eighteen (18) hours from the start time of his second qualifying match.
 - If a player plays in two (2) singles qualifying matches on Sunday, then he shall not be scheduled to play in a singles main draw match on Monday. However, the player may be scheduled to play, if necessary, a doubles match on Monday.
 - If a player plays in two (2) doubles qualifying matches on Sunday, then he can be scheduled to play in either one (1) singles or one (1) doubles main draw match on Monday.
 - If a player plays in one (1) singles qualifying and two (2) doubles qualifying matches on Sunday, then he shall not be scheduled to play on Monday.
 - If a player plays in one (1) singles qualifying and one (1) doubles qualifying match on Sunday, then he can be scheduled to play in one (1) singles main draw match on Monday. The singles match is to be scheduled early if that player is also playing in a doubles qualifying match (final) on that Monday.
 - If the final doubles qualifying match is scheduled for Monday, the main draw doubles matches shall be scheduled no earlier than three (3) hours after the final qualifying match. If the main draw doubles match should be scheduled earlier, then it is understood that if a doubles lucky loser is required, the match shall be re-scheduled with that lucky loser inserted.
 - Any player who becomes a lucky loser may be scheduled to play on Monday regardless of the number of matches that he has competed in on Sunday. Except, however, a player who played in three (3) matches on Sunday may only play one (1) match (singles) on Monday. If the player is to be required to be a doubles lucky loser or is scheduled to play a main draw doubles match, the doubles match would be rescheduled when his team is inserted into the draw unless the Supervisor determines the schedule shall be adversely affected.

Case: *Due to weather or other unforeseen circumstances, a player*

VII. THE COMPETITION

played two singles qualifying matches on Monday in an outdoor tournament. May he be scheduled for a main draw singles match on Tuesday?

Decision: Yes. The provision of not playing on Monday after playing two qualifying matches on Sunday does not apply as there are no Wednesday starts permitted.

3) Between Main Draw Matches.

- a) Players shall not be scheduled to play in a match within twelve (12) hours after completing his last match the preceding day.
- b) Players shall not be scheduled for more than one (1) singles and one (1) doubles match per day, unless weather or other unavoidable circumstances have caused schedule disruptions. Completion of a match in progress shall count as one (1) match.
- c) A player's singles match on any particular day shall be scheduled before his doubles match(es) unless otherwise directed by the Supervisor. Even without a schedule disruption, a player may be scheduled for two (2) doubles matches if he is not scheduled to play in singles that day.
- d) Whenever it is necessary to schedule a player to compete in more than one match in the same day, a player shall be given the following minimum rest periods (other factors may result in more time being authorized) unless he is in a singles and doubles finals to be played consecutively:

	<u>Outdoor</u>	<u>Indoor</u>
i) If he has played less than 1 hour	30 min. rest	30 min. rest
ii) If he has played between 1 and 1/2 hours	1 hr. rest	45 min. rest
iii) If he has played for more than 1 1/2 hours	1 1/2 hr. rest	1 hr. rest
iv) If play has been interrupted for thirty (30) minutes or more because of rain or other warranted delay, the length of match time would be assessed from the moment play resumes after the delay.		
v) If play is interrupted for less than thirty (30) minutes, match time would be considered continuous from the moment the first ball of the match was put into play.		

- e) Whenever it is necessary for a player to compete in two (2) singles matches in the same day, other than in exceptional circumstances a player shall be scheduled the following day no earlier than eighteen (18) hours from the start of his last match of the previous day, singles or doubles.

4) Between Singles Semi-final and Singles Final

- a) When the two (2) semi-final matches are not to be played consecutively, then the scheduled start time of the final shall be no earlier than eighteen (18) hours from the scheduled start time of the second semi-final match. In the case where the two (2) semi-final matches are to be played consecutively (i.e. "followed-by"), then the scheduled start time of the final shall be no earlier than twenty (20) hours from the scheduled start time of the first semi-final match.
- b) Tournaments are encouraged to plan the schedule so that it exceeds the minimum requirement.
- c) If rain or other unavoidable circumstances have caused a disruption in the schedule, then after considering the interests of the tournament, the players, the television and the public, the Supervisor shall determine the revised time of the semi-final and/or the final.

VII. THE COMPETITION

Player Entitled to Minimum Rest

Case: Because of rain delays, the singles semi-final and final matches are scheduled for Sunday. The two (2) semi-final singles matches are played on two (2) courts starting at 10 a.m. The final, because of television commitments, is scheduled to begin at 2 p.m. with live television coverage. One of the semi-final matches does not finish until 1:15 p.m. The tournament and the television staff still insist that the final match begin at 2 p.m. What is the solution?

Decision: The player is entitled to a minimum rest of 1 1/2 hours. The final cannot start before 2:45 p.m.

Note: In circumstances where television is a factor, the Supervisor should try to give as much flexibility as possible by starting the semi-final matches as early as possible. Also, it is important to know the latest start time acceptable for television. The goal is to give the players more than their minimum rest time between a semi-final and final.

Rain: How Many Matches Per Player?

Case: Rain has put the tournament behind schedule. Player A's singles match was suspended at one set all. Player A is also behind in the doubles. How many matches may player A be scheduled to play the next day?

Decision: Three (3). Completion of a match shall count as one (1) match. If the player wins the singles match in progress then he may be scheduled for one (1) more singles plus one (1) doubles. If he loses the first singles match, then he may be scheduled for two (2) doubles matches.

Scheduling Priorities

Case: In preparing the schedule of play for Wednesday in a 32-draw outdoor event, the upper half of the draw is the half the tournament would like to play. Several players will have played singles on Monday and not again until Thursday if that half is played. Sections of the draw would have to be split to accommodate players not having two (2) days off between singles matches. What is the correct priority in scheduling?

Decision: Scheduling in outdoor events must keep sections of the draw together. Preferably, halves of the draw are scheduled together, if that is not possible then quarters are scheduled together. Players playing singles on Monday and Thursday should be avoided; however, halves of the draw should be kept together. Inclement weather can adversely affect the schedule as well as the fair treatment of the players unless these priorities are followed.

Rain Delayed Semi-final, When to Play Final?

Case: Rain on Saturday prevents both semi-final singles from being played. The second semi-final is played on Sunday morning, with the winner due to play the final that afternoon. Can the winner of the second semi-final insist on a Monday final?

Decision: No. Every effort must be made to finish the tournament on Sunday. The winner of the second semi-final should be given the maximum amount of rest possible before playing the final. (ATP Policy)

VII. THE COMPETITION

Moving Indoors at an Outdoor event

Case: Rain has disrupted play to the point where the event is in danger of not being completed. There are indoor courts available for use. May the Supervisor move the matches indoors to complete this event?

Decision: Yes. Under the responsibilities of the Supervisor it states that “the Supervisor may, if necessary to eliminate the possibility of a player having to play two singles matches in one day, or if necessary to complete the event, move a match to another court, indoors or outdoors, regardless of surface”. The exception to this is if the Tournament Director demonstrates to the Supervisor that there will be a detrimental impact on the success of the tournament if singles or doubles matches are played indoors. In this case, the Supervisor may elect to keep all matches for outdoor play. (ATP Policy)

7.22 On-Court Procedures and Requirements

A. Start of Tournament

A tournament shall commence when the first serve of the first point of the first match is struck.

B. Start of Match

A match shall commence when the first serve of the first point is struck.

C. Rules of Tennis

The Rules of Tennis shall apply to all ATP Tour and ATP Challenger Tour tournaments except as amended by the ATP Official Rulebook.

D. Appeal of Calls

1) Questions of Fact.

- a) **Definition.** A question of fact is defined as an issue relating to what actually occurred on court during a specific match. Only the on-court officials shall determine questions of fact arising during a match and the player or the Supervisor may not change such determinations.
- b) **Rule.** A player may not appeal the determination made by the on-court officials on a question of fact.

2) Questions of Tennis Law.

- a) **Definition.** A question of tennis law is defined as an issue relating to the construction and application of specific facts to the ATP rules and regulations and the rules of tennis. During a match, the Chair Umpire shall first determine questions of tennis law. If the Chair Umpire is uncertain or if a player appeals the determination of the Chair Umpire, then the decision shall be made by the Supervisor, which shall be final and non-appealable.
- b) **Player Rights.** A player shall have the right to appeal any ruling of tennis law in accordance with the following procedures:
 - i) When a player is of the opinion that a ruling by the Chair Umpire on a matter of tennis law is erroneous, he may appeal the ruling by notification to the Chair Umpire in a professional and non-abusive manner.

VII. THE COMPETITION

- ii) The Chair Umpire shall stop play and immediately call for the Supervisor. Upon the arrival of the Supervisor, the Chair Umpire shall state the facts of the incident and the Supervisor shall be bound by the facts as stated. The Chair Umpire shall then state his position with respect to the ruling. The Supervisor shall review briefly the applicable rules with the player and the Chair Umpire and either affirm or reverse the ruling.
- iii) Play shall be resumed upon the statement of “Let’s Play” by the Supervisor and the players must proceed to commence play and the twenty-five (25) second clock shall commence.

E. Tennis Law - Cases

Appeal of Judgment Calls

Case: A first serve is hit down the middle and is called out and then corrected to good by the center service Line Umpire. The Chair Umpire awards the point to the server, but the receiver disagrees saying that he had a play on the ball. The Chair Umpire agrees and rules that the point be replayed. The Supervisor is called to the court.

Decision: Point to server. The Chair Umpire may not change a judgment decision after a player appeal.

Appeal of the “Facts”: Receiver

Case: First point of a game, the first serve is called fault and overruled by the Chair Umpire to good. The Chair Umpire then announces 15-Love. The receiver states that the point should be re-played because he returned the ball into the court. The Chair Umpire realizes that the receiver did in fact return the ball and orders the point to be replayed. The server claims that the Chair Umpire cannot change his decision and asks for the Supervisor to be called.

Decision: The point is re-played. The Chair Umpire’s initial awarding of the point to the server was incorrect based upon the facts as described by the Chair Umpire: The receiver did return the serve.

Appeal of the “Facts”: Server

Case: First point of a game, the first serve is called fault and overruled by the Chair Umpire to good. The Chair Umpire awards the point to the server based upon his judgment that the receiver did not have a play on the ball. The receiver claims that he could have played the ball. The Chair Umpire is not sure of his original judgment and orders the point to be re-played. The server claims that the Chair Umpire may not change his judgment based upon an appeal from the receiver and asks for the Supervisor to be called.

Decision: Point to the server. The facts on which the Chair Umpire based his initial decision did not change. Therefore, the Chair Umpire may not change his original decision based upon a player’s appeal or protest.

Umpire Blocked on Question of Fact

Case: Player A stops play claiming that player B had played the ball after it had bounced twice. The Chair Umpire said that he was “blocked” and could not make the decision.

Decision: The point stands as played. When the Chair Umpire has the primary responsibility for a call (nets, throughs, not-ups and

VII. THE COMPETITION

touches) as opposed to the secondary responsibility (line calls), an immediate decision must be made. If the Chair Umpire did not see a rules violation on something for which he has the primary responsibility then technically no violation can be called

Appealing for a Let

Case: Player A serves and player B returns the ball for a winner. Player A appeals to the Chair Umpire that the service was a let. The Chair Umpire says that he did not hear a let. Player A then asks player B if he heard a let. Player B answers yes. Upon hearing this, the Chair Umpire says that since both players heard a let, we shall play a let. Player B objects saying that it is the Chair Umpire's call and that he was only confirming to player A that the Chair Umpire had made a mistake.

Decision: The point stands as played. The Chair Umpire cannot make assumptions as to the intent of player B's comment. The Chair Umpire should be certain that the intention of player B was to play a let before making any decision.

F. Hindrance. A hindrance may result (1) from a corrected call by an official or (2) from an inadvertent event that occurs on-court:

- 1) **Corrected Call.** Whenever there is a corrected call either by overrule, correction by a Line Umpire or otherwise, the Chair Umpire in his sole judgment must determine if either player was hindered, and if so, order a "Let" to be played.
 - a) If a call is corrected from "Good Ball" to "Out," then the point is ended and there is no hindrance.
 - b) If the call is corrected from "Out" to "Good Ball," then there must be a "Let" played unless it was a clear ace or a clear winning shot that the player could not possibly have retrieved. If there is any reasonable possibility that such a ball could have been played, then the player who would have lost the point must be given the benefit of the doubt.
- 2) **Inadvertent or Deliberate event.** A distraction occurring on-court may be ruled inadvertent (unintentional) or ruled deliberate.
 - a) Inadvertent distractions may include the following (a "Let" may be called in these cases): a ball rolling onto the court; a ball falling out of a pocket; a hat falling off; or an involuntary sound or exclamation (ex. verbal reaction to an injury) from a player. Any player who created the hindrance must be advised that the next time play is stopped by the Chair Umpire because of that player's similar actions; it shall result in a loss of point.
 - b) Any distraction caused by a player may be ruled deliberate and result in the loss of a point (intentional or unintentional). Deliberate is defined as the player meant to do what it was that caused the hindrance or distraction.
 - c) Care must be exercised to ensure rulings do not result in providing a player(s) with two opportunities to win a point.

G. Hindrance Cases

Corrected Call

Case: A second serve is a "net" call. The service Line Umpire calls "out," then corrects it to "good."

Decision: Second serve

VII. THE COMPETITION

Opponent's Gear Falls On The Court

Case: Clothing or equipment (excluding the racquet) that is worn or carried by a player, including a ball from his pocket, falls to the court during play.

Decision: The Chair Umpire shall call a let and replay the point. He shall also inform the player that if the Chair Umpire makes a second call of let, it will result in a loss of point.

Case: A player's shoe comes off during play and is laying on the court.

Decision: The default position of the Chair Umpire should be that the point continues, unless the Chair Umpire is convinced that the opponent is hindered and in that case, a let could be called.

Opponent Makes Noise

Case: During play, a player thinking he has hit a winner, shouts "vamos", "come on", "yes", etc. as his opponent is in the act of hitting the ball.

Decision: If the Chair Umpire rules that a hindrance has occurred then, as the sound or exclamation that caused the hindrance was deliberate, the point shall be awarded.

Inadvertent Hindrance

Case: As a player is in the process of hitting a volley into the net, his hat falls off. He then claims a let for hindrance.

Decision: No let. A player may not hinder himself. A let should only be called when the opponent could have been hindered.

Singles Stick Falls

Case: After a first serve fault, the singles stick falls to the court.

Decision: The Chair Umpire should award a first serve unless in his opinion the replacement time was such that the server was not delayed in his delivery of a second serve.

Spectator Noise

Case: During play an "out" call is made by a spectator. The player stops playing and claims hindrance.

Decision: The point stands as played.

Early Foot Fault Call

Case: The baseline umpire calls a foot fault on the server prior to him hitting a first serve. The server continues with his motion and hits the serve into the net.

Decision: First serve awarded. It is not a foot fault until the ball has been struck. Therefore, the call is erroneous and the Line Umpire has hindered the server.

H. Overrule

- 1) The Chair Umpire may overrule a Line Umpire only if (1) there is a clear mistake by a Line Umpire, and (2) the overrule is made promptly after the mistake. A player may never appeal a determination on questions of fact to the Supervisor.
 - a) **Clear Mistake.** As a matter of practice the Chair Umpire must be in a position to make a determination that a call was erroneous beyond a reasonable doubt. To overrule a ball called "Good" by the Line Umpire, the Chair Umpire must have been able to see a space between the ball and the line. To overrule

VII. THE COMPETITION

an “Out” or “Fault” call by a Line Umpire, the Chair Umpire must have seen the ball hit on or inside the line. Clear foot-faults not called by the responsible Line Umpire should be called by the Chair Umpire.

- b) **Promptly.** The Chair Umpire must overrule immediately after the Line Umpire makes the “clear mistake.” The overrule “call” must be made almost simultaneously with the “clear mistake” made by the Line Umpire.
- 2) A player may request that the Chair Umpire verify a call or other determination of fact on a point-ending call made by an on-court official; upon such request the Chair Umpire shall immediately verify the same either by his own personal observation or upon confirmation of the Line Umpire or other on-court official involved. The Chair Umpire may never overrule the call of a Line Umpire upon the request of a player. A Line Umpire may never change a call as a result of a protest or appeal, except in the case of clay court ball mark procedures.
- 3) The request, verification and resumption of play should be completed within the twenty-five (25) seconds allowed between points. If the player prolongs the argument, the Chair Umpire should announce “Let’s Play,” and the player is subject to the provisions of the Code.

I. Correction/Verification of Call

Line umpires. When a Line Umpire realizes that he/she has made an erroneous call, including an inadvertent sound, he/she should immediately call “Correction” so that the Chair Umpire and the players are aware of the error. The Line Umpire should then make the corrected call.

J. Ball Mark Inspection Procedures (Clay Courts)

1) Chair Umpire

- a) A ball mark inspection requested by a player (team) shall be allowed only if the Chair Umpire cannot determine the call with surety on either a point-ending shot or when a player (team) stops playing the point during the rally (Returns are permitted but then the player must immediately stop). The Chair Umpire shall check ball marks if there is some doubt about the accuracy of the call.
- b) If the Chair Umpire sees a clear mistake, he may stop play with an overrule.
- c) The original call or overrule shall always stand if the Line Umpire and/or Chair Umpire cannot determine the location of the mark or if the mark is unreadable.
- d) Once the Chair Umpire has identified and ruled on a ball mark, this decision is final and not appealable.
- e) In clay court tennis, the Chair Umpire should not be too quick to announce the score unless absolutely certain of the call. If in doubt, the Chair Umpire should wait before calling the score to determine whether a ball mark inspection is necessary. Ball mark inspections made after the score has been announced or after first serves shall be done as quickly as possible so the server is not unreasonably delayed.
- f) In doubles, the appealing player must make his appeal in such a way that either both players stop playing the point or the Chair Umpire stops play. If an appeal is made to the Chair Umpire, then the Chair Umpire must first determine that the correct procedure was followed. If it is not proper or if it is late, then the Chair Umpire may determine that the opposing team was deliberately hindered.

VII. THE COMPETITION

- g) Players may not cross the net to check a ball mark without being subject to the Code. A player may not erase marks unless he is conceding the call or after a ball mark inspection occurs and the Chair Umpire has made a final decision.

2) Line Umpires

- a) If a Line Umpire has to make a close call, he must keep his eyes on the mark and should not look at the Chair Umpire.
- b) If requested by the Chair Umpire, the Line Umpire shall walk directly to the mark and identify the mark to the Chair Umpire. The Chair Umpire shall then inspect the mark and make the determination.
- c) If directed by the Chair Umpire to identify a mark and the Line Umpire is not sure of the mark, the Line Umpire must state immediately to the Chair Umpire, “I do not have the mark.”

K. Clay Court Cases

Can’t Find Ball Mark

Case: A Line Umpire calls a ball out on a clay court. The Chair Umpire asks him to show the mark. The Line Umpire cannot locate the mark and neither can the Chair Umpire.

Decision: The original (out) call must stand.

Clay Court: Doubles Ball Mark Appeal

Case: Player B returns a serve but his partner, player A, says, “wait” as he moves to look at the mark. The Chair Umpire stops play. The opponent, player C, appeals to the Supervisor, saying player B returned the serve, which player C put away.

Decision: The procedure was correct (The Chair Umpire stopped play after an interruption by player A.) The mark is examined and if it is good, Team A-B loses the point; otherwise, it is a second serve.

Must Both Players on a Team Stop to Get Ball Mark Inspection.

Case: In doubles on a clay court, the second serve is called good. The receiver returns the ball but hesitates in search of the mark. His partner crosses (poaches) and hits the ball into the net. The receiver then appeals the second serve, stating that he stopped play prior to his reflex return.

Decision: The point stands as played. Both players must stop playing or the player appealing must do so in a manner that results in the Chair Umpire stopping play.

Overrule Then Inspect Ball Mark

Case: As a Chair Umpire, you overrule a ball on a clay court. The player disagrees and asks for a ball mark inspection. You think that maybe you made a mistake on the overrule.

Decision: The Chair Umpire should check the mark.

L. Electronic Review / Electronic Review - Line Calling

A. Electronic Review

The use of an approved electronic system for reviewing line calls and/or overrules is authorized for use at ATP events. The protocol for its use is as follows:

VII. THE COMPETITION

- 1) A request for an electronic review of a line call by a player (team) shall be allowed only on either a point-ending shot or when a player (team) stops playing the point during a rally (returns are permitted but then the player must immediately stop).
- 2) In doubles the appealing player must make his appeal in such a way that either play stops or the Chair Umpire stops play. If an appeal is made to the Chair Umpire then he must first determine that the correct appeal procedure was followed. If it was not correct or if it was late, then the Chair Umpire may determine that the opposing team was deliberately hindered, in which case the appealing team loses the point.
- 3) Each player/team shall receive three (3) challenges per set (excluding the tie-break game). If the player/team is incorrect with a challenge, then one of the challenges is lost. If the player (team) is correct with a challenge, then the player retains his same number of challenges. Challenges remaining, if any, at the end of a set do not carry over to the next set.
- 4) During the tie-break game in any set, each player/team shall receive one (1) additional challenge. This is in addition to any challenges not lost, if any, during the set.
- 5) For doubles, the Match Tie Break shall be considered as a new set and each team shall receive three (3) challenges. Challenges remaining from the previous set do not carry over into the Match Tie Break. Successful challenges do not reduce the number of challenges that may remain.
- 6) In order to challenge, a player must show an immediate interest in making a challenge and must do it in a timely manner. The key to the policy is "immediate interest". The player must also make his/her intention to challenge known to the Chair Umpire either verbally or visually using his racquet or finger. The Chair Umpire will (a) reconfirm with the player his intent to challenge; (b) confirm that the player has challenges remaining; and (c) proceed with the electronic review.
- 7) The original call or overrule will always stand if the electronic review is unable, for whatever reason, to make a decision on that line call or overrule. In this case, the player shall not have his available number of challenges reduced.
- 8) If there is no call made from the on-court officials (unsighted Line Umpire and Chair Umpire cannot make the call) on a point ending shot, the Chair Umpire may call for a review and the result of the review will not affect the remaining challenges of either player.
- 9) The decision of the electronic review is final and cannot be appealed.
- 10) A certified official, approved by the ATP Supervisor, shall act as the Review Official* and his duties shall include, but are not limited to:
 - a) Determining which impact shall be reviewed by the system.
 - b) Act as the final authority on tracking the number of challenges each player has remaining.
 - c) Monitor the system to ensure that it is functioning properly.
 - d) Notify the Chair Umpire immediately in the case of a system failure or any other condition that prohibits or brings into question the ability of the system to review a challenged call. In this case, the Chair Umpire shall immediately notify both players that review is not available until further notice.

* Review official and supporting technology staff shall be located within the stadium or arena in a secured area and with an unobstructed view of the court.

VII. THE COMPETITION

- 11) For each court that is using a review system, there shall be a minimum of one (1) video board, of sufficient size, located in a position where the Chair Umpire, players and spectators may view the results of the challenge.
- 12) Review Official Protocol is described in "Exhibit T."

B. Electronic Review - Line Calling (See ATP Addendum, page 390)

M. Continuous Play/Delay of Game

Play shall be continuous, except that a maximum of twenty-five (25) seconds may elapse from the moment the ball goes out of play at the end of one point to the time the ball is struck for the next point, except at a ninety (90) second changeover or a one hundred and twenty (120) second set break. The procedures for enforcing this rule are as follows:

1) Time Between Points. 25 Seconds/Continuous Play

- a) **Start Stop Watch.** The Chair Umpire must start the stopwatch after the ball goes out of play or when the players are ordered to play.
- b) **Time Violation or Code Violation.** A Time or Code Violation must be assessed if the ball is not struck for the next point within the twenty-five (25) seconds allowed, except if the Chair Umpire extends the time for special circumstances defined by ATP. There is no time warning prior to the expiration of the twenty-five (25) seconds.

2) 90 Seconds/Change-Over (Changing Ends)

- a) **Start Stop Watch.** The Chair Umpire must start the stopwatch the moment the ball goes out of play.
- b) **"Time."** The Chair Umpire must announce to players "Time" after one (1) minute has elapsed. If requested, prior to the match, by a television broadcaster, the Chair Umpire shall have the authority to delay the start of play until the end of the ninety (90) second changeover period.
- c) **"15 Seconds."** The Chair Umpire may announce to players "15 Seconds" if the players are still at their chairs and/or have not started toward their playing positions.
- d) **Time Violation or Code Violation.** The Chair Umpire must assess a Time Violation or, when applicable, a Code Violation (after a medical time-out or treatment) if the ball is not struck for the next point within the ninety (90) seconds / one hundred twenty (120) seconds allowed, provided there has been no interference which prevented the Server from serving within that time or a delay by the Chair Umpire.

3) 120 Seconds/Set Break

- a) **Start Stop Watch.** The Chair Umpire must start the stopwatch the moment the ball goes out of play.
- b) **"Time"**. The Chair Umpire must announce to players "time" after 90 seconds has elapsed. If requested, prior to the match, by a television broadcaster, the Chair Umpire shall have the authority to delay the start of play until the end of the one hundred twenty (120) second set break.
- c) **"15 Seconds."** The Chair Umpire may announce to players "15 Seconds" if the players are still at their chairs and/or have not started toward their playing positions.

VII. THE COMPETITION

- d) **Time Violation or Code Violation.** The Chair Umpire must assess a Time Violation or, when applicable, a Code Violation (after a medical time-out or treatment) if the ball is not struck for the next point within the one hundred twenty (120) / one hundred fifty (150) seconds allowed, provided there has been no interference which prevented the server from serving within that time or a delay by the Chair Umpire.
- 4) **Not Playing to the Reasonable Pace of the Server**
- a) **Start Stop Watch.** The Chair Umpire must start the stopwatch when the player is ordered to play or the moment the ball goes out of play.
- b) **Time Violation or Code Violation.** The Chair Umpire must assess a Code Violation if the receiver is employing “gamesmanship.” The Chair Umpire must issue a Time Violation before the expiration of twenty-five (25) seconds if the receiver’s actions delay the reasonable pace of the server.
- 5) **Stoppage and Postponement of a Match**
- a) The Chair Umpire may stop a match temporarily because of or conditions of the grounds or weather. Any such stoppage by a Chair Umpire must be reported immediately to the Supervisor. Once a match is stopped and until a match is postponed, the Chair Umpire must ensure that he, the players and all on-court officials remain ready to resume the match. The Supervisor makes the decision to postpone a match until a later day.
- b) Upon stoppage or postponement by the Supervisor, the Chair Umpire shall record the time, point, game and set score, the name of the server, the side on which each player was situated and shall collect all balls in use for the match.
- 6) **Warm up / Re-warm up.**
- There shall be a four (4) minute warm-up before a match and in the case of a stopped or postponed match, the period of warm-up shall be as follows:
- a) 0-15 minutes delay — No warm-up;
- b) more than 15 minutes but less than 30 minutes — Three (3) minutes of warm-up; and
- c) 30 or more minutes of delay — Four (4) minutes of warm-up [Five (5) minutes at Challengers].

N. Video Review (“VR”)

The use of VR to determine specific judgment calls is approved for use at events where there is Electronic Line Calling (“ELC”) and the VR system has been approved by ATP.

The protocol for use is as follows:

- a) **Reviewable calls**
- i) Not-up – ball bounced more than once prior to contact.
- ii) Foul shot – player carries the ball on the racquet, player contacts the ball before it crosses the net, player’s racquet touches the ball while not under the control of the player.
- iii) Touch – ball touches player, or anything he is wearing or carrying (except racquet), player touches net while ball is in play.
- iv) Invasion – player touches the opponent’s court with any part of his body or his racquet while the ball is in play.
- v) Through – the ball passes through the net instead of passing over the net.
- vi) Hindrance – any decision on whether a point should be awarded, or the

VII. THE COMPETITION

- point should be replayed. Most common use of this would be a call corrected from out to good and whether the player had a play on the ball.
- vii) Original Call Stands – when a challenge to a line call has properly been made and the line review system is unable to make a determination, the chair umpire may review the call for clear evidence that confirms or overturns the call on the court.
- viii) Foot-faults
- ix) Scoring error
- b) **Process**
- i) When a reviewable call is challenged, the VR operator will find, through the various camera angles available, the best view of the incident.
- ii) The VR operator will then send the video to a screen attached to the Chair Umpire’s chair.
- iii) The Chair Umpire will review the video and determine if there is clear evidence to support the original decision or to overturn the decision.
- iv) If there is no clear evidence, then the original decision stands.
- c) **Limit to Challenges**
- i) Each player will be limited to three (3) incorrect challenges during the set.
- ii) If any set reaches 6-all, each player will receive one (1) additional challenge.
- iii) A review under a) vii) above shall not be recorded as a won/lost challenge.

O. Time and Equipment Cases

Crowd Movement

Case: *The server is given a Time Violation for going beyond the 25 seconds that is allowed between points. The server claims that he should have been given additional time because there were some spectators taking their seats.*

Decision: *The Time Violation stands. The continuous play procedures shall be in effect regardless of spectator movement unless the Chair Umpire believes the movement is intended as a deliberate attempt to distract a player(s) or occurs in the designated lowest tier of seats.*

Ball Person as Personal Valet

Case: *A player receives a time violation from the Chair Umpire while waiting for the ball person to retrieve a towel. The player claims the ball person caused the delay.*

Decision: *The Time Violation stands. Toweling off between points with or without the help of a ball person is not a valid reason for delay.*

Time Violation, No Play, Results in Code

Case: *A player, upon hearing a Time Violation, comes to the Chair Umpire and asks “Why?” He receives an explanation followed by “Let’s Play”. The player continues his discussion and is given a Code Violation. The player appeals to the Supervisor saying he should have received a Time Violation, Point Penalty.*

Decision: *The Chair Umpire suspends play and calls for the Supervisor. Upon arrival, the Supervisor affirms the decision of the Chair Umpire as the player was directed to play when the Chair Umpire said “Let’s Play.”*

VII. THE COMPETITION

Time Violation + 25 Seconds = Code

Case: A player receives a time violation while standing at the back fence. He does not move to play and the Chair Umpire says, "Let's play". After another 25 seconds elapses, what does the Chair Umpire do?

Decision: A Code Violation is announced, (and possibly an inquiry, such as, "Are you OK?") followed by "Let's Play".

Two Explanations are Enough

Case: A player asks for an explanation and is given one. He then raises another point and receives another response. How long may this go on?

Decision: Normally only twice since continuous play provisions are not being complied with. After two brief responses, the Chair Umpire announces "Let's Play" and subsequently issues a Code Violation if the ball is not in play as a result of that player's action.

Changing Shoes

Case: May a player receive extra time on a changeover in order to change his shoes and/or socks? If yes, how many times may he do so during the course of the match?

Decision: Yes. The Chair Umpire may allow a reasonable extension of the allotted changeover time in order for a player to change his shoes and/or socks. The player should not be allowed to leave the court in this instance. The player is limited to one change per match when extra time is granted unless the provisions for "equipment out of adjustment" take precedent. In that case, the Chair Umpire has the authority to decide each request on its own merit.

Contact Lens

Case: During a match, a player requests permission to leave the court in order to put in a contact lens.

Decision: The request to leave the court is denied. Contact lenses shall not be considered as equipment out of adjustment unless the player is wearing them at the time of the incident.

Note - Every attempt should be made to assist the player so that he may put the contact lenses in during the changeover.

Time: Refusal to Play

Case: After several close calls that go against him, a player comes to his chair on the changeover and says, "I'm not playing until the Line Umpire Crew is changed". After the Chair Umpire calls "Time", the player says, "I told you I'm not playing until the Line Umpires are changed". What should the Chair Umpire do?

Decision: The Chair Umpire should order the player to play and after 25 seconds use the Point Penalty Schedule.

Re-Gripping Racquet

Case: During a change of ends, while a player is re-taping the grip of his racquet, the Chair Umpire calls time. The player walks out to the baseline still taping the grip. At the end of the 90 seconds, the player has failed to commence his serve and is still working on the grip.

VII. THE COMPETITION

Decision: The Chair Umpire issues a Time Violation. The racquet is not equipment out of adjustment and therefore the player must serve within the allotted time. (Rules of Tennis, "Rule 29".) Similarly, adjusting the position of the strings or fixing string savers is not an excuse for delaying play.

Replacing Shoes

Case: During a match, a player requests permission to leave the court area to retrieve another pair of tennis shoes. He states that he is slipping and wants to get a pair of shoes with a different sole from his locker.

Decision: The request is denied. However, the Chair Umpire should use all possible means to have the shoes retrieved and brought to the court. This is not considered "Equipment Out of Adjustment". The shoes could have been brought to the court with the player and changed on-court; however, once he has the shoes, reasonable time is allowed for the change.

Shoe Breaks

Case: A player breaks his shoe and he needs to change, but his second pair is in the locker room.

Decision: The Chair Umpire should stop play and allow the player to get shoes.

No Play After 90 Seconds

Case: A player is not ready to play after the ninety (90) second changeover (no injury involved).

Decision: A Time Violation is announced. "Let's Play" is normally added. The same applies if a player is not ready to play after the 120-second set break.

P. Toilet Break

- 1) A player may be permitted to leave the court for a toilet break. A player is entitled to one (1) toilet break during a best of three set match and two (2) toilet breaks during a best of five set match. Toilet breaks should be taken on a set break and can be used for no other purpose.
 - a) For doubles, each team is entitled to a total of two (2) toilet breaks in all matches. If partners leave the court together, it counts as one (1) of the team's authorized breaks.
- 2) Any time a player leaves the court for a toilet break, it is considered one of the authorized breaks regardless of whether or not the opponent has left the court.
- 3) Any toilet break taken after the warm-up has started is considered one of the authorized breaks. Additional breaks will be authorized, but will be penalized in accordance with the Point Penalty Schedule if the player is not ready within the allowed time.

Toilet Visit

Case: In a best of three (3) set match, a player has used his one toilet visit. The player informs the Chair Umpire that at the next changeover he would like to take another toilet visit prior to his serving.

Decision: The Chair Umpire may allow a player to leave the court but must inform the player that any delay beyond the 90 seconds

VII. THE COMPETITION

will be penalized in accordance with the Point Penalty Schedule.

Toilet Visit: When Does Play Resume?

Case: *After play has been suspended for an authorized toilet visit, when does the “clock” start to resume play?*

Decision: *When the player returns to the court and has had the opportunity to retrieve his racquet, then the Chair Umpire should announce “Time”. This announcement shall signal the players to resume the match.*

Q. Medical

1) Medical Condition

A medical condition is a medical illness or a musculoskeletal injury that warrants medical evaluation and/or medical treatment by the Physiotherapist during the warm-up or the match.

a) Treatable Medical Conditions

- i) **Acute medical condition:** the sudden development of a medical illness or musculoskeletal injury during the warm-up or the match that requires immediate medical attention.
- ii) **Non-acute medical condition:** a medical illness or musculoskeletal injury that develops or is aggravated during the warm-up or the match and requires medical attention at the changeover or set break.

b) Non-Treatable Medical Conditions

- i) Any medical condition that cannot be treated appropriately, or that will not be improved by available medical treatment within the time allowed.
- ii) Any medical condition (inclusive of symptoms) that has not developed or has not been aggravated during the warm-up or the match.
- iii) General player fatigue.
- iv) Any medical condition requiring injections or intravenous infusions, except for diabetes, for which prior medical certification has been obtained, and for which subcutaneous injections of insulin may be administered. For the avoidance of any doubt, the use of supplemental oxygen is not permitted at any time.

2) Medical Evaluation

During the warm-up or the match, the player may request through the Chair Umpire for the Physiotherapist to evaluate him during the next change over or set break. Only in the case that a player develops an acute medical condition that necessitates an immediate stop in play may the player request through the Chair Umpire for the Physiotherapist to evaluate him immediately.

The purpose of the medical evaluation is to determine if the player has developed a treatable medical condition and, if so, to determine when medical treatment is warranted. Such evaluation should be performed within a reasonable length of time, balancing player safety on the one hand, and continuous play on the other. At the discretion of the Physiotherapist, such evaluation may be performed in conjunction with the tournament Doctor, and may be performed off-court. *

If the Physiotherapist determines that the player has a non-treatable medical condition, then the player will be advised that no medical treatment will be allowed.

* It is recognized that national laws or governmental or other binding regulations imposed upon the event by authorities outside its control may require

VII. THE COMPETITION

more compulsory participation by the tournament Doctor in all decisions regarding diagnosis and treatment.

3) Medical Time-Out

A medical time-out is allowed by the Supervisor or Chair Umpire when the Physiotherapist has evaluated the player and has determined that additional time for medical treatment is required. The medical time-out takes place during a change over or set break, unless the Physiotherapist determines that the player has developed an acute medical condition that requires immediate medical treatment.

The medical time-out begins when the Physiotherapist is ready to start treatment. At the discretion of the Physiotherapist, treatment during a medical time-out may take place off-court, and may proceed in conjunction with the tournament Doctor.

The medical time-out is limited to three (3) minutes of treatment. However, at professional events with prize money of \$50,000/€43,000 or less, the Supervisor may extend the time allowed for treatment if necessary.

A player is allowed one (1) medical time-out for each distinct treatable medical condition. All clinical manifestations of heat illness shall be considered as one (1) treatable medical condition. All treatable musculoskeletal injuries that manifest as part of a kinetic chain continuum shall be considered as one (1) treatable medical condition.

A total of two (2) consecutive medical time-outs may be allowed by the Supervisor or Chair Umpire for the special circumstance in which the Physiotherapist determines that the player has developed at least two (2) distinct acute and treatable medical conditions. This may include: a medical illness in conjunction with a musculoskeletal injury; two or more acute and distinct musculoskeletal injuries. In such cases, the Physiotherapist will perform a medical evaluation for the two or more treatable medical conditions during a single evaluation, and may then determine that two consecutive medical time-outs are required.

4) Muscle Cramping

A player may receive treatment for muscle cramping only during the time allotted for changeovers and/or set breaks. Players may not receive a medical time-out for muscle cramping. In cases where there is doubt about whether the player suffers from an acute medical condition, non-acute medical condition inclusive of muscle cramping, or non-treatable medical condition, the decision of the Physiotherapist, in conjunction with the tournament Doctor, if appropriate, is final. There may be a total of two (2) full change of ends treatments for muscle cramping in a match, not necessarily consecutive.

Note: A player who has stopped play by claiming an acute medical condition, but is determined by the Physiotherapist and/or tournament Doctor to have muscle cramping, shall be instructed by the Chair Umpire to resume play immediately.

If the player cannot continue playing due to severe muscle cramping, as determined by the Physiotherapist and/or tournament Doctor, he may forfeit the point(s)/game(s) needed to get to a change of end or set-break in order to receive treatment.

If it is determined by the Chair Umpire or Supervisor that gamesmanship was involved, then a Code Violation for Unsportsmanlike Conduct could be issued.

VII. THE COMPETITION

5) Medical Treatment

A player may receive on-court medical treatment and/or supplies from the Physiotherapist and/or tournament Doctor during any changeover or set break. As a guideline, such medical treatment should be limited to two (2) changeovers/set breaks for each treatable medical condition, before or after a medical time-out, and need not be consecutive. Players may not receive medical treatment for non-treatable medical conditions.

6) Penalty

After completion of a medical time-out or medical treatment, any delay in resumption of play shall be penalized by Code Violations for Delay of Game.

Any player abuse of this medical rule will be subject to penalty in accordance with the Unsportsmanlike Conduct section of the Code of Conduct.

7) Bleeding

If a player is bleeding, the Chair Umpire must stop play as soon as possible, and the Physiotherapist should be called to the court for evaluation and treatment. The Physiotherapist, in conjunction with the tournament Doctor if appropriate, will evaluate the source of the bleeding, and will request a medical time-out for treatment if necessary.

If requested by the Physiotherapist and/or tournament Doctor, the Supervisor or Chair Umpire may allow up to a total of five (5) minutes to assure control of the bleeding.

If blood has spilled onto the court or its immediate vicinity, play must not resume until the blood spill has been cleaned appropriately.

8) Vomiting

If a player is vomiting, the Chair Umpire must stop play if vomiting has spilled onto the court, or if the player requests medical evaluation. If the player requests medical evaluation, then the Physiotherapist should determine if the player has a treatable medical condition, and if so, whether the medical condition is acute or non-acute.

If vomiting has spilled onto the court, play must not resume until the vomit spill has been cleaned appropriately.

9) Physical Incapacity

During a match, if there is an emergency medical condition and the player involved is unable to make a request for a Physiotherapist, the Chair Umpire shall immediately call for the Physiotherapist and tournament Doctor to assist the player.

Either before or during a match, if a player is considered unable physically to compete at a professional level, or poses a significant health risk to players, officials or Tournament staff, the Physiotherapist and/or tournament Doctor should inform the Supervisor and recommend that the player is ruled unable to compete in the match to be played, or retired from the match in progress. Additionally, if the Supervisor, in consultation with the tournament Doctor, Physiotherapist, or a representative of the ATP Medical Advisory Board, determines that a player's participation in a tournament match may put the player at risk due to a life threatening or otherwise serious medical problem, the Supervisor has the authority to rule a player ineligible to compete.

VII. THE COMPETITION

The Supervisor shall use great discretion before taking this action and should base the decision on the best interests of professional tennis, as well as taking all medical advice and any other information into consideration.

When the Supervisor has ruled a player ineligible to play due to circumstances involving a life threatening or otherwise serious medical condition, the player may return to play and be deemed eligible upon receipt by ATP of a written statement from the player's personal physician concluding that the player's medical condition is sufficient to play in competition, and the Supervisor, following consultation with the tournament Doctor and/or a representative of ATP Medical Advisory Board (who may require that the player undergo additional testing and obtain a written statement clearing player to return to competition from a specialist physician), indicates that the player is eligible to play.

For retirements or withdrawals that are not deemed to be life threatening or otherwise serious medical condition, the player may subsequently compete in another event at the same tournament if the tournament Doctor determines that the player's condition has improved to the extent that the player may safely physically perform at an appropriate level of play or no longer poses a significant health risk to players, officials or Tournament Staff, whether the same day or on a later day.

R. Medical Cases

Delayed Medical Time-Out

Case: *A player has an accidental injury and asks to have a medical time-out during the next changeover. What procedure should be used for timing the treatment if the Physiotherapist arrives?*

A. *30 seconds into the changeover?*

B. *After 60 seconds has elapsed on the changeover?*

Decision A: *The Physiotherapist has 3 1/2 minutes [but, as a minimum, he has three (3) minutes to treat after completing his diagnosis] to treat the player before the Chair Umpire announces "Time". The player then has 30 seconds to play, subject to the Point Penalty Schedule.*

Decision B: *The Chair Umpire stops the clock at 60 seconds and stops play until the Physiotherapist is ready to treat the player. The three-minute medical time-out begins, and after the Chair Umpire announces "Time", the player has 30 seconds to play or be subject to the Point Penalty Schedule.*

Equipment Out of Adjustment (Knee Brace)

Case: *During play, a player's knee brace becomes out of adjustment. The player requests time to repair his knee brace.*

Decision: *The player is allowed reasonable time to repair his knee brace without penalty. Any medical apparatus worn by a player shall be considered as equipment in regards to "Equipment Out of Adjustment".*

Exceeding 90 Seconds: Code Violation

Case: *If a player is receiving treatment by the Physiotherapist on a 90-second change-over, and the treatment goes over the allowed 90 seconds, what happens?*

VII. THE COMPETITION

Decision: When the Chair Umpire says “Time”, the player must put the ball in play within 30 seconds. Any delay after that will result in a Code Violation.

Medical Time-Out and Re-Warm-Up

Case: If eight (8) minutes elapse before the Physiotherapist arrives and treatment begins two (2) minutes later (the medical time-out begins) and is completed after another three (3) minutes, is a re-warm-up authorized?

Decision: No, a re-warm-up is not authorized.

Medical Time-Out Request Honored?

Case: A player asks for the Physiotherapist. After examination, it is determined by the Physiotherapist that the player is suffering from general fatigue that may not be improved by on-court medical treatment. What course of action should the Chair Umpire take?

Decision: The Chair Umpire announces, “Let’s Play”, after the Physiotherapist completes his diagnosis. Delays will be penalized in accordance with the Point Penalty Schedule. The Chair Umpire has the option to issue a Code Violation for Unsportsmanlike Conduct in unusual cases.

Medical Time-Out Starts When?

Case A: When does a medical time-out begin?

Decision A: Medical time-out begins when the Physiotherapist arrives and is ready and able to treat the player. Thus, the Physiotherapist has completed his examination/diagnosis and the medical time-out starts when the Physiotherapist begins treating the player.

Case B: A player asks to see the Physiotherapist during the middle of a game although the Chair Umpire observed no accidental injury. What should the umpire do?

Decision B: First, tell the player that you will call the Physiotherapist and he can see him at the changeover. If the player insists that he cannot continue, then stop play and call the Physiotherapist. The Physiotherapist will make the decision, upon examining the player, whether a medical time-out is needed.

Only 90 Seconds to Re-Tape

Case: A player turns his ankle, which is taped by the Physiotherapist, and then on the next changeover wants the ankle re-taped.

Decision: The Chair Umpire may authorize the re-taping which must be completed within the 90-second changeover or the Point Penalty Schedule applies.

Penalties After Medical Time-Out

Case: When is the player penalized for going over three minutes on a medical time-out?

Decision: After the Chair Umpire says “Time”; the player must put the ball in play within 30 seconds. Any delay after that will result in a Code Violation. The player is allowed the time necessary to put on shoes, socks, ankle supports, etc.

Case: A player receives treatment on a changeover or receives a Medical Time-Out. The player is then slow to resume play after

VII. THE COMPETITION

“Time” has been called. What is the appropriate penalty?

Decision: The appropriate Delay of Game Penalty (Warning, Point, Game).

Case: After receiving treatment for cramping on the changeover, a player plays one or more points and then is slow to resume play. If the player goes over the allowed time, what penalty does the player receive?

Decision: The appropriate Time Violation (Warning, Point/Fault).

Re-Injury

Case: A player injures his ankle and is granted a three (3) minute medical time-out by the Physiotherapist. Five (5) games later, the player asks for another medical time-out claiming that he has re-injured the same ankle.

Decision: The Chair Umpire shall call for the Physiotherapist who shall determine upon examination whether or not a three (3) minute medical time-out is authorized.

Resuming Play After a Medical Time-Out

Case A: After an injury and a four-minute suspension (by the Chair Umpire) for the arrival of the Physiotherapist, the Physiotherapist arrives and completes the treatment in one and 1/2 minutes. When does play resume?

Decision A: Immediately.

Case B: After a player becomes injured, the Physiotherapist treats the player in two (2) minutes. When should play resume?

Decision B: Immediately when the player and Physiotherapist are satisfied with the treatment administered, but the treatment is not to exceed three (3) minutes.

Tape Is Not “Equipment Adjustment”

Case: During play, a player requests play to be suspended in order for him to adjust the tape on his ankle.

Decision: Play must continue. Taping is not considered as “Equipment Out of Adjustment”.

Note: The Physiotherapist may be called to make adjustments during the 90-second changeover; however, any delays shall be penalized in accordance with the Point Penalty Schedule. If the player makes the adjustment without the help of the Physiotherapist and violates the continuous play rule, then the player shall be penalized in accordance with the penalties set forth under “Unreasonable Delay”, i.e., Time Violation.

Treatment for Fatigue

Case: May a Physiotherapist put his hands on a player suffering from what appears to be fatigue?

Decision: Yes. The Physiotherapist then makes the decision regarding a medical time-out.

Treatment: Within 90 Seconds

Case: After an even game, a player asks to see the Physiotherapist on the next changeover. The next game ends and 90 seconds elapse without the Physiotherapist arriving on-court. The player

VII. THE COMPETITION

asks that the changeover time be extended so that he may receive treatment. His rationale is that the Physiotherapist's arrival to the court is not the player's fault.

Decision: The Chair Umpire suspends play until the Physiotherapist examines the player and determines whether a medical Time-out is needed.

When to Take a Medical Time-Out?

Case: What happens if a player is injured during a match and decides not to take his injury time-out right away? (Before the end of the next change-over)

Decision: A player may call for the Physiotherapist at any time. The Physiotherapist shall determine whether the medical time-out is to be authorized.

Chair Umpire Orders Medical Time-Out

Case: A player has an accidental ankle injury and the Chair Umpire believes that continued play will result in non-professional play. May the Chair Umpire stop play (and call for the Physiotherapist)?

Decision: Yes.

Singles Retirement: Still in Doubles?

Case: A player retires from his singles match because of illness or medical reason. May he compete in the doubles competition?

Decision: If upon examination by the tournament Doctor after the retirement and again before the player's scheduled doubles match, it is determined that the player's condition has "improved" to the extent that he can compete at a professional level, then the player may continue in the doubles competition. If the player's condition has not improved then he must not be allowed to compete in the doubles.

S. Miscellaneous Officiating Cases and Decisions

Broken String: First Service Fault

Case: On a first service fault, the receiver breaks a string.

Decision: In Singles matches If the receiver changes his racquet, then a first serve will be awarded to the server. If the receiver elects not to change racquets, then the server must play a second serve.

In Doubles matches if the receiver changed the racquet with his partner the Chair Umpire should award a second serve unless in his opinion the replacement time was such that the server was delayed in his delivery of a serve.

Broken String: First Service Let

Case: The receiver breaks a string on a first service let.

Decision: The receiver must change racquets. A player is allowed to finish the point with a broken string but may not start a point with a broken string.

Broken String: No Racquets

Case: The player breaks a string in his last racquet.

Decision: The player is not allowed to continue with broken strings. The player is subjected to the penalties set forth in the Point Penalty System for Unreasonable Delay.

VII. THE COMPETITION

Receiver Not Ready

Case: The receiver is not ready but looks up as the second serve is hit, reflexes a return and says, "wait."

Decision: Second serve. The server should observe that the receiver is ready. (If the Chair Umpire believes that gamesmanship is involved on the part of the receivers, then he may issue a code violation for Unsportsmanlike Conduct).

Ball Hits Net Post Signage

Case: The ball, while in play, hits the top of the ATP net signage and goes into the proper court.

Decision: ATP net signage will be considered permanent fixtures (other than the net, posts, singles sticks, cord or metal cable, strap or band) and will result in the loss of point.

Ball hits Overhead Camera Cable

Case: A player throws up a lob which is over the court and it hits the cable supporting Spider Cam which is positioned diagonally across the court from the service line to baseline. Is the point awarded to the opponent; is the point replayed; or does play continue?

Decision: The cable is considered a permanent fixture and therefore, it is a loss of point.

Invasion: Ball in Play

Case: A player's dampening device flies out of his racquet and touches the net or goes into his opponent's court.

Decision: If the ball was still in play, the player loses point. The dampening device shall be considered a part of the racquet.

Invasion: No Replay

Case: After the point has been completed, player discovers opponent's dampening device lying in his court. The player claims a point based on Rules of Tennis, rule "Rule 24").

Decision: The point stands as played. Since the Chair Umpire did not see the dampening device land in the opponent's court, he may not rule that an invasion occurred. Invasion occurs only when the ball is in play. Since the Chair Umpire did not know the timing of the incident, he may not assume that an invasion did occur.

Player Hits Net Pipe Support

Case: A player touches a "pipe support" with his foot while the ball is in play.

Decision: In this case the "pipe support" is to be considered as part of the net; thus if a player touches it while the ball is in play, he loses the point.

Touching Net or Opponent's Court

Case: If while the ball is in play a player's foot slides under the net but does not touch the net, should this still be considered a "touch" since the net should have extended fully to the court surface?

Decision: No. This cannot be considered a "touch" if the player did not actually touch the net. It is likely, however, that an invasion has occurred from the player's foot touching his opponent's court. If this did occur, then the Chair Umpire shall call an "invasion" and award the point to the player's opponent.

VII. THE COMPETITION

Ball Touches Net Pipe Support

Case: The ball falls over the net and hits the “pipe support” used on indoor courts.

Decision: In this case, the “pipe support” is to be considered as part of the court; thus when the ball hit the pipe, it would be ruled as a first bounce.

Player Touches Net Outside of Singles Stick

Case: A player runs for a drop shot and returns it into the opponent’s court and then runs into net between net post and singles stick. What is the ruling?

Decision: Play continues. This part of the net is considered a permanent fixture.

Ball Rolls Onto Court

Case: After a first service fault, a ball comes into the court from another court.

Decision: If the server has started his motion, then a first serve shall be awarded. In other cases, a second serve shall be played unless in the opinion of the Chair Umpire the delay was unusually long and unfairly disrupted the rhythm of the server.

Umpire Unsighted

Case: A Line Umpire is unsighted and the Chair Umpire cannot make the decision.

Decision: The point is replayed, except in the case where it was discovered after the point had been completed that during a rally a Line Umpire had been unsighted. In that case, the point would stand as played.

Intimidating Line Umpire

Case: A serve is hit near the sideline and the receiver, hearing no call, immediately turns around and screams at the Line Umpire. The Line Umpire, who had signaled good, then calls and signals out.

Decision: The Chair Umpire rules the serve good based on the Line Umpire’s original call. The Supervisor, if called, upholds the Chair Umpire’s decision based on an official not changing his call based on a player appeal.

Note: The Chair Umpire may have to ask for the Line Umpire’s original call if he is uncertain or disregard the Line Umpire’s call and make the call himself.

Service Order

Case: In a doubles match, Team A serves out of order. After two points have been played, the Chair Umpire realizes the mistake.

Decision: The Chair Umpire should correct the mistake immediately.

Receiving Order

Case: In a doubles match, the players on the team switched their receiving positions during the set. When this is realized, what action should the Chair Umpire take?

Decision: The original receiving positions of each player on that team must be taken after the completion of the game in progress.

VII. THE COMPETITION

If error occurred during a tie break, then the receiving order shall remain as altered until the completion of the tie break game.

7.23 Line Umpire Requirement, Positions and Calls

A. Number for Matches

- 1) **Full Complement of Line Umpires.** If a Chair Umpire has a full complement of Line Umpires, then the assignments shall be as follows:
 - a) Base, side, center service and service Line Umpires call all “Outs” and “Faults” for their respective lines.
 - b) Net judge calls all “Nets” and “Throughs” (if designated by the Chair Umpire), measures the net height at the beginning of each set and administers the ball changes. A net device may be authorized for use.
 - c) Base, side and center service Line Umpires call “Foot Faults” on their respective lines.
 - d) Chair umpire calls all “Lets,” “Foul Shots,” “Foul Strokes,” “Hindrances,” “Not Ups” and “Touches.”
 - e) Line umpires shall not be permitted to call through the net.
- 2) **Less than a Full Complement of Line Umpires.** If less than a full complement of Line Umpires is available, the following should be used (Sufficient Line Umpires must be assigned in the main draw so that the Chair Umpire is not solely responsible for calling any one line.):
 - a) **Seven (7) Line Umpires.** All long lines are called only up to the net. Serves are called from the receiver’s end and the center Line Umpire returns to his assigned sideline after the serve is put into play, i.e., there is movement during the point. The assignments for seven (7) Line Umpire crew are as follows:
 - i) Four (4) side Line Umpires, one of who calls the receiver’s center service line; after the serve is put into play, this umpire returns to his assigned side line. (The umpire calling the center service line on the receiver’s end moves during the point when he returns to his assigned side line after the serve is put into play.). In addition, the side Line Umpire on the receiver’s end shall alternate calling the center service line of the “deuce” and “advantage” courts, moving between points.
 - ii) One Line Umpire calls serves at each end of the court.
 - iii) One Line Umpire calls each base line (2).
 - iv) Chair umpire calls all “Lets,” “Not Ups,” “Foul Shots,” “Touches,” “Hindrances” and “Throughs.”
 - b) **Six (6) Line Umpires.**
 - i) Three (3) umpires cover the long lines; the side service lines are called through the net from the server’s end of court and the center service line is called from the receiver’s end.
 - aa) There is no movement during a point.
 - ii) One Line Umpire calls serves at each end of the court.
 - iii) One Line Umpire calls each base line (2).
 - iv) Chair umpire calls all “Lets,” “Not Ups,” “Foul Shots,” “Touches,” “Hindrances” and “Throughs.”
 - c) **Five (5) Line Umpires.** The assignments are the same as for the six (6) man crew, except that the center service Line Umpire shall move after the serve to the side line.

VII. THE COMPETITION

- d) **Four (4) Line Umpires.** The assignments are the same as for the five (5) man crew, except that the Chair Umpire, depending on personal preference and court surface, selects the lines that he will call.
- e) **Less Than Four (4) Line Umpires.** The Chair Umpire shall assign the Line Umpires to the best advantage possible.
- f) **Umpiring Without Line Umpires.** If a Chair Umpire is required to umpire a match without any Line Umpires, or without a full complement of Line Umpires, then the Chair Umpire must make the calls for the net and all unattended lines. If the Chair Umpire is unable to give a decision on a call or other questions of fact, then he must order a “Let” to be played.

Players Don’t Call Lines

Case: In ATP Tour or ATP Challenger Tour qualifying events where approval has been granted to use less than five (5) Line Umpires per match; may the Chair Umpire designate certain or all lines for the players to make the calls?

Decision: No. If a Chair Umpire is required to umpire a match without any Line Umpires or without a full complement of Line Umpires, then the Chair Umpire must make the calls for the net and all unattended lines.

B. Hand Signals of Line Umpires

The approved hand signals are as follows:

- 1) **“Out” or “Fault.”** The arm should be fully extended sideways at shoulder height, pointing in the direction in which the ball has fallen, palm of the hand facing the Chair Umpire, fingers extended and joined. If the ball falls out of the court to the left or the right, the left or right arm as the case may be is extended after the verbal call of “Out” or “Fault” (as applicable) is made. The hand signal is in addition to and is secondary to the verbal call of “Out” or “Fault”; the hand signal must never be used instead of the verbal call.
- 2) **“Good Ball.”** The hands shall be pointed down with palms down and fingers extended together. There is no verbal call for a good ball. The hand signal is used in silence and only when necessary to verify that a close ball was good.
- 3) **“Un sighted.”** The hands are placed beneath the eyes facing in the direction of the Chair Umpire but not affecting the vision of the Line Umpire. The hand signal verifies that a Line Umpire is unable to call a ball because of his vision being obscured. There is no verbal call for a Line Umpire being unsighted and the hand signal is used in silence.

7.24 Scoring of Match

A. Manual

The Chair Umpire shall mark his scorecard in accordance with the following:

- 1) **Pre-Match.** Before the pre-match meeting with the players, ensure the completion of the information requested on the scorecard such as name of tournament, round, players’ names, etc.
- 2) **Toss.** After the “toss,” note who won the toss, their election, etc.
- 3) **Warm-Up.** Note the time that the warm-up begins.

VII. THE COMPETITION

- 4) **Time.** Note the time play begins and concludes in each set.
- 5) **Sides For Serve.** Note the initials of each player in the order of their serves and also on the side of the scorecard corresponding to their proper sides of the court.
- 6) **Ball Change.** Mark in advance the game for which a ball change will be made on the left side of the scorecard.
- 7) **Points.** Points should be made by slanted marks in the boxes on the scorecard and/or by the following code:
 - “A” - Ace
 - “D” - Double Fault
 - “C” - Code Violation
 - “T” - Time Violation
 - “.” - First Service Fault (a dot shall be made in the middle of the bottom line of the Server’s box).
- 8) **Games.** Games may be marked by either of the following methods:
 - a) **Method A.** The cumulative total of games won by each player is set out in the “Games” column at the end of each game; and
 - b) **Method B.** The cumulative total of games won by the winner of each game only is set out in the “Games” column at the end of each game.

B. Handheld Device

Instructions will be provided on-site at ATP Tour tournaments for the operation of the handheld scoring device.

C. Point Penalty Card

The Chair Umpire must mark his Point Penalty Card in accordance with the following:

- 1) **Post-Match.** If a Code Violation, Time Violation or Post Match incident occurs, complete the information requested on the Point Penalty Card, such as name of tournament and a summary of the incident.
- 2) **Rules Violation.** The violation should be checked and the Code section noted for each violation.
- 3) **Statement of Facts.** A contemporaneous statement should be made of all the facts (who, what, when, where and why) of the violation quoting verbatim any statements made that are considered to be obscene or abusive.

7.25 Announcing

A. Calls of On-Court Officials

The verbal calls of the on-court officials shall be made loudly and clearly in English and any other appropriate language as follows:

- 1) **“Fault.”** If either the first or second service fails.

- 4) If a Chair Umpire wants the Supervisor to assess an immediate default, he is to announce “Code Violation, Supervisor to the court.”
- 5) A player cannot appeal to the Chair Umpire for the withdrawal of a “Time Violation” or “Code Violation” given to his opponent.

VII. THE COMPETITION

C. Language - Chair Umpire

Chair umpires should announce matches in the language of the tournament and subsequently in English. Conversations between the Chair Umpire and player may be in any language; however, if the language used is not English, then the Chair Umpire must be prepared to advise the other player of the nature of the discussion.

D. Medical Time-Out

The following are examples of announcements to be made when there is a medical time-out:

When the Chair Umpire decides to call for the Physiotherapist, the Chair Umpire shall announce:

“The Physiotherapist has been called to the court.”

After a three (3) minute time-out is authorized, the Chair Umpire should make the public announcement of:

“Mr._____is now receiving a medical time-out.”

The following announcements are to be made privately to the Physiotherapist and both players/teams:

“Two (2) minutes remaining”

“One (1) minute remaining”

“Thirty (30) seconds remaining”

“Treatment complete”

“Time” (public)

Once the “Treatment complete” notice has been given to the Physiotherapist and both players/teams, then if needed, the player should be given the time necessary to put on socks and shoes before “Time” is called.

If there is no play after an additional thirty (30) seconds, the delay is penalized in accordance with the Point Penalty Schedule.

E. Player Introductions

The following are examples of announcing statements to be used for player introductions:

- 1) If the introduction of players is to be made from the chair, then during the warm-up, the Chair Umpire says: “This is a ___round singles/doubles match, best of three (3) tie-break sets. To the right of the chair _____(full name) and to the left of the chair _____(full name)._____(full name)won the toss and elected to _____.”
- 2) If the introduction of players is made by a tournament announcer, then before each player’s first service game the Chair Umpire says: “_____(full name) to serve.” (optional - “first set”).

F. Score

The following are examples of announcing statements to be used for scoring:

VII. THE COMPETITION

- 1) The Server's score is always called first, except in the Tie-break.
- 2) The score is announced: Fifteen-Love, Love-Fifteen, Thirty-Love, Love-Thirty, Forty-Love, Love-Forty, Fifteen-All, Fifteen-Thirty, Thirty-Fifteen, Fifteen-Forty, Forty-Fifteen, Thirty-All, Thirty-Forty, Forty-Thirty, Deuce (never Forty-All), Advantage _____(last name), Game _____(last name). For No-Ad scoring, when the score reaches deuce, the chair should announce: "Deuce, Deciding Point, Receiver's Choice."
- 3) The score must be announced loudly and distinctly when a point is finished for the players and the crowd. The Chair Umpire has the option to make the announcement either before or after the applause, whichever guarantees the announcement can be heard by the players. "Timing" for the next point begins when the point ends, not when the announcement is made.
- 4) At the end of a game or set the Chair Umpire, in addition to announcing "Game _____(last name)," should announce the score in games in conformity with the following example:

"Game Smith, Jones/Smith lead 4 games to 2 (or 4-2)" or Game Smith, 3 games all."
"Game and third set, Smith, 7 games to 5. Jones leads 2 sets to 1."

If there is a scoreboard visible to the spectators, then the set number need not be mentioned. In such case only the score in games should be announced: "Game Smith, first game."
- 5) When a set reaches the Tie-break, the Chair Umpire announces:

"Game Smith, 6 games all. Tie-break."
- 6) During the Tie-break, the score is announced by first giving the score and then the name of the player(s) leading, e.g.:

"1-0, Jones" or "1-0, Jones/Smith" (Use "Zero" rather than "Love" in the Tie-break.)
"1 All"
"2-1,Smith"

At the conclusion of the Tie-break, the Chair Umpire announces:

"Game and _____set, _____(last name), 7 games to 6 (or 7-6)."
- 7) At the conclusion of the match, the Chair Umpire announces the winner in conformity with the following example:

"Game, set and match Smith (optional -3 sets to 2); 3-6, 5-7, 7-5, 6-1, 6-3."

"Three (3) minutes - 3 minutes until warm-up ends.
"Two (2) minutes" - 2 minutes until warm-up ends.
"One (1) minute" - 1 minute until warm-up ends.
"Time" (optional - "prepare to play")- end of warm-up; direct balls to Server's end of court.

Subsequent withdrawals will carry a second suspension from the next event where the player earned his second highest point total. Additional withdrawals will include further suspensions in the same manner. Players shall not have the suspension penalty assessed if they complete the requirements for “promotional activities” or the withdrawal complied with the requirements for an on-site withdrawal. Players may appeal suspension penalties to a Tribunal who will determine whether the penalties are affirmed or set aside (see sections J & K). Ranking penalties are automatic and cannot be appealed.

E. Retirement or Withdrawal Penalty (On-Site)

- 1) A player who, because of injury or illness, retires during a match or withdraws during the tournament week must submit to an on-site medical examination by the designated tournament Doctor. Any player who retires during a match must be examined by the tournament Doctor prior to the end of play on the day of the retirement. Failure to submit to such examination shall be a violation of this section and shall subject a player to a fine at ATP Tour tournaments of \$10,000 (\$2,500 for the qualifying competition) or at ATP Challenger Tour tournaments to a fine of \$1,000, (\$500 for the qualifying competition), or the amount of prize money won at the tournament, whichever is greater.
- 2) Following any on-site retirement or withdrawal, the Supervisor at the next tournament in which the players wants to play, may require the player to submit to an on-site examination by the designated tournament Doctor and receive authorization from the Supervisor before competing in any future ATP Tour and ATP Challenger Tour tournaments. The Supervisor’s authorization shall be based on the following: the results of the on-site medical examination; a review of such results with one of ATP’s medical services directors, if possible; and any other appropriate information.
- 3) Should a doubles match in an ATP Tour or ATP Challenger Tour event be uncontested* or fail to be completed, the losing team shall only receive points and prize money from the previous round unless one of the following exceptions is applicable:
 - * A team withdrawing from the first round will not receive prize money whether there is or is not an alternate/lucky loser team. The exceptions do not apply.
 - a) Neither player was in the singles main draw;
 - b) Both players used, or could have used**, their doubles ranking for entry into the doubles draw (does not apply to wild card teams).
 - c) The retiring/withdrawing player is still in the singles competition and at the time of the medical examination is declared unfit to play in the singles of that event or, if no longer involved in the singles competition of that event, is forced to withdraw from the singles or doubles*** of the next tournament in which he is entered.

VIII. THE CODE

- i) For ATP Tour events if the retiring/withdrawing player was not in the singles draw of that event and is forced to withdraw from the next event in which he is entered (singles or doubles).
 - ii) For ATP Challenger events if the retiring/withdrawing player was not in the singles draw of that event and is forced to withdraw from the following week’s event (single or doubles) after the withdrawal deadline.
 - d) The retiring/withdrawing player was not involved in the singles draw of that event and:
 - i) For ATP Tour events is forced to withdraw from the next event in which he is entered (singles or doubles).
 - ii) For ATP Challenger events is forced to withdraw from the following week’s event (singles or doubles***).
 - e) The retiring/withdrawing player had withdrawn/retired from his singles match, which was scheduled the same day; or, if the doubles match is scheduled for a following day the player is examined by the tournament Doctor and is declared unfit for competition in the doubles event.
- ** Example: Player A is not in the singles draw and his doubles ranking is 20; his partner, Player B, is in the singles draw with a ranking of 15. Player B’s doubles ranking is 30. The cutoff for their method of entry is 60. Using player B’s doubles ranking would have kept them as a direct acceptance so they qualify for exception b) above.
- *** For ATP Challenger events the withdrawal for doubles must be after the withdrawal deadline.

No Medical? Big Mistake

Case: *A player retires from his singles match and leaves the tournament site without having been examined by the tournament Doctor. Later, it is discovered that the player has left the tournament city. What action does the Supervisor take?*

Decision: *Any player who fails to submit to an on-site examination by the tournament Doctor after retiring from a match shall be subjected to a fine of \$10,000 (\$1,000 for ATP Challenger Tour tournaments) or the amount of prize money won at the tournament, whichever is greater.*

F. Special Exempt/Wild Card Non-Appearance

A player who accepts a wild card or a special exempt pursuant to the procedures set forth under section 7.10, special exempts, shall appear for play. A violation of this section would be considered as a late withdrawal and be subject to the penalties set forth under late withdrawals.

G. Challenger Qualifying Non-Appearance (See Challenger Addendum, page 406)

A player who was entered into the qualifying competition or accepts a wild card in qualifying, shall appear for play. A violation of this section shall result in a fine of \$250 in addition to any other fines provided in the Code. Fines shall be doubled in the case of any player who would have been seeded.

VIII. THE CODE

H. Payment of Fines

The player shall pay all fines to ATP within ten (10) days after the notice of fine is provided to the player. All collected entry/withdrawal fine amounts, with the exception of Challenger fines, shall be returned to the event from which the fine was incurred.

I. Playing Another event

- 1) No player who has entered and been accepted into the main draw or qualifying of an ATP Tour or ATP Challenger Tour tournament shall play in any other tennis event during the period of such tournament, except if appropriately released by ATP. Once a player enters and is accepted into the main draw or qualifying of the singles or doubles competition, he is committed to that tournament for the week, unless released by the Senior Vice President - Rules & Competition or Supervisor. A violation of this section shall constitute the Major Offense of Aggravated Behavior.

Note: Players shall include a clause in their contracts permitting them to opt out at the end of any year in the event ATP rules change to prohibit a commercial brand logo on the front of a shirt, sweater or jacket in the manner described above.

vi) **Restrictions / General.** Tobacco and companies associated with tennis gambling will be prohibited from any endorsements on player clothing. ATP reserves the right to prohibit any identification it deems not to be in the best interest of the game and/or ATP.

b) Shoes

i) **General.** Players are required to wear tennis shoes generally accepted as proper tennis attire. Shoes shall not cause damage to the court other than what is expected during the normal course of a match or practice. Damage to a court may be considered as physical or visible, which may include a shoe that leaves marks beyond what is considered acceptable. The Supervisor has the authority to determine that a shoe does not meet the criteria of "customarily acceptable" and may order the player to change.

ii) **Clay Courts.** Players are required to wear tennis shoes generally accepted for play on clay courts or granular surfaces. The Supervisor has the authority to determine that a tennis shoe's sole does not conform and can prohibit its use at any ATP Tour or ATP Challenger Tour tournament. Grass court shoes should not be worn during a match on clay courts.

iii) **Grass Courts.** In ATP Tour and ATP Challenger Tour tournaments played on grass courts, no shoes other than those with rubber soles, without heels, ribs, studs or covering, shall be worn by players.

aa) Special grass court shoes shall not be used without the express approval of ATP, based on the following specifications:

1) The pimples or studs on the base of the sole should be vertical from the outsole and shall have a maximum top diameter of three (3) millimeters and a minimum top diameter of two (2) millimeters. The maximum height of the pimples or studs shall be two (2) millimeters, from the base of the shoe. The hardness of any pimple or studs shall be between 55 and 60 based on a Shore "A" scale. The number of pimples per square inch shall be no less than 15 and no more than 28.

2) Shoes with pimples or studs around the outside of the toes shall not be permitted. The foxing / sidewall can be contoured only in the medial forefoot and medial toe area but only within the following restrictions. The contoured area may begin in the transition area between outsole and sidewall but can only go to a maximum of 1.5 cm up the sidewall. This contoured area must be flat (not textured or undulating) but can be stepped with no more than 5 steps each no more than 1 mm in depth.

VIII. THE CODE

3) Forefoot and heel areas may be separated but there should be no more than a 2 mm step in the outsole of the shoe.

- Approval of special grass court shoes should be received by ATP at least ninety (90) days in advance of the grass court tournament.

iii) **Other Tennis event.** Violation of the provisions with respect to the name of an event other than the "ATP" shall result in a fine up to \$5,000.

iv) **Unacceptable Attire.** Violation of the provisions with respect to unacceptable attire shall result in a fine up to \$1,000.

2) Point Penalty Schedule

a) The Point Penalty Schedule to be used for Code Violations is as follows:

FIRST OFFENSE	WARNING
SECOND OFFENSE	POINT PENALTY
THIRD AND EACH SUBSEQUENT OFFENSE	GAME PENALTY

However, after the third Code Violation, the Supervisor shall determine whether each subsequent offense shall constitute a default.

b) In ATP Tour and ATP Challenger Tour tournaments and events, Code Violations shall be levied by the Chair Umpire for on-court offenses. In the event that the Chair Umpire fails to levy a code violation, then the Supervisor may order him to do so.

c) In doubles, code violations shall be assessed against the team.

3) Code Violations Not Witnessed By Chair Umpire

Occasionally, there are code violations by players that are not witnessed by the Chair Umpire. The Line Umpire should immediately approach the Chair Umpire and report the facts of the violation, during which time the Chair Umpire should turn off all microphones in the area of the chair. The Chair Umpire may ask the player to respond to such report; thereafter, the Chair Umpire must make a decision and he either dismisses the report or declares a code violation and assesses a penalty. If a code violation is assessed, then the Chair Umpire must announce such violation to the player, opponent and spectators. If in his opinion there was a code violation, but because of the time of discovery (another point has been played), it would be inappropriate to issue a Code Violation Warning, Point or Game Penalty, then he/she must notify the player that he/she will refer the matter to the Supervisor for action after the match. If a serious violation that may warrant an Immediate Default has been reported and acted upon no later than the end of the next changeover, the ATP Supervisor may be called to discuss an Immediate Default. The Supervisor may order the Chair Umpire to issue a code violation for a violation witnessed or not witnessed by the Chair Umpire.

Case 1: A Line Umpire reports to the Chair Umpire an incident which occurred three (3) points earlier, may the Chair Umpire issue a Warning, Point or Game Penalty?

VIII. THE CODE

Decision 1: No, in this case a Code Violation may be issued only if the violation was reported immediately (before the next point is played).

Case 2: Same situation as Case 1 above except that the violation reported is a serious violation that may warrant an Immediate Default. May the Supervisor/Referee be called to discuss an Immediate Default?

Decision 2: Yes, as long as the violation has been reported and acted upon no later than the end of the next changeover. Once the first point of the game immediately following the changeover has been played then no Code Violation for an Immediate Default may be issued. The player may however be subject to a fine as determined by the Supervisor.

4) Offenses

a) Ball Abuse

- i) Players shall not violently, dangerously or with anger hit, kick or throw a tennis ball while on the grounds of the tournament site except in the reasonable pursuit of a point during a match (including warm-up). Prize money earned at that event shall be held by ATP until the ATP SVP - Rules & competition has concluded his investigation and made a determination.

VIII. THE CODE

- iii) Any player not ready to play within fifteen (15) minutes after his match is called may be fined up to an additional \$750 and shall be defaulted unless the Supervisor, after consideration of all relevant circumstances, elects not to declare a default. In such case, the Supervisor shall immediately inform the Senior Vice President - Rules & Competition. This section applies only to those players who are or have been on-site.

Decision: *The player is defaulted. Transportation is a service provided by the tournament; however, the player is responsible for arriving on time for his match.*

o) Continuous Play

- i) **Delay of Play.** A player will receive a warning for the first violation and be subject to a fine for each subsequent violation (\$250 then doubled for each additional violation) during that week’s event for violating the following timings:

VIII. THE CODE

Time Allowed		
Action	ATP Tour	ATP Challenger
Reaching the net for the pre-match meeting. Timing begins when second player/team reaches the appropriate bench.	60 seconds	60 seconds
Warm-up. Time begins at the conclusion of the pre-match meeting.	4* minutes	5 minutes
Start of play. Players must show that they are ready to start play. Timing begins at the conclusion of the 3 or 5 minute warm-up.	60 seconds	60 seconds

*From 2021 this time will be reduced to 3 minutes.

- ii) **Delay of Game.** Once the match has begun, play shall be continuous and a player shall not unreasonably delay a match for any cause. A maximum of twenty-five (25) seconds shall elapse from the moment the ball goes out of play until the time the ball is struck for the next point. If such serve is a fault, then the second serve must be struck by the server without delay. The exception is at a ninety (90) second changeover or a one hundred twenty (120) set break. The procedures for enforcing this rule are as follows:

aa) 25 Seconds Between Points.

- 1) Start stopwatch when the player is ordered to play or when the ball goes out of play.
- 2) Assess time violation or code violation if the ball is not struck for the next point within the twenty-five (25) seconds allowed. There is no time warning prior to the expiration of the twenty-five (25) seconds.

bb) Changeover (Ninety (90) Seconds) and Set Break (One Hundred and Twenty (120) Seconds).

- 1) Start stopwatch the moment the ball goes out of play.
- 2) Announce “Time” after sixty (60) / ninety (90) seconds have elapsed.
- 3) Announce “15 Seconds” if one or both of the players are still at their chairs and/or have not started toward their playing positions after seventy-five (75) / one hundred and five (105) seconds have elapsed.
- 4) Assess time violation or code violation (after medical time-out or treatment) if the ball is not struck for the next point within the ninety (90) / one hundred and twenty (120) seconds allowed provided there has been no interference which prevented the server from serving within that time.

NOTE: When requested by television, “Time” shall be announced after ninety (90) seconds for a changeover and one hundred twenty (120) seconds for a set break.

cc) Time Violations.

Violating a provision of this Section, as server or receiver, shall be

VIII. THE CODE

penalized by a “Time Violation – Warning” and each subsequent violation shall be penalized as follows:

- **Server.** When serving the time violation shall result in a “fault”.
- **Receiver.** When it is determined that the receiver is the cause of the time violation, then the receiver shall be penalized by the assessment of one (1) point penalty. The receiver must also play to the reasonable pace of the server. A Time Violation may be issued in this case prior to the expiration of twenty-five (25) seconds if the receiver’s actions are delaying the reasonable pace of the server. Assess a code violation if the receiver is consistently or obviously delaying the server, thus employing “Unsportsmanlike Conduct”.

Note: A second time violation occurs when a player who has received a prior warning as either the server or receiver is issued another time violation as either server or receiver. Example is Player A had received a warning for not serving within the 25 second limit; later, as receiver, Player A is deemed to not be playing to the reasonable pace of the server. This would be considered a second violation and a point penalty would be issued.

p) Media Conference (See ATP Addendum, page 392)

- i) All players scheduled to play on televised courts will be required, if requested, to perform a pre-match TV interview on the day of the match (not to exceed 2 minutes in total). The interview may be conducted at either the player’s practice court or as the players approach the court for walk-on as determined by the host and player’s national broadcasters.
- ii) All players who win during a televised match will be required to perform on court TV interviews, if requested, with the host and player’s national broadcaster(s) for that match (not to exceed 5 minutes in total).
- iii) All players will be required to perform post-match radio and TV news service interviews directly following the post-match press conference (not to exceed 10 minutes in total). If there is no post-match press conference, the interviews will need to take place within 30 minutes of the conclusion of their match.
- iv) Unless injured and physically unable to appear, a player or team must be available post-match in the mixed zone or media conference area, as determined by ATP, after the conclusion of each match whether the player or team was the winner or loser. Post-match media obligations include two (2) interviews, with the host and player’s national broadcasters. This rule shall also apply to matches won or lost as a result of a withdrawal or retirement.
- v) Violation of this section shall subject a player to a fine in accordance with the following schedule (based on most recent position in the FedEx ATP Rankings):

1 - 10	\$20,000

ATP will cover all expenses incurred by a player while participating in the media tour.

t) Special Functions

IX. FEDEX ATP RANKINGS

9.03 FedEx ATP Rankings

A. Commitment Players. (See ATP Addendum, page 392) / (Challenger Addendum, page 407.) The year-end FedEx ATP Rankings is based on calculating, for each player, his total points from the four (4) Grand Slams, the eight (8) mandatory ATP Tour Masters 1000 tournaments and the Nitto ATP Finals of the ranking period, the ATP Cup and his best six (6) results from all ATP Tour 500, ATP Tour 250, ATP Challenger Tour and ITF Men's WTT tournaments. For every Grand Slam or mandatory ATP Tour Masters 1000 tournament for which a player is not in the main draw, and was not (and, in the case of a Grand Slam, would not have been, had he and all other players entered) a main draw direct acceptance on the original acceptance list, and never became a main draw direct acceptance, the number of his results from all other eligible tournaments in the ranking period, that count for his ranking, is increased by one (1). In weeks where there are not four (4) Grand Slams and eight (8) ATP Tour Masters 1000 tournaments in the ranking period, the number of a player's best results from all eligible tournaments in the ranking period will be adjusted accordingly. Once a player is accepted in the main draw of one of these twelve (12) tournaments, as a direct acceptance, a qualifier, a special exempt or a lucky loser, or having accepted a wild card, his result in this tournament shall count for his ranking, whether or not he participates. *

B. Non-commitment Players. (See ATP Addendum, page 392) / (Challenger Addendum, page 407.) The FedEx ATP Rankings is based on calculating, for each player, his total points from the four (4) Grand Slams, the eight (8) mandatory ATP Tour Masters 1000 tournaments and the Nitto ATP Finals of the ranking period, the ATP Cup and his best six (6) results from all ATP Tour 500, ATP Tour 250, ATP Challenger Tour and ITF Men's WTT tournaments. For every Grand Slam or mandatory ATP Tour Masters 1000 tournament for which a player is not in the main draw, and was not (and, in the case of a Grand Slam, would not have been, had he and all other players entered) a main draw direct acceptance on the original acceptance list, and never became a main draw direct acceptance, the number of his results from all other eligible tournaments in the ranking period, that count for his ranking, is increased by one (1). In weeks where there are not four (4) Grand Slams and eight (8) ATP Tour Masters 1000 tournaments in the ranking period, the number of a player's best results from all eligible tournaments in the ranking period will be adjusted accordingly. Once a player is accepted in the main draw of one of these twelve (12) tournaments, as a direct acceptance, a qualifier, a special exempt or a lucky loser, or having accepted a wild card, his result in this tournament shall count for his ranking, whether or not he participates. *

***NOTE:** A player who is eligible for a reduction of his ATP Tour Masters 1000 commitment tournaments per Section 1.08 who withdraws prior to the withdrawal deadline and uses his exemption may have the number of his results from all other eligible tournaments in the ranking period, that count for his ranking, increased by one (1) for each milestone reached with a maximum of three (3). A player is not eligible to use an exemption if he withdrew in any manner from that event the previous year.

C. ATP Tour 500 – Ranking Penalty. (See ATP Addendum, page 393). A player's (Commitment and Non-Commitment players) withdrawal from an ATP Tour 500 event whether on time or after the 12 noon deadline, shall result in a zero (0) point ranking penalty. Further non-consecutive withdrawals shall result in a zero (0) point ranking penalty assessed for each additional withdrawal. Players with multiple consecutive

IX. FEDEX ATP RANKINGS

withdrawals who are out of competition for 30 days or longer due to injury will not be subject to a ranking penalty as long as verified and approved medical forms are provided; or, a player shall not have the ranking penalty imposed if he completes the Promotional Activities requirement as specified under "Repeal of Withdrawal Fines and/or Penalties" or if the on-site withdrawal procedures apply. Players may also appeal withdrawal penalties to a Tribunal who will determine whether the penalties are affirmed or set aside.* A commitment player who has received a zero (0) point ranking penalty for withdrawing from an ATP Tour 500 event may replace the zero (0) point by playing an additional ATP Tour 500 event in that same calendar year for a total of four (4) played. The replacement tournament must be after the 500 withdrawal that has resulted in a ranking penalty. Only one (1) additional ATP Tour 500 event per year may be used to replace an ATP Tour 500 ranking penalty.

* **Note 1:** Commitment players who are unable to fulfill their commitment, are not eligible to appeal the ranking penalty.

Note 2: Players returning to competition with an Entry Protection Ranking may replace ranking penalties assessed during the period of injury with results obtained at tournaments following their return to competition.

D. Loser points for the rounds achieved are awarded to players in any tournament not completed.

E. Ties. When two or more players have the same total number of points, ties shall be broken as follows:

- 1) the most total points from the Grand Slams, ATP Tour Masters 1000 mandatory tournaments and Nitto ATP Finals main draws, and if still tied, then,
- 2) the fewest events played, counting all missed Grand Slams, ATP Tour Masters 1000 tournaments they could have played (as described under A. above) as if played, and if still tied, then,
- 3) the highest number of points from one single tournament, then, if needed, the second highest, and so on.

F. Entry Protection

1) Petition. A player may petition the President, or his designee, for an entry protection when he is physically injured or has a documented medical illness and does not compete in any tennis event, including Special Events – Exhibitions, for a minimum period of six (6) months. The written petition must be received within six (6) months after his last tournament and must provide medical documentation including a letter from a treating licensed physician confirming the injury or illness. Each petition shall be evaluated on a case by case basis by the ATP Medical Services Committee.

2) Calculation and Use. (See ATP Addendum, page 393) / (Challenger Addendum, page 408). The entry protection shall be a position in the FedEx ATP Rankings, as determined by the player's average FedEx ATP Rankings position during the first three (3) months* after his last event played. The entry protection shall be for entry into the main draw or qualifying competition or for special exempt consideration. The entry protection shall not be used for seeding purposes or lucky loser consideration.

IX. FEDEX ATP RANKINGS

*The player must be ranked (have at least one singles ranking point for a singles protected ranking and/or one doubles ranking point for a doubles protected ranking) during each week of this three (3) month period.

A player who has been out of competition and is applying for Entry Protection may not include any period of (Doping, Corruption and/or Conduct) suspension in the player's weeks away from competition in order to qualify for Entry Protection.

3) Limit of Use.

a) If a player is physically injured and does not compete in any tennis event for a period of at least six (6) months but less than twelve (12) months, the entry protection shall be in effect for the first nine (9) singles and the first nine (9) doubles tournaments that the player competes* in using the entry protection (excluding wild cards and entries as a direct acceptance with his current position in the FedEx ATP Rankings) or for the period up to nine (9) months beginning with the first tennis event, including Special Events – Exhibitions, that the player competes in, whichever occurs first.

b) If a player is physically injured and does not compete in any tennis event for a period of twelve (12) months or longer, the entry protection shall be in effect for the first twelve (12) singles tournaments and the first twelve (12) doubles tournaments that the player competes* in using the entry protection (excluding wild cards and entries as a direct acceptance with his current position in the FedEx ATP Rankings) or for the period up to twelve (12) months beginning with the first tennis event, including Special Events – Exhibitions, that the player competes in, whichever occurs first.

*Note: For purposes of this rule, once the player is included in the draw or accepts prize money as an on-site withdrawal, the event shall count against the players' total as specified under the a) and b) above. The ATP Cup shall not count against a player's total protected ranking allowance.

c) The use of a protected ranking to enter the singles and/or doubles of a Grand Slam event is limited to once per Grand Slam event. (See ATP Addendum, page 393) / (Challenger Addendum, page 408).

d) The use of a protected ranking to enter the singles and/or doubles of the ATP Cup is limited to one (1) per the duration of the player's Protected Ranking.

4) **Expiration Date.** A player has three (3) years from his original last event played to activate his protected ranking and will not be eligible to use his entry protected ranking beyond this date. A player who does not compete in any tennis event, including Special Events – Exhibitions, for a period of three (3) years from the date of his original last event played will have his entry protection revoked.

5) **Re-injury Protection.** A player who has returned to competition and re-injures himself may petition for a "freeze" of the nine (9) or twelve (12) month limit for competing using his protected ranking. To be eligible for the "freeze" the player must be out of competition for a minimum of three (3) months, the written petition for the "freeze" must be received within this period. Upon the player's return to competition he shall have the same number of events and weeks remaining as were available when the "freeze" went into effect. A maximum of two (2) "freezes" are allowed during the nine (9) or twelve (12) month period.

Note: For purposes of this rule, three (3) months is calculated at thirteen (13) weeks; six (6) months is calculated at twenty-six (26) weeks; nine (9) months is calculated at thirty-nine (39) weeks; and twelve (12) months is calculated at fifty-two (52) weeks.

IX. FEDEX ATP RANKINGS

Case: A player requests an entry protection freeze after the three (3) year expiration has passed; however, his last event played is before the three (3) year expiration date. Can the player "freeze" his protected ranking?

Decision: A player cannot request a "freeze" after the three (3) year expiration has passed.

Case: A player returns to competition following a "freeze", the number of weeks remaining from the freeze extend beyond the three (3) year expiration date. Can the player use all remaining weeks past the three (3) year expiration date?

Decision: A player cannot extend the use of his entry protected ranking beyond the three (3) year expiration date.

Case: A player accepted in an ATP Tour, ATP Challenger Tour main draw or ATP Tour Qualifying list using a PR, withdraws prior to the withdrawal deadline and accepts a WC into the same event. Does this tournament count towards the total tournaments at which a player may use his PR?

Decision: No, this tournament will not count towards the player's total of tournaments.

G. Points.

- 1) Points shall be allocated based on tournament category (Grand Slam, Nitto ATP Finals, ATP Tour Masters 1000, ATP Tour 500, ATP Tour 250, ATP Challenger Tour and ITF Men's WTT events).
- 2) Points are assigned to the losers of the round indicated. Any player who reaches the second round by drawing a bye and then loses shall be considered to have lost in the first round and shall receive first round loser's points. Wild cards at Grand Slams and ATP Tour Masters 1000 events receive points only from the 2nd round. No points are awarded for a first round loss at ATP Tour 500 & 250 events, ATP Challenger Tour or ITF Men's WTT events.
- 3) Players qualifying for the main draw through the qualifying competition shall receive qualifying points in addition to any points earned, as per the following table, with the exception of ITF Men's WTT events.

**** FedEx ATP Doubles Rankings points will be awarded in ITF M 25/25+H and ITF 15/15+H tournaments beginning with the quarter-final round.

9.04 FedEx ATP Doubles Rankings

A. (See ATP Addendum, page 394). The FedEx ATP Doubles Rankings is based on calculating, for each player, his total points from his best 18 results from all eligible tournaments, including the Nitto ATP Finals (Doubles) played in the Ranking period. For entry purposes there are no mandatory events, however, once a player is included in the main draw of any of the four (4) Grand Slams or the eight (8) ATP Tour Masters 1000, as a direct acceptance, a qualifier, alternate or a lucky loser or having accepted a wild card, his result in one of these twelve (12) tournaments, shall count for his ranking, whether or not he participates. The exception to this is once per player per calendar year, a player whose team is forced to withdraw after the draw has

IX. FEDEX ATP RANKINGS

been made but prior to the team's first match shall not have the withdrawal count as a tournament played for purposes of ranking.

B. Loser points for the rounds achieved are awarded to players in any tournament not completed.

C. Ties. When two or more players have the same total number of points, ties shall be broken as follows:

- 1) the fewest events played*, and if still tied, then,
- 2) the most total points from the Grand Slams, ATP Tour Masters 1000 mandatory tournaments and the Nitto ATP Finals (Doubles), and if still tied, then
- 3) the highest number of points from one single tournament, then, if needed, the second highest, etc.

*Once a team is included in the main draw of a Grand Slam or one of the eight (8) ATP Tour Masters 1000 it shall count as an event played whether or not the team actually participated.

Note: The method for breaking ties on-site, between teams, is described under Selections of Entries.

D. Entry Protection. The Entry Protection, as described above for the FedEx ATP Rankings, applies for doubles under the same provisions.

E. Points. The provisions set forth under 9.03.E.1), 2) and 3) related to the FedEx ATP Rankings apply to doubles as well, the point table being similar, except that the second-round loser column becomes irrelevant. No points are awarded in the first round at any event. Should a doubles match in an ATP Tour or Challenger Tour event be uncontested* or fail to be completed, the losing team shall only receive points and prize money from the previous round unless one of the following exceptions is applicable:

* A team withdrawing from the first round will not receive prize money whether there is or is not an alternate/lucky loser team. The exceptions do not apply.

- a) Neither player was in the singles main draw;
- b) Both players used, or could have used**, their doubles ranking for entry into the doubles draw (does not apply to wild card teams).
- c) The retiring/withdrawing player is still in the singles competition and at the time of the medical examination is declared unfit to play in the singles of that event or, if no longer involved in the singles competition of that event, is forced to withdraw from the singles or doubles*** of the next tournament in which he is entered.
 - i) For ATP Tour events if the retiring/withdrawing player was not in the singles draw of that event and is forced to withdraw from the next event in which he is entered (singles or doubles).
 - ii) For ATP Challenger events if the retiring/withdrawing player was not in the singles draw of that event and is forced to withdraw from the following week's event (single or doubles) after the withdrawal deadline.
- d) The retiring/withdrawing player was not involved in the singles draw of that event and:
 - i) For ATP Tour events is forced to withdraw from the next event in which he is entered (singles or doubles).

IX. FEDEX ATP RANKINGS

- ii) For ATP Challenger events is forced to withdraw from the following week's event (singles or doubles***).
- e) The retiring/withdrawing player had withdrawn/retired from his singles match, which was scheduled the same day; or, if the doubles match is scheduled for a following day the player is examined by the tournament Doctor and is declared unfit for competition in the doubles event.
- f) **(NEW: See ATP Addendum, page 394) / (Challenger Addendum, page 408)**

** Example: Player A is not in the singles draw and his doubles ranking is 20; his partner, Player B, is in the singles draw with a ranking of 15. Player B's doubles ranking is 30. The cutoff for their method of entry is 60. Using player B's doubles ranking would have kept them as a direct acceptance so they qualify for exception b) above.

*** For ATP Challenger events the withdrawal for doubles must be after the withdrawal deadline.

Case: *Player A retires / withdraws from the doubles for medical reasons. Player A is also in the singles draw but is not scheduled to play his next match until the next day. On the day of his scheduled singles match Player A withdraws from the singles and receives medical documentation from the Tournament Doctor declaring him unfit for competition. The medical condition is the same condition that caused the doubles retirement / withdrawal.*

Decision: *In this case the doubles team shall receive points / prize money from the round reached.*

Case: *Player A retires from the singles competition due to a medical issue. He is in the doubles competition but is not scheduled to play doubles that day. Player A is examined by the tournament Doctor who confirms that the medical issue is such that the player would not be able to compete in the doubles that week. May Player A's withdrawal and medical be accepted even though he is not scheduled to play doubles that day?*

Decision: *If the medical issue is such that the tournament Doctor can confirm the player's condition will not improve enough to compete in the doubles that week then the player may withdraw immediately and the medical is valid. Player A and his partner shall be eligible to receive ranking points and prize money from the round reached.*

Case: *Player A withdraws from the singles competition due to food poisoning, he is in the doubles competition but is not scheduled to play doubles until the next day. Player A would like to withdraw from the doubles immediately, however the tournament Doctor says he cannot declare him unfit for play for a match scheduled the following day.*

Decision: *If Player A withdraws from the doubles without a medical from the tournament Doctor declaring him unfit for play then the team receives ranking points / prize money from the previous round.*

IX. FEDEX ATP RANKINGS

Note: *In cases where the condition of the player is likely to improve in a short time period the tournament Doctor should examine the player on the day of the match to determine his status and if he feels the player is fit for competition.*

9.05 2020 FedEx ATP Doubles Team Rankings

- A. Each team is ranked according to its total points from its best 18 results from all eligible tournaments (Grand Slam, ATP Tour, including the Nitto ATP Finals) played in the calendar year.
- B. Loser points for the rounds achieved are awarded to players in any tournament not completed.
- C. **Ties.** Ties between two or more teams having the same total number of points shall be broken using the same methods as for breaking ties between players in the FedEx ATP Doubles Rankings.
- D. **Points.** The provisions set forth under 9.05 E., including a), b) and c), apply as well when calculating the 2020 FedEx ATP Doubles Team Rankings.

9.06 Retiring from the Professional Tennis Circuit

Any player wishing to officially retire from the professional tennis circuit must submit a signed Player Retirement Form to the Chief Player Officer of ATP. Once the signed form is received the player shall be removed from the Fed Ex ATP Rankings (singles and doubles). The player also agrees to the terms of the Tennis Anti-Doping Program regarding reinstatement protocol.

In addition to Exhibit A, the following are the terms and conditions for the use of any ATP Tour trademark or logo (collectively referred to herein as the "ATP Logo"). Only ATP Tour tournaments referred to in CIRCUIT REGULATIONS shall be permitted to use the ATP Logo. ATP Challenger Tour tournaments are authorized to use only the ATP Challenger Tour Brand Mark (collectively referred to herein as the "Challenger Tour Brand Mark") (see "EXHIBIT A.15").

- 1) Each tournament acknowledges that ATP has created the ATP Logo and has used the ATP Logo on and in connection with the promotion of the sport of tennis, recreational facilities, tennis videos, sporting goods, clothing, various printed matter, and other officially licensed products and merchandise, and have sought worldwide trademark registration for same and, through the use of the ATP Logo, ATP has developed goodwill associated with the ATP Logo.
- 2) Subject to the terms and conditions set forth herein, ATP hereby authorizes each tournament, by this license, to use the ATP Logo (and the applicable 1,000, 500 or 250 Tournament Stamp) or Challenger Tour Brand Mark, as applicable, in connection with the advertising and promotion of such tournament. This authorization and license shall (i) in the case of each ATP Tour tournament, be subject to such ATP Tour tournament remaining a member in good standing of ATP as well as compliance with the other terms and conditions set forth herein, and (ii) in the case of each ATP sanctioned tournament or event, including ATP Challenger Tour events, be subject to such tournament maintaining its sanction with ATP in good standing as well as compliance with the other terms and conditions set forth herein. Such license will be limited to written advertising and publicity, such use being for the sole purpose of identifying a tournament as an ATP Tour or Challenger Tour tournament and will not extend to any use that exploits the ATP Logo or Challenger Tour Brand Mark in any other fashion or to the use of the ATP Logo or Challenger Logo on merchandising or products of any kind without the express written approval of ATP.
- 3) Use of the ATP Logo or Challenger Logo by a tournament shall be restricted to the advertising and promotion of such tournament. The use of the ATP Logo must be approved in advance by ATP.
- 4) The use of the ATP Logo or Challenger Tour Brand Mark by a tournament does not extend to use on merchandise or resold products without the express written approval of ATP, unless obtained through an official ATP licensee.
- 5) However, the ATP Logo or Challenger Tour Brand Mark may be used by a tournament to produce and sell tournament T-shirts and sweatshirts (not collared shirts) with the ATP Logo or Challenger Tour Brand Mark not to exceed four (4) square inches (26 sq. cm.). Express written approval is required from ATP if a tournament wants to produce these items itself. No approval is required if the T-shirts and sweatshirts are obtained from an approved ATP licensee.
- 6) Each tournament hereby acknowledges that ATP owns all rights, title and interest in and to the ATP Logo (and the applicable 1,000, 500 or 250 Tournament Stamp) and Challenger Logo and each tournament agrees it will do nothing inconsistent with such ownership nor attack ATP's title or interest in and to the ATP

Logo or Challenger Tour Brand Mark other than the right to use the ATP Logo or Challenger Tour Brand Mark in accordance with this agreement.

- 7) Each tournament agrees that it will not file a trademark application or otherwise attempt to register the ATP Logo (and the applicable 1,000, 500 or 250 Tournament Stamp) or Challenger Tour Brand Mark, or any trademark or logo that may incorporate the ATP Logo or Challenger Tour Brand Mark, for any goods or services whatsoever. Each tournament shall promptly notify ATP of any infringement of the ATP Logo or Challenger Tour Brand Mark or any act of unfair competition by third parties relating to the ATP Logo or Challenger Tour Brand Mark, whenever such infringement or act shall come to the attention of a tournament.
- 8) Each tournament agrees that all goodwill that is or shall become associated with the ATP Logo or Challenger Tour Brand Mark shall be the sole property of ATP.
- 9) Each tournament agrees to use the ATP Logo or Challenger Tour Brand Mark strictly in compliance with and in observance of any and all applicable laws and strictly in accordance with ATP rules and regulations and guidelines and will take whatever steps are reasonably necessary to fully protect ATP's ownership of the ATP Logo and Challenger Tour Brand Mark, including, without limitation, such legends, markings and notices in connection therewith as may be required by ATP.
- 10) Each tournament agrees that such tennis tournament and related services identified in connection with the ATP Logo and Challenger Tour Brand Mark shall be of the highest quality and shall conform to the high standards and reputation of ATP. Each tournament acknowledges that the provisions of this paragraph are of the essence of this authorization and license.
- 11) If a tournament shall fail to perform or observe any term, condition, agreement, or covenant in this "EXHIBIT B - ATP Tour Logo", ATP shall have the right to automatically terminate this authorization and license forthwith.

EXHIBIT C - Broadcast Standards

Broadcast Quality Standards

1) Tape Delay/Repeats

Tournaments may not license to domestic or international broadcasters the right to telecast any portion of any match more than 48 hours after the termination of that match, and not more than (3) times within that 48-hour period, unless written authorization is obtained in advance from ATP. Each repeated telecast during the same day must be scheduled in a different part of the day in the same time zone. In the case of any telecast that is not live, tournaments must ensure that broadcasters provide a continuously visible on-screen legend stating "Tape Delay".

The requirement in the above paragraph shall not apply to telecasts under the following situations.

- a) Less than five (5) minutes of continuous action (including time between points) or less than three (3) minutes of match highlights on any news or highlights program.
- b) If because of rain delay or other unavoidable cessation in play, the scheduled broadcast match is canceled, the 48-hour tape delay restriction will be lifted. Any previously recorded match from the current year's competition or last year's competition can be repeated as "filler" programming.

2) Broadcaster's Responsibilities

Each tournament must incorporate the following terms within their Broadcaster contracts.

- a) Host Broadcaster and all International Broadcasters must graphically identify the broadcast with the ATP's logo at the commencement of each broadcast and during the broadcast no less than once an hour, each occurrence lasting no less than five (5) seconds, so as to make clear that the tournament being played is an official ATP event.
- b) Host Broadcaster must supply ATP, or ATP designee with one international dirty HDCam or DigiBeta of the final match or on a Portable Hard Drive with a USB 3.0 or FireWire 800 port (or a Beta SP if no other option). Recordings must be available to the ATP Senior Vice President - Rules & Competition on-site immediately after signing off the air or sent to an ATP office promptly after the tournament.
- c) With respect to any live match scores or related statistical data provided to broadcaster by ATP, or its designee, or collected by broadcaster, such broadcasters shall agree (i) not to onward supply, sublicense or otherwise make such scores and data available to any third party for use not related to the broadcast, and (ii) to restrict their use of such scores and data to use on a contemporaneous basis within their live broadcast of any match; any other use shall be subject to a delay of at least :30 seconds.
- d) All tournament agreements with Host Broadcasters must comply with, and shall be subject to, all ATP rules as amended from time to time.

3) Technical Requirements

Each tournament must incorporate the following technical terms within their Host Broadcaster contract. These conditions represent the minimum technical standards necessary to produce a quality broadcast.

X. EXHIBITS

Cameras

No less than five (5) cameras must be used on Center court (and no less than three [3] cameras on other courts)) for an acceptable tennis broadcast.

Camera 1: Tripod camera high up in the stands (Center Court line).

Camera 2: Tripod camera approximately three (3) rows lower than Camera 1 (Center Court line). (Example 1)

Cameras 3 and 4: Camera objective lens height approximately 1.00m (see attached charts for camera positions). Used for player close-ups for cutting into coverage and isos.

These cameras may be positioned on the same or opposite side from where the players sit down.

Camera 5: Low angle camera on court behind the baseline usually aligned with sideline (see attached chart, Camera Example 2)

Note: Cameras 1, 2, 3, and 4 need to be on secure tripods with fully rotating camera mounts, and remotely controlled irises.

Lenses

Lenses for Camera 1 should be 18:1. Lenses for Cameras 2, 3, and 4 should be 50:1.

Microphones

- 1) Four (4) corner court microphones must be positioned in the corners of the court and adjacent to Cameras 3 and 4.
- 2) At least one (1) microphone must be placed for purposes of picking up sound from the crowd.
- 3) One (1) microphone must be placed on the umpire's chair.

Television Regulation Regarding Same Day Exclusivity

No tournament Class member shall be permitted to telecast or grant any telecaster the right to telecast, in any country in the territory of Europe, all or any portion of any tennis match on the same day as a tennis match from any ATP event that is being telecast in such country by a telecaster to which ATP has granted telecast rights, unless (x) such tournament Class member (i) is obligated to grant such rights pursuant to a binding agreement entered into prior to September 4, 1994, and furnished to the General Counsel of ATP pursuant to the ATP Board's resolution of September 4, 1994, or (ii) has received the written permission of the President, or (y) the telecast right granted by the tournament Class member is to a host broadcaster whose television signal is carried only in the country in which that member's tournament is conducted, subject to such reasonable "spillage" into other countries as may be approved by the President; provided, however, that the foregoing shall not limit the right of any tournament Class member to permit the telecast of up to three (3) minutes in the aggregate of any match in respect of any local, regional, national or international news or sports news programming.

EXHIBIT D - Attendance Standards

ATP Tour Tournament Attendance Quality Standards

Set forth below for each of the tournament classes are two attendance standard recommendations. In each year of operation, each ATP Tour tournament class member is expected to meet both of these recommendations. A member not meeting the recommended attendance standard three (3) years in a row (excluding extenuating circumstances) must present to the Board a strategic plan on how they will meet the recommended standard in future years.

1) Recommended Attendance Standards (See ATP Addendum, page 394)

a) ATP Tour Masters 1000 & ATP Tour 500 tournaments

The recommended total attendance is calculated as follows:

- Start of main draw through Thursday.
 - o 50% of the actual seating capacity* for match courts, as specified in section 1.20, multiplied by the number of sessions.
- Friday through Sunday
 - o 75% of the Center Court capacity* multiplied by the number of sessions.
- The sum of these totals determine the recommended total attendance for the week.

b) ATP Tour 250

The recommended total attendance is calculated as follows:

- Start of main draw through Tuesday.
 - o 25% of the Center Court seating capacity multiplied by the number of sessions.
- Wednesday and Thursday
 - o 50% of the Center Court seating capacity multiplied by the number of sessions.
- Friday through Sunday
 - o 75% of the Center Court capacity multiplied by the number of sessions.
- The sum of these totals determine the recommended total attendance for the week.

* For events that cover Center Court seats, available seats on that day will be used to determine percentages, however, this number may not be less than the minimum requirement.

2) Minimum Weekend Attendance (See ATP Addendum, page 394)

The average minimum attendance per session during the final weekend of play is recommended to be in excess of 75% of capacity for the Center Court.

3) Measurement

- a) On a daily basis during the operation of each tournament, each tournament class member shall provide the ATP Supervisor with attendance figures in writing on a per session basis for each session held during the prior day. Such report shall set forth both total spectator attendance and the percentage of capacity. Each tournament class member shall promptly provide the ATP Supervisor or other member of the ATP staff with any backup necessary to

X. EXHIBITS

verify its spectator attendance figures if such information is requested.

- b) If the ATP Supervisor has any questions concerning the accuracy of such spectator attendance figures based upon his observation of the event, the ATP Supervisor shall promptly so notify the tournament class member and shall inform the member of what he believes is a more accurate spectator attendance count. In such circumstance, the burden will be on the tournament class member to persuade the ATP Supervisor of the accuracy of its figures. The final report of the ATP Supervisor shall be conclusive.

EXHIBIT E - Electronic Insertion

Electronic Insertion

Each ATP Tournament must comply with the following in order to use electronic insertion technology in telecasts:

- 1) Each telecast of an ATP Tour tournament using electronically inserted signage must receive the prior approval of ATP.
- 2) The company and methodology used to produce electronically inserted signage must meet quality and technical standards and be pre-approved by ATP.
- 3) Electronically inserted signage may be inserted only in existing signage positions on the backdrop.
- 4) Electronically inserted signage may be altered only during changeovers and only when that signage is not being shown on the broadcast.
- 5) Only static logos may be inserted. No moving logos or videos may be inserted.
- 6) Electronically inserted signage must be consistent in color, graphical look and size with the Tournament's other permanent signage.

EXHIBIT G - ATP Challenger Tour Logo (Print & Promotional Materials)

Basic Guidelines:

- 1) The brand mark should never be modified in any way or redrawn. The three fixed elements (the ATP Challenger Tour logo type; the official ATP logo; the rectangular background field) should never be separated from each other.
- 2) Whenever possible, the ATP Challenger Tour brand mark should be reproduced in color. The one color version is for use only when color restrictions apply.
- 3) The ATP Challenger Tour brand mark should not be used on a background that may make it appear indistinct. It should always appear on an uncluttered background to ensure clarity.
- 4) The ATP Challenger Tour brand mark must be positioned in its own clear space, standing apart from other images, brand marks and/or text. In order to achieve this, the ATP Challenger Tour brand mark should always be surrounded by a minimum clear zone, at least equal in width to the ATP logo in the logotype.
- 5) The ATP Challenger Tour brand mark should not be positioned like a sponsor. It should be separated from sponsor logos in order to stand out as an endorsement of the quality and authenticity of the tournament.

EXHIBIT H - ATP Challenger Tour Logo (On-Court Version)

ATP Challenger Tour tournaments must only use the on-court version of the logo, shown above, for any signage around the court perimeter.

FOREWORD

The International Tennis Federation (ITF) is the governing body of the game of tennis and its duties and responsibilities include PROTECTING THE INTEGRITY OF THE GAME THROUGH determination of the Rules of Tennis.

To assist the ITF in carrying out this responsibility, the ITF has appointed a Rules of Tennis Committee which continually monitors the game and its rules, and when considered necessary makes recommendations for changes to the Board of Directors of the ITF who in turn make recommendations to the Annual General Meeting of the ITF which is the ultimate authority for making any changes to the Rules of Tennis.

Appendix V lists all known and approved alternative procedures and scoring methods. In addition, on its own behalf or on application by interested parties, certain variations to the rules may be approved by the ITF for trial purposes only at a limited number of tournaments or events and/or for a limited time period. Such variations are not included in the published rules and require a report to the ITF on the conclusion of the approved trial.

Note: Except where otherwise stated, every reference in these Rules of Tennis to the masculine includes the feminine gender.

1. THE COURT

The court shall be a rectangle, 78 feet (23.77 m) long and, for singles matches, 27 feet (8.23 m) wide. For doubles matches, the court shall be 36 feet (10.97 m) wide.

The court shall be divided across the middle by a net suspended by a cord or metal cable which shall pass over or be attached to two net posts at a height of 3 ½ feet (1.07 m). The net shall be fully extended so that it completely fills the space between the two net posts and it must be of sufficiently small mesh to ensure that a ball cannot pass through it. The height of the net shall be 3 feet (0.914 m) at the Center, where it shall be held down tightly by a strap. A band shall cover the cord or metal cable and the top of the net. The strap and band shall be completely white.

- The maximum diameter of the cord or metal cable shall be 1/3 inch (0.8 cm).
- The maximum width of the strap shall be 2 inches (5 cm).
- The band shall be between 2 inches (5 cm) and 2 ½ inches (6.35 cm) deep on each side.

For doubles matches, the centers of the net posts shall be 3 feet (0.914 m) outside the doubles court on each side.

For singles matches, if a singles net is used, the centers of the net posts shall be 3 feet (0.914 m) outside the singles court on each side. If a doubles net is used, then the net shall be supported, at a height of 3 ½ feet (1.07 m), by two singles sticks, the centers of which shall be 3 feet (0.914 m) outside the singles court on each side.

- The net posts shall not be more than 6 inches (15 cm) square or 6 inches (15 cm) in diameter.
- The singles sticks shall not be more than 3 inches (7.5 cm) square or 3 inches (7.5 cm) in diameter.
- The net posts and singles sticks shall not be more than 1 inch (2.5 cm) above the top of the net cord.

X. EXHIBITS

The lines at the ends of the court are called baselines and the lines at the sides of the court are called sidelines.

Two lines shall be drawn between the singles sidelines, 21 feet (6.40 m) from each side of the net, parallel with the net. These lines are called the service lines. On each side of the net, the area between the service line and the net shall be divided into two equal parts, the service courts, by the center service line. The center service line shall be drawn parallel with the singles sidelines and half way between them.

Each baseline shall be divided in half by a center mark, 4 inches (10 cm) in length, which shall be drawn inside the court and parallel with the singles sidelines.

- The center service line and center mark shall be 2 inches (5 cm) wide.
- The other lines of the court shall be between 1 inch (2.5 cm) and 2 inches (5 cm) wide, except that the baselines may be up to 4 inches (10 cm) wide.

All court measurements shall be made to the outside of the lines and all lines of the court shall be of the same color clearly contrasting with the color of the surface.

No advertising is allowed on the court, net, strap, band, net posts or singles sticks except as provided in Appendix IV.

In addition to the court described above, the court designated as “Red” and the court designated as “Orange” in Appendix VII can be used for 10 and under tennis competition.

Note: Guidelines for minimum distances between the baseline and backstops and between the sidelines and sidestops can be found in Appendix IX.

2. PERMANENT FIXTURES

The permanent fixtures of the court include the backstops and sidestops, the spectators, the stands and seats for spectators, all other fixtures around and above the court, the Chair Umpire, Line Umpires, net umpire and ball persons when in their recognized positions.

In a singles match played with a doubles net and singles sticks, the net posts and the part of the net outside the singles sticks are permanent fixtures and are not considered as net posts or part of the net.

3. THE BALL

Balls, which are approved for play under the Rules of Tennis, must comply with the specifications in Appendix I.

The International Tennis Federation shall rule on the question of whether any ball or prototype complies with Appendix I or is otherwise approved, or not approved, for play. Such ruling may be taken on its own initiative or upon application by any party with a bona fide interest therein, including any player, equipment manufacturer or National Association or members thereof. Such rulings and applications shall be made in accordance with the applicable Review and Hearing Procedures of the International Tennis Federation (see Appendix X).

X. EXHIBITS

The event organizers must announce in advance of the event:

- a. The number of balls for play (2, 3, 4 or 6).
- b. The ball change policy, if any.

Ball changes, if any, can be made either:

- i) After an agreed odd number of games, in which case, the first ball change in the match shall take place two games earlier than for the rest of the match, to make allowance for the warm-up. A tie-break game counts as one game for the ball change. A ball change shall not take place at the beginning of a tie-break game. In this case, the ball change shall be delayed until the beginning of the second game of the next set; or
- ii. At the beginning of a set

If a ball gets broken during play, the point shall be replayed.

Case 1: *If a ball is soft at the end of a point, should the point be replayed?*

Decision: *If the ball is soft, not broken, the point shall not be replayed.*

Note: Any ball to be used in a tournament which is played under the Rules of Tennis, must be named on the official ITF list of approved balls issued by the International Tennis Federation.

4. THE RACKET

Rackets, which are approved for play under the Rules of Tennis, must comply with the specifications in Appendix II.

The International Tennis Federation shall rule on the question of whether any racket or prototype complies with Appendix II or is otherwise approved, or not approved, for play. Such ruling may be undertaken on its own initiative, or upon application by any party with a bona fide interest therein, including any player, equipment manufacturer or National Association or members thereof. Such rulings and applications shall be made in accordance with the applicable Review and Hearing Procedures of the International Tennis Federation (see Appendix X).

Case 1: *Is more than one set of strings allowed on the hitting surface of a racket?*

Decision: *No. The rule mentions a pattern (not patterns) of crossed strings. (See Appendix II)*

Case 2: *Is the stringing pattern of a racket considered to be generally uniform and flat if the strings are on more than one plane?*

Decision: *No.*

Case 3: *Can vibration damping devices be placed on the strings of a racket? If so, where can they be placed?*

Decision: *Yes, but these devices may only be placed outside the pattern of the crossed strings.*

Case 4: *During a point, a player accidentally breaks the strings. Can the player continue to play another point with this racket?*

Decision: *Yes, except where specifically prohibited by event organizers.*

X. EXHIBITS

Case 5: *Is a player allowed to use more than one racket at any time during play?*

Decision: *No.*

Case 6: *Can a battery that affects playing characteristics be incorporated into a racket?*

Decision: *No. A battery is prohibited because it is an energy source, as are solar cells and other similar devices.*

5. SCORE IN A GAME

- a. Standard game

A standard game is scored as follows with the server's score being called first:

No point	-	"Love"
First point	-	"15"
Second point	-	"30"
Third point	-	"40"
Fourth point	-	"Game"

except that if each player/team has won three points, the score is "Deuce". After "Deuce", the score is "Advantage" for the player/team who wins the next point. If that same player/team also wins the next point, that player/team wins the "Game"; if the opposing player/team wins the next point, the score is again "Deuce". A player/team needs to win two consecutive points immediately after "Deuce" to win the "Game".

b. Tie-break game

During a tie-break game, points are scored "Zero", "1", "2", "3", etc. The first player/team to win seven points wins the "Game" and "Set", provided there is a margin of two points over the opponent(s). If necessary, the tie-break game shall continue until this margin is achieved.

The player whose turn it is to serve shall serve the first point of the tie-break game. The following two points shall be served by the opponent(s) (in doubles, the player of the opposing team due to serve next). After this, each player/team shall serve alternately for two consecutive points until the end of the tie-break game (in doubles, the rotation of service within each team shall continue in the same order as during that set).

The player/team whose turn it was to serve first in the tie-break game shall be the receiver in the first game of the following set.

Additional approved alternative scoring methods can be found in Appendix V.

6. SCORE IN A SET

There are different methods of scoring in a set. The two main methods are the "Advantage Set" and the "Tie-break Set". Either method may be used provided that the one to be used is announced in advance of the event. If the "Tie-break Set" method is

X. EXHIBITS

to be used, it must also be announced whether the final set will be played as a “Tie-break Set” or an “Advantage Set”.

a. “Advantage Set”

The first player/team to win six games wins that “Set”, provided there is a margin of two games over the opponent(s). If necessary, the set shall continue until this margin is achieved.

b. “Tie-break Set”

The first player/team to win six games wins that “Set”, provided there is a margin of two games over the opponent(s). If the score reaches six games all, a tie-break game shall be played.

Additional approved alternative scoring methods can be found in Appendix V.

7. SCORE IN A MATCH

A match can be played to the best of 3 sets (a player/team needs to win 2 sets to win the match) or to the best of 5 sets (a player/team needs to win 3 sets to win the match).

Additional approved alternative scoring methods can be found in Appendix V.

8. SERVER & RECEIVER

The players/teams shall stand on opposite sides of the net. The server is the player who puts the ball into play for the first point. The receiver is the player who is ready to return the ball served by the server.

Case 1: *Is the receiver allowed to stand outside the lines of the court?*

Decision: *Yes. The receiver may take any position inside or outside the lines on the receiver’s side of the net.*

9. CHOICE OF ENDS & SERVICE

The choice of ends and the choice to be server or receiver in the first game shall be decided by toss before the warm-up starts. The player/team who wins the toss may choose:

- a. To be server or receiver in the first game of the match, in which case the opponent(s) shall choose the end of the court for the first game of the match; or
- b. The end of the court for the first game of the match, in which case the opponent(s) shall choose to be server or receiver for the first game of the match; or
- c. To require the opponent(s) to make one of the above choices.

Case 1: *Do both players/teams have the right to new choices if the warm-up is stopped and the players leave the court?*

Decision: *Yes. The result of the original toss stands, but new choices may be made by both players/teams.*

X. EXHIBITS

10. CHANGE OF ENDS

The players shall change ends at the end of the first, third and every subsequent odd game of each set. The players shall also change ends at the end of each set unless the total number of games in that set is even, in which case the players change ends at the end of the first game of the next set.

During a tie-break game, players shall change ends after every six points.

Additional approved alternative procedures can be found in Appendix V.

11 BALL IN PLAY

Unless a fault or a let is called, the ball is in play from the moment the server hits the ball, and remains in play until the point is decided.

12. BALL TOUCHES A LINE

If a ball touches a line, it is regarded as touching the court bounded by that line.

13. BALL TOUCHES A PERMANENT FIXTURE

If the ball in play touches a permanent fixture after it has hit the correct court, the player who hit the ball wins the point. If the ball in play touches a permanent fixture before it hits the ground, the player who hit the ball loses the point.

14. ORDER OF SERVICE

At the end of each standard game, the receiver shall become the server and the server shall become the receiver for the next game.

In doubles, the team due to serve in the first game of each set shall decide which player shall serve for that game. Similarly, before the second game starts, their opponents shall decide which player shall serve for that game. The partner of the player who served in the first game shall serve in the third game and the partner of the player who served in the second game shall serve in the fourth game. This rotation shall continue until the end of the set.

15. ORDER OF RECEIVING IN DOUBLES

The team which is due to receive in the first game of a set shall decide which player shall receive the first point in the game. Similarly, before the second game starts, their opponents shall decide which player shall receive the first point of that game. The player who was the receiver’s partner for the first point of the game shall receive the second point and this rotation shall continue until the end of the game and the set.

After the receiver has returned the ball, either player in a team can hit the ball.

Case 1: *Is one member of a doubles team allowed to play alone against the opponents?*

Decision: *No.*

X. EXHIBITS

16. THE SERVICE

Immediately before starting the service motion, the server shall stand at rest with both feet behind (i.e. further from the net than) the baseline and within the imaginary extensions of the center mark and the sideline.

The server shall then release the ball by hand in any direction and hit the ball with the racket before the ball hits the ground. The service motion is completed at the moment that the player's racket hits or misses the ball. A player who is able to use only one arm may use the racket for the release of the ball.

17 SERVING

When serving in a standard game, the server shall stand behind alternate halves of the court, starting from the right half of the court in every game.

In a tie-break game, the service shall be served from behind alternate halves of the court, with the first served from the right half of the court.

The service shall pass over the net and hit the service court diagonally opposite, before the receiver returns it.

18. FOOT FAULT

During the service motion, the server shall not:

- a. Change position by walking or running, although slight movements of the feet are permitted; or
- b. Touch the baseline or the court with either foot; or
- c. Touch the area outside the imaginary extension of the sideline with either foot; or
- d. Touch the imaginary extension of the center mark with either foot.

If the server breaks this rule it is a "Foot Fault".

Case 1: *In a singles match, is the server allowed to serve standing behind the part of the baseline between the singles sideline and the doubles sideline?*

Decision: No.

Case 2: *Is the server allowed to have one or both feet off the ground?*

Decision: Yes.

19. SERVICE FAULT

The service is a fault if:

- a. The server breaks rules 16, 17 or 18; or
- b. The server misses the ball when trying to hit it; or
- c. The ball served touches a permanent fixture, singles stick or net post before it hits the ground; or
- d. The ball served touches the server or server's partner, or anything the server or server's partner is wearing or carrying.

X. EXHIBITS

Case 1: *After tossing a ball to serve, the server decides not to hit it and catches it instead. Is this a fault?*

Decision: No. A player, who tosses the ball and then decides not to hit it, is allowed to catch the ball with the hand or the racket, or to let the ball bounce.

Case 2: *During a singles match played on a court with net posts and singles sticks, the ball served hits a singles stick and then hits the correct service court. Is this a fault?*

Decision: Yes.

20. SECOND SERVICE

If the first service is a fault, the server shall serve again without delay from behind the same half of the court from which that fault was served, unless the service was from the wrong half.

21. WHEN TO SERVE & RECEIVE

The server shall not serve until the receiver is ready. However, the receiver shall play to the reasonable pace of the server and shall be ready to receive within a reasonable time of the server being ready.

A receiver who attempts to return the service shall be considered as being ready. If it is demonstrated that the receiver is not ready, the service cannot be called a fault.

22. THE LET DURING A SERVICE

The service is a let if:

- a. The ball served touches the net, strap or band, and is otherwise good; or, after touching the net, strap or band, touches the receiver or the receiver's partner or anything they wear or carry before hitting the ground; or
- b. The ball is served when the receiver is not ready.

In the case of a service let, that particular service shall not count, and the server shall serve again, but a service let does not cancel a previous fault.

Additional approved alternative procedures can be found in Appendix V.

23. THE LET

In all cases when a let is called, except when a service let is called on a second service, the whole point shall be replayed.

Case 1: *When the ball is in play, another ball rolls onto court. A let is called. The server had previously served a fault. Is the server now entitled to a first service or second service?*

Decision: First service. The whole point must be replayed.

24. PLAYER LOSES POINT

The point is lost if:

- a. The player serves two consecutive faults; or

X. EXHIBITS

- b. The player does not return the ball in play before it bounces twice consecutively; or
- c. The player returns the ball in play so that it hits the ground, or before it bounces, an object, outside the correct court; or
- d. The player returns the ball in play so that, before it bounces, it hits a permanent fixture; or
- e. The receiver returns the service before it bounces; or
- f. The player deliberately carries or catches the ball in play on the racket or deliberately touches it with the racket more than once; or
- g. The player or the racket, whether in the player's hand or not, or anything which the player is wearing or carrying touches the net, net posts/singles sticks, cord or metal cable, strap or band, or the opponent's court at any time while the ball is in play; or
- h. The player hits the ball before it has passed the net; or
- i. The ball in play touches the player or anything that the player is wearing or carrying, except the racket; or
- j. The ball in play touches the racket when the player is not holding it; or
- k. The player deliberately and materially changes the shape of the racket when the ball is in play; or
- l. In doubles, both players touch the ball when returning it.

Case 1: *After the server has served a first service, the racket falls out of the server's hand and touches the net before the ball has bounced. Is this a service fault, or does the server lose the point?*

Decision: *The server loses the point because the racket touches the net while the ball is in play.*

Case 2: *After the server has served a first service, the racket falls out of the server's hand and touches the net after the ball has bounced outside the correct service court. Is this a service fault, or does the server lose the point?*

Decision: *This is a service fault because when the racket touched the net the ball was no longer in play.*

Case 3: *In a doubles match, the receiver's partner touches the net before the ball that has been served touches the ground outside the correct service court. What is the correct decision?*

Decision: *The receiving team loses the point because the receiver's partner touched the net while the ball was in play.*

Case 4: *Does a player lose the point if an imaginary line in the extension of the net is crossed before or after hitting the ball?*

Decision: *The player does not lose the point in either case provided the player does not touch the opponent's court.*

Case 5: *Is a player allowed to jump over the net into the opponent's court while the ball is in play?*

Decision: *No. The player loses the point.*

Case 6: *A player throws the racket at the ball in play. Both the racket and the ball land in the court on the opponent's side of the net and the opponent(s) is unable to reach the ball. Which player wins the point?*

Decision: *The player who threw the racket at the ball loses the point.*

X. EXHIBITS

Case 7: *A ball that has just been served hits the receiver or in doubles the receiver's partner before it touches the ground. Which player wins the point?*

Decision: *The server wins the point, unless it is a service let.*

Case 8: *A player standing outside the court hits the ball or catches it before it bounces and claims the point because the ball was definitely going out of the correct court.*

Decision: *The player loses the point, unless it is a good return, in which case the point continues.*

25. A GOOD RETURN

It is a good return if:

- a. The ball touches the net, net posts/singles sticks, cord or metal cable, strap or band, provided that it passes over any of them and hits the ground within the correct court; except as provided in Rule 2 and 24 (d); or
- b. After the ball in play has hit the ground within the correct court and has spun or been blown back over the net, the player reaches over the net and plays the ball into the correct court, provided that the player does not break Rule 24; or
- c. The ball is returned outside the net posts, either above or below the level of the top of the net, even though it touches the net posts, provided that it hits the ground in the correct court; except as provided in Rules 2 and 24 (d); or
- d. The ball passes under the net cord between the singles stick and the adjacent net post without touching either net, net cord or net post and hits the ground in the correct court; or
- e. The player's racket passes over the net after hitting the ball on the player's own side of the net and the ball hits the ground in the correct court; or
- f. The player hits the ball in play, which hits another ball lying in the correct court.

Case 1: *A player returns a ball which then hits a singles stick and hits the ground in the correct court. Is this a good return?*

Decision: *Yes. However, if the ball is served and hits the singles stick, it is a service fault.*

Case 2: *A ball in play hits another ball which is lying in the correct court. What is the correct decision?*

Decision: *Play continues. However, if it is not clear that the actual ball in play has been returned, a let should be called.*

26. HINDRANCE

If a player is hindered in playing the point by a deliberate act of the opponent(s), the player shall win the point.

However, the point shall be replayed if a player is hindered in playing the point by either an unintentional act of the opponent(s), or something outside the player's own control (not including a permanent fixture).

Case 1: *Is an unintentional double hit a hindrance?*

Decision: *No. See also Rule 24 (f).*

Case 2: *A player claims to have stopped play because the player thought that the opponent(s) was being hindered. Is this a hindrance?*

X. EXHIBITS

Decision: No, the player loses the point.

Case 3: A ball in play hits a bird flying over the court. Is this a hindrance?

Decision: Yes, the point shall be replayed.

Case 4: During a point, a ball or other object that was lying on the player's side of the net when the point started hinders the player. Is this a hindrance?

Decision: No.

Case 5: In doubles, where are the server's partner and receiver's partner allowed to stand?

Decision: The server's partner and the receiver's partner may take any position on their own side of the net, inside or outside the court. However, if a player is creating a hindrance to the opponent(s), the hindrance rule should be used.

27. CORRECTING ERRORS

As a principle, when an error in respect of the Rules of Tennis is discovered, all points previously played shall stand. Errors so discovered shall be corrected as follows:

- a. During a standard game or a tie-break game, if a player serves from the wrong half of the court, this should be corrected as soon as the error is discovered and the server shall serve from the correct half of the court according to the score. A fault that was served before the error was discovered shall stand.
- b. During a standard game or a tie-break game, if the players are at the wrong ends of the court, the error should be corrected as soon as it is discovered and the server shall serve from the correct end of the court according to the score.
- c. If a player serves out of turn during a standard game, the player who was originally due to serve shall serve as soon as the error is discovered. However, if a game is completed before the error is discovered the order of service shall remain as altered. In this case, any ball change to be made after an agreed number of games should be made one game later than originally scheduled.
A fault that was served by the opponents(s) before the error was discovered shall not stand.
In doubles, if the partners of one team serve out of turn, a fault that was served before the error was discovered shall stand.
- d. If a player serves out of turn during a tie-break game and the error is discovered after an even number of points have been played, the error is corrected immediately. If the error is discovered after an odd number of points have been played, the order of service shall remain as altered.
A fault that was served by the opponent(s) before the error was discovered shall not stand.
In doubles, if the partners of one team serve out of turn, a fault that was served before the error was discovered shall stand.
- e. During a standard game or a tie-break game in doubles, if there is an error in the order of receiving, this shall remain as altered until the end of the game in which the error is discovered. For the next game in which they are the receivers in that set, the partners shall then resume the original order of receiving.

X. EXHIBITS

- f. If in error a tie-break game is started at 6 games all, when it was previously agreed that the set would be an "Advantage set", the error shall be corrected immediately if only one point has been played. If the error is discovered after the second point is in play, the set will continue as a "Tie-break set".
- g. If in error a standard game is started at 6 games all, when it was previously agreed that the set would be a "Tie-break set", the error shall be corrected immediately if only one point has been played. If the error is discovered after the second point is in play, the set will continue as an "Advantage set" until the score reaches 8 games all (or a higher even number), when a tie-break game shall be played.
- h. If in error an "Advantage set" or "Tie-break set" is started, when it was previously agreed that the final set would be a match tie-break, the error shall be corrected immediately if only one point has been played. If the error is discovered after the second point is in play, the set will continue either until a player or team wins three games (and therefore the set) or until the score reaches 2 games all, when a match tie-break shall be played. However, if the error is discovered after the second point of the fifth game has started, the set will continue as a "Tie-break set". (See Appendix V)
- i. If the balls are not changed in the correct sequence, the error shall be corrected when the player/team who should have served with new balls is next due to serve a new game. Thereafter the balls shall be changed so that the number of games between ball changes shall be that originally agreed. Balls should not be changed during a game.

28. ROLE OF COURT OFFICIALS

For matches where officials are appointed, their roles and responsibilities can be found in Appendix VI.

29. CONTINUOUS PLAY

As a principle, play should be continuous, from the time the match starts (when the first service of the match is put in play) until the match finishes.

- a. Between points, a maximum of twenty-five (25) seconds is allowed. When the players change ends at the end of a game, a maximum of ninety (90) seconds are allowed. However, after the first game of each set and during a tie-break game, play shall be continuous and the players shall change ends without a rest.
At the end of each set there shall be a set break of a maximum of one hundred and twenty (120) seconds.
The maximum time starts from the moment that one point finishes until the first service is struck for the next point.
Event organizers may apply for ITF approval to extend the ninety (90) seconds allowed when the players change ends at the end of a game and the one hundred and twenty (120) seconds allowed at a set break.
- b. If, for reasons outside the player's control, clothing, footwear or necessary equipment (excluding the racket) is broken or needs to be replaced, the player may be allowed reasonable extra time to rectify the problem.
- c. No extra time shall be given to allow a player to recover condition. However, a player suffering from a treatable medical condition may be allowed one medical time-out of three minutes for the treatment of that medical condition.

X. EXHIBITS

A limited number of toilet/change of attire breaks may also be allowed, if this is announced in advance of the event.

- d. Event organizers may allow a rest period of a maximum of ten (10) minutes if this is announced in advance of the event. This rest period can be taken after the 3rd set in a best of 5 sets match, or after the 2nd set in a best of 3 sets match.
- e. The warm-up time shall be a maximum of five (5) minutes, unless otherwise decided by the event organizers.

30. COACHING

Coaching is considered to be communication, advice or instruction of any kind and by any means to a player.

In team events where there is a team captain sitting on-court, the team captain may coach the player(s) during a set break and when the players change ends at the end of a game, but not when the players change ends after the first game of each set and not during a tie-break game.

In all other matches, coaching is not allowed.

Case 1: *Is a player allowed to be coached, if the coaching is given by signals in a discreet way?*

Decision: No.

Case 2: *Is a player allowed to receive coaching when play is suspended?*

Decision: Yes.

Case 3: *Is a player allowed to receive on-court coaching during a match?*

Decision: *Sanctioning bodies may apply to the ITF to have on-court coaching allowed. In events where on-court coaching is allowed, designated coaches may enter the court and coach their players under procedures decided by the sanctioning body.*

31. PLAYER ANALYSIS TECHNOLOGY

Player analysis technology, that is approved for play under the Rules of Tennis, must comply with the specifications in Appendix III.

The International Tennis Federation shall rule on the question of whether any such equipment is approved, or not approved. Such ruling may be taken on its own initiative, or upon application by any party with a bona fide interest therein, including any player, equipment manufacturer or National Association or members thereof. Such rulings and applications shall be made in accordance with the applicable Review and Hearing Procedures of the International Tennis Federation (see Appendix X).

RULES OF WHEELCHAIR TENNIS

The game of wheelchair tennis follows the ITF Rules of Tennis with the following exceptions.

a. The Two Bounce Rule

The wheelchair tennis player is allowed two bounces of the ball. The player must return the ball before it hits the ground a third time. The second bounce can be either in or out of the court boundaries.

X. EXHIBITS

b. The Wheelchair

The wheelchair is considered part of the body and all applicable rules, which apply to a player's body, shall apply to the wheelchair.

c. The Service

The service shall be delivered in the following manner.

- i. Immediately before commencing the service, the server shall be in a stationary position. The server shall then be allowed one push before striking the ball.
- ii. The server shall throughout the delivery of the service not touch with any wheel, any area other than that behind the baseline within the imaginary extension of the center mark and sideline.
- iii. If conventional methods for the service are physically impossible for a quadriplegic player, then the player or an individual may drop the ball for such a player. However, the same method of serving must be used each time.

d. Player Loses Point

A player loses a point if:

- i. The player fails to return the ball before it has touched the ground three times; or
- ii. Subject to rule f) below the player uses any part of his feet or lower extremities as brakes or as stabilizers while delivering service, stroking a ball, turning or stopping against the ground or against any wheel while the ball is in play; or
- iii. The player fails to keep one buttock in contact with his wheelchair seat when contacting the ball.

e. The Wheelchair

Wheelchairs used in all competitions played under the Rules of Wheelchair Tennis must comply with the following specifications:

- i. The wheelchair may be constructed of any material provided that such material is non-reflective and does not constitute a hindrance to the opponent.
- ii. Wheels may have a single pushrim only. No changes to the wheelchair that afford the player a mechanical advantage are permitted, such as levers or gears. During normal play, wheels shall not leave permanent marks on, or otherwise damage, the court surface.
- iii. Subject to Rule e(v), players shall use only the wheels (including pushrims) to propel the wheelchair. No steering, braking or gearing or other device that may assist operation of the wheelchair, including energy storage systems, is permitted.
- iv. The height of the seat (including cushion) shall be fixed and players' buttocks shall remain in contact with the seat during the playing of a point. Strapping may be used to secure the player to the wheelchair.
- v. Players who meet the requirements of Article 10 of the ITF Wheelchair Tennis Classification Rules may use a wheelchair powered by electric motor(s) (a "powered wheelchair"). Powered wheelchairs must not be able to exceed 15 km/h in any direction and shall be controlled by the player only.
- vi. Applications may be made for modifications to the wheelchair for legitimate medical reasons. All such applications shall be submitted to the ITF Sport Science & Medicine Commission for approval a minimum of 60 days prior to intended use in an ITF-sanctioned event.

X. EXHIBITS

A decision to reject a proposed modification may be appealed under Appendix III of the ITF Wheelchair Tennis Regulations.

f. Propelling the Chair with the Foot

- i. If due to lack of capacity a player is unable to propel the wheelchair via the wheel then he may propel the wheelchair using one foot.
- ii. Even if in accordance with rule e) i. above a player is permitted to propel the chair using one foot, no part of the player's foot may be in contact with the ground:
 - a) during the forward motion of the swing, including when the racket strikes the ball;
 - b) from the initiation of the service motion until the racket strikes the ball.
- iii. A player in breach of this rule shall lose the point.

f. Wheelchair/Able-bodied Tennis

Where a wheelchair tennis player is playing with or against an able-bodied person in singles or doubles, the Rules of Wheelchair Tennis shall apply for the wheelchair player while the Rules of Tennis for able-bodied tennis shall apply for the able-bodied player. In this instance, the wheelchair player is allowed two bounces while the able-bodied player is allowed only one bounce.

Note: The definition of lower extremities is: the lower limbs, including the buttocks, hips, thighs, legs, ankles and feet.

AMENDMENT TO THE RULES OF TENNIS

The official and decisive text to the Rules of Tennis shall be for ever in the English language and no alteration or interpretation of such Rules shall be made except at an Annual General Meeting of the Council, nor unless notice of the resolution embodying such alteration shall have been received by the Federation in accordance with Article 17 of the Constitution of ITF Ltd (Notice of Resolutions) and such resolution or one having the like effect shall be carried by a majority of two-thirds of the votes recorded in respect of the same.

Any alteration so made shall take effect as from the first day of January following unless the Meeting shall by the like majority decide otherwise.

The Board of Directors shall have power, however, to settle all urgent questions of interpretation subject to confirmation at the General Meeting next following.

This Rule shall not be altered at any time without the unanimous consent of a General Meeting of the Council.

CLASSIFICATION OF COURT PACE

The ITF test method used for determining the pace of a court surface is ITF CS 01/02 (ITF Court Pace Rating) as described in the ITF publication entitled "ITF guide to test methods for tennis court surfaces".

Court surfaces which have an ITF Court Pace Rating of 0 to 29 shall be classified as being Category 1 (slow pace). Examples of court surface types which conform to this classification will include most clay courts and other types of unbound mineral surface.

Court surfaces which have an ITF Court Pace Rating of 30 to 34 shall be classified as being Category 2 (medium-slow pace), while court surfaces with an ITF Court Pace Rating of 35 to 39 shall be classified as being Category 3 (medium pace). Examples of court surface types which conform to this classification will include most acrylic coated surfaces plus some carpet surfaces.

Court surfaces with an ITF Court Pace Rating of 40 to 44 shall be classified as being Category 4 (medium-fast pace), while court surfaces which have an ITF Court Pace Rating of 45 or more shall be classified as being Category 5 (fast pace). Examples of court surface types which conform to this classification will include most natural grass, artificial grass and some carpet surfaces.

Case 1: Which ball type should be used on which court surface?

Decision: 3 different types of balls are approved for play under the

X. EXHIBITS

Rules of Tennis, however:

- a. Ball Type 1 (fast speed) is intended for play on slow pace court surfaces
- b. Ball Type 2 (medium speed) is intended for play on medium-slow, medium and medium-fast pace court surfaces
- c. Ball Type 3 (slow speed) is intended for play on fast pace court surfaces

Note: In addition to the ball types specified under paragraph (b) above, the Stage 1 (Green) ball may be used for all levels of competitive play except for world ranking professional tennis events, Davis Cup and Fed Cup, the Olympic Tennis Event, Junior Tournaments and Team events sanctioned by the ITF and affiliated Regional Associations, ITF Senior Circuit and Team events and ITF Wheelchair Circuit and Team events.

Each National Association shall have the right to decide which national competitive events should use the stage 1 (green) ball.

APPENDIX II

THE RACKET

For all measurements in Appendix II, SI units shall take precedence

- a. The racket shall consist of a frame and string(s). The frame shall consist of a handle and head, and may also include a throat. The head is defined as that part of the racket to which the string(s) connect. The handle is defined as that part of the racket connected to the head which is held by the player in normal use. The throat, where present, is that part of the racket that joins the handle to the head.
- b. The hitting surface, defined as the main area of the stringing pattern bordered by the points of entry of the strings into the head or points of contact of the strings with the head, whichever is the smaller, shall be flat and consist of a pattern of crossed strings, which shall be alternately interlaced or bonded where they cross. The stringing pattern must be generally uniform and, in particular, not less dense in the center than in any other area. The racket shall be designed and strung such that the playing characteristics are identical on both faces.
- c. The racket shall not exceed 73.7 cm (29.0 inches) in overall length, and 31.7 cm (12.5 inches) in overall width. The hitting surface shall not exceed 39.4 cm (15.5 inches) in overall length, when measured parallel to the longitudinal axis of the handle, and 29.2 cm (11.5 inches) in overall width, when measured perpendicular to the longitudinal axis of the handle.
- d. The racket shall be free of any attached object, protrusion or device which makes it possible to change materially the shape of the racket, or its moment of inertia about any principal axis, or to change any physical property which may affect the performance of the racket during the playing of a point. Attached objects, protrusions and devices that are approved as Player Analysis Technology, or that are utilised to limit or prevent wear and tear or vibration or, for the frame only, to distribute weight, are permitted. All permissible objects,

X. EXHIBITS

protrusions and devices must be reasonable in size and placement for their respective purpose(s).

No energy source that in any way could change or affect the playing characteristics of a racket may be built into or attached to a racket.

APPENDIX III

PLAYER ANALYSIS TECHNOLOGY

Player Analysis Technology is equipment that may perform any of the following functions with respect to player performance information:

- A. Recording
- B. Storing
- C. Transmission
- D. Analysis
- E. Communication to a player of any kind and by any means

Player Analysis Technology may record and/or store information during a match. Such information may only be accessed by a player in accordance with Rule 30.

APPENDIX IV

ADVERTISING

1. Advertising is permitted on the net as long as it is placed on the part of the net that is within 3 feet (0.914 m) from the center of the net posts and is produced in such a way that it does not interfere with the vision of the players or the playing conditions.

A mark (non-commercial) of the sanctioning body is permitted on the lower part of the net, minimum 20 inches (0.51 m) from the top of the net, as long as it is produced in such a way that it does not interfere with the vision of the players or the playing conditions.

2. Advertising and other marks or material placed at the back and sides of the court shall be permitted unless it interferes with the vision of the players or the playing conditions.
3. Advertising and other marks or material placed on the court surface outside the lines is permitted unless it interferes with the vision of the players or the playing conditions.
4. Notwithstanding paragraphs (1), (2) and (3) above, any advertising, marks or material placed on the net or placed at the back and sides of the court, or on the court surface outside the lines may not contain white or yellow or other light colors that may interfere with the vision of the players or the playing conditions.
5. Advertising and other marks or material are not permitted on the court surface inside the lines of the court.

APPENDIX V

ALTERNATIVE PROCEDURES AND SCORING METHODS

SCORE IN A GAME (Rule 5):

This alternatives listed in this Appendix V may be used.

“No-Ad” SCORING METHOD

A “No-Ad” game is scored as follows with the server’s score being called first:

No point	-	“Love”
First point	-	“15”
Second point	-	“30”
Third point	-	“40”
Fourth point	-	“Game”

If both players/teams have won three points each, the score is “Deuce” and a deciding point shall be played. The receiver(s) shall choose whether to receive the service from the right half or the left half of the court. In doubles, the players of the receiving team cannot change positions to receive this deciding point. The player/team who wins the deciding point wins the “Game”.

In mixed doubles, the player of the same gender as the server shall receive the deciding point. The players of the receiving team cannot change positions to receive the deciding point.

SCORE IN A SET (Rules 6 and 7):

1. SHORT SETS

The first player/team who wins four games wins that set, provided there is a margin of two games over the opponent(s). If the score reaches four games all, a tie-break game shall be played. Alternatively (at the discretion of the sanctioning body), if the score reaches three games all, a tie-break game shall be played.

2. SHORT SET TIE-BREAK

When playing Short Sets only, a Short Set tie-break may be used. The first player/team to win five points wins the “Game” and “Set”, with a deciding point if the score reaches four all. The order and number of serves shall be determined by the sanctioning body. Players/Teams will only change ends after the first four points have been played.

3. MATCH TIE-BREAK (7 POINTS)

When the score in a match is one set all, or two sets all in best of five sets matches, one tie-break game shall be played to decide the match. This tie-break game replaces the deciding final set.

The player/team who first wins seven points shall win this match tie-break and the match provided there is a margin of two points over the opponent(s).

X. EXHIBITS

4. MATCH TIE-BREAK (10 POINTS)

When the score in a match is one set all, or two sets all in best of five sets matches, one tie-break game shall be played to decide the match. This tie-break game replaces the deciding final set.

The player/team who first wins ten points shall win this match tie-break and the match provided there is a margin of two points over the opponent(s).

Note: When using the match tie-break to replace the final set:

- the original order of service continues. (Rules 5 and 14)

APPENDIX VI

ROLE OF COURT OFFICIALS

The Referee is the final authority on all questions of tennis law and the Referee's decision is final.

In matches where a Chair Umpire is assigned, the Chair Umpire is the final authority on all questions of fact during the match.

The players have the right to call the Referee to court if they disagree with a Chair Umpire's interpretation of tennis law.

In matches where Line Umpires and net umpires are assigned, they make all calls (including foot-fault calls) relating to that line or net. The Chair Umpire has the right to overrule a Line Umpire or a net umpire if the Chair Umpire is sure that a clear mistake has been made. The Chair Umpire is responsible for calling any line (including foot-faults) or net where no Line Umpire or net umpire is assigned.

X. EXHIBITS

A Line Umpire who cannot make a call shall signal this immediately to the Chair Umpire who shall make a decision. If the Line Umpire can not make a call, or if there is no Line Umpire, and the Chair Umpire can not make a decision on a question of fact, the point shall be replayed.

In team events where the Referee is sitting on-court, the Referee is also the final authority on questions of fact.

Play may be stopped or suspended at any time the Chair Umpire decides it is necessary or appropriate.

The Referee may also stop or suspend play in the case of darkness, weather or adverse court conditions. When play is suspended for darkness, this should be done at the end of a set, or after an even number of games have been played in the set in progress. After a suspension in play, the score and position of players on-court in the match shall stand when the match resumes.

The Chair Umpire or Referee shall make decisions regarding continuous play and coaching in respect of any Code of Conduct that is approved and in operation.

Case 1: *The Chair Umpire awards the server a first service after an overrule, but the receiver argues that it should be a second service, since the server had already served a fault. Should the Referee be called to court to give a decision?*

Decision: *Yes. The Chair Umpire makes the first decision about questions of tennis law (issues relating to the application of specific facts). However, if a player appeals the Chair Umpire's decision, then the Referee shall be called to make the final decision.*

Case 2: *A ball is called out, but a player claims that the ball was good. May the Referee be called to court to make a decision?*

Decision: *No. The Chair Umpire makes the final decision on questions of fact (issues relating to what actually happened during a specific incident).*

Case 3: *Is a Chair Umpire allowed to overrule a Line Umpire at the end of a point if, in the Chair Umpire's opinion, a clear mistake was made earlier in the point?*

Decision: *No. A Chair Umpire may only overrule a Line Umpire immediately after the clear mistake has been made.*

Case 4: *A Line Umpire calls a ball “Out” and then the player argues that the ball was good. Is the Chair Umpire allowed to overrule the Line Umpire?*

Decision: *No. A Chair Umpire must never overrule as the result of the protest or appeal by a player*

Case 5: *A Line Umpire calls a ball “Out”. The Chair Umpire was unable to see clearly, but thought the ball was in. May the Chair Umpire overrule the Line Umpire?*

Decision: *No. The Chair Umpire may only overrule when sure that the Line Umpire made a clear mistake.*

Case 6: *Is a Line Umpire allowed to change the call after the Chair Umpire has announced the score?*

X. EXHIBITS

Decision: Yes. If a Line Umpire realizes a mistake, a correction should be made as soon as possible provided it is not as the result of a protest or appeal of a player.

Case 7: If a Chair Umpire or Line Umpire calls “out” and then corrects the call to good, what is the correct decision?

Decision: The Chair Umpire must decide if the original “out” call was a hindrance to either player. If it was a hindrance, the point shall be replayed. If it was not a hindrance, the player who hit the ball wins the point.

Case 8: A ball is blown back over the net and the player correctly reaches over the net to try to play the ball. The opponent(s) hinders the player from doing this. What is the correct decision?

Decision: The Chair Umpire must decide if the hindrance was deliberate or unintentional and either awards the point to the hindered player or order the point to be replayed.

BALL MARK INSPECTION PROCEDURES

1. Ball mark inspections can only be made on clay courts.
2. A ball mark inspection requested by a player (team) shall be allowed only if the Chair Umpire cannot determine the call with certainty from his/her chair on either a point-ending shot or when a player (team) stops playing the point during a rally (returns are permitted but then the player must immediately stop).
3. When the Chair Umpire has decided to make a ball mark inspection, he/she should go down from the chair and make the inspection himself. If he/she does not know where the mark is, he/she can ask the Line Umpire for help in locating the mark, but then the Chair Umpire shall inspect it.
4. The original call or overrule will always stand if the Line Umpire and Chair Umpire cannot determine the location of the mark or if the mark is unreadable.
5. Once the Chair Umpire has identified and ruled on a ball mark, this decision is final and not appealable.
6. In clay court tennis the Chair Umpire should not be too quick to announce the score unless absolutely certain of the call. If in doubt, wait before calling the score to determine whether a ball mark inspection is necessary.
7. In doubles the appealing player must make his/her appeal in such a way that either play stops or the Chair Umpire stops play. If an appeal is made to the Chair Umpire then he/she must first determine that the correct appeal procedure was followed. If it was not correct or if it was late, then the Chair Umpire may determine that the opposing team was deliberately hindered.
8. If a player erases the ball mark before the Chair Umpire has made a final decision, he/she concedes the call.
9. A player may not cross the net to check a ball mark without being subject to the Unsportsmanlike provision of the Code of Conduct.

X. EXHIBITS

ELECTRONIC REVIEW PROCEDURES

At tournaments where an Electronic Review System is used, the following procedures should be followed for matches on courts where it is used.

1. A request for an Electronic Review of a line call or overrule by a player (team) shall be allowed only on either a point-ending shot or when a player (team) stops playing the point during a rally (returns are permitted but then the player must immediately stop).
2. The Chair Umpire should decide to use the Electronic Review when there is doubt about the accuracy of the line call or overrule. However, the Chair Umpire may refuse the Electronic Review if he/she believes that the player is making an unreasonable request or that it was not made in a timely manner.
3. In doubles the appealing player must make his/her appeal in such a way that either play stops or the Chair Umpire stops play. If an appeal is made to the Chair Umpire then he/she must first determine that the correct appeal procedure was followed. If it was not correct or if it was late, then the Chair Umpire may determine that the opposing team was deliberately hindered, in which case the appealing team loses the point.
4. The original call or overrule will always stand if the Electronic Review is unable, for whatever reason, to make a decision on that line call or overrule.
5. The Chair Umpire's final decision will be the outcome of the Electronic Review and is not appealable. If a manual choice is required for the system to review a particular ball impact, a Review Official approved by the Referee shall decide which ball impact is reviewed.
6. Each player (team) is allowed three (3) unsuccessful appeals per set, plus one (1) additional appeal in the tie-break. For matches with advantage sets, players (teams) will start again with a maximum of three (3) unsuccessful appeals at 6 games all and every 12 games thereafter. For matches with match tie-break, the match tie-break counts as a new set and each player (team) starts with three (3) appeals. Players (teams) will have an unlimited number of successful appeals.

10 AND UNDER TENNIS COMPETITION

Courts:

In addition to the (full sized) court described in Rule 1, the following court dimensions may be used for 10 and under tennis competition:

- A court, designated "Red" for the purposes of 10 and under tennis competition, shall be a rectangle, between 36 feet (10.97 m) and 42 feet (12.80 m) long, and between 14 feet (4.27 m) and 20 feet (6.10 m) wide. The net shall be between 31.5 inches (0.800 m) and 33.0 inches (0.838m) high at the center.
- A court, designated "Orange", shall be a rectangle, between 58 feet (17.68 m) and 60 feet (18.29 m) long, and between 20 feet (6.10 m) and 27 feet (8.23 m) wide. The net shall be between 31.5 inches (0.800 m) and 36.0 inches (0.914m) high at the center.

Balls:

Only the following ball types, which are specified in Appendix I, can be used in 10 and under tennis competition:

- A Stage 3 (Red) ball, which is recommended for play on a "red" court, by players aged up to 8 years, using a racket up to 23 inches (58.4 cm) long.
- A Stage 2 (Orange) ball, which is recommended for play on an "orange" court, by players aged 8 to 10 years, using a racket between 23 inches (58.4 cm) and 25 inches (63.5 cm) long.
- A Stage 1 (Green) ball, which is recommended for play on a full sized court, by advanced players aged 9 to 10 years, using a racket between 25 inches (63.5 cm) and 26 inches (66.0 cm) long.

Scoring methods:

For 10 and under tennis competition using Stage 3 (Red), Stage 2 (Orange) or Stage 1 (Green) balls, scoring methods specified in the Rules of Tennis (including those specified in Appendix V) can be utilised, in addition to short duration scoring methods involving matches of one match tie-break, best of 3 tie-breaks/match tie-breaks, one short set or one regular set.

Timed matches:

For 10 and under tennis competition the tournament committee may set a specific time period for matches in the event.

PLAN OF THE COURTS

NOTE: All court measurements shall be made to the outside of the lines.

X. EXHIBITS

APPENDIX IX

SUGGESTIONS ON HOW TO MARK OUT A COURT

NOTE: All court measurements shall be made to the outside of the lines.

The following procedure is for the usual combined doubles and singles court. (See note at foot for a court for one purpose only.)

First select the position of the net; a straight line 42 feet (12.80 m) long. Mark the center (X on the diagram above) and, measuring from there in each direction, mark:

at 13'6" (4.11 m) the points a, b, where the net crosses the inner sidelines,

at 16'6" (5.03 m) the positions of the singles sticks (n, n),

at 18'0" (5.48 m) the points A, B, where the net crosses the outer sidelines,

at 21'0" (6.40 m) the positions of the net posts (N, N), being the ends of the original 42'0" (12.80 m) line.

Insert pegs at A and B and attach to them the respective ends of two measuring tapes. On one, which will measure the diagonal of the half-court, take a length 53'1" (16.18 m) and on the other (to measure the sideline) a length of 39'0" (11.89 m). Pull both taut so that at these distances they meet at a point C, which is one corner of the

X. EXHIBITS

court. Reverse the measurements to find the other corner D. As a check on this operation it is advisable at this stage to verify the length of the line CD which, being the baseline, should be found to be 36'0" (10.97 m); and at the same time its center J can be marked, and also the ends of the inner sidelines (c, d), 4'6" (1.37 m) from C and D.

The center line and service line are now marked by means of the points F, H, G, which are measured 21'0" (6.40 m) from the net down the lines bc, XJ, ad, respectively.

Identical procedure the other side of the net completes the court.

If a singles court only is required, no lines are necessary outside the points a, b, c, d, but the court can be measured out as above. Alternatively, the corners of the baseline (c, d) can be found if preferred by pegging the two tapes at a and b instead of at A and B, and by then using lengths of 47'5" (14.46 m) and 39'0" (11.89 m). The net posts will be at n, n, and a 33'0" (10 m) singles net should be used.

When a combined doubles and singles court with a doubles net is used for singles, the net must be supported at the points n, n, to a height of 3 feet 6 inches (1.07 m) by means of two singles sticks, which shall be not more than 3 inches (7.5 cm) square or 3 inches (7.5 cm) in diameter. The centers of the singles sticks shall be 3 feet (.914 m) outside the singles court on each side.

To assist in the placing of these singles sticks it is desirable that the points n, n, should each be shown with a white dot when the court is marked.

When sanctioning bodies approve so called "Blended Lines" on courts the following guidelines must be followed:

Colour:

- Within the same colour family as the background playing surface.
- Lighter than the background playing surface.
- Limit on colour variation of +22 points on the L* scale
(Add <25% by volume of white paint to the background colour)

Pace:

- Within 5 CPR of the playing surface.

Dimensions:

- 1.0-1.5 cm narrower than the standard lines.

Marking:

- Terminate 8 cm from intersection with white playing lines.

Note:

As a guide for international competitions, the recommended minimum distance between the baselines and the backstops should be 21 feet (6.40 m) and between the sidelines and the sidestops the recommended minimum distance should be 12 feet (3.66 m).

X. EXHIBITS

As a guide for recreational and Club play, the recommended minimum distance between the baselines and the backstops should be 18 feet (5.48 m) and between the sidelines and the sidestops the recommended minimum distance should be 10 feet (3.05 m).

As a guide, the recommended minimum height measured at the net from the court surface to the ceiling should be 30 feet (9.14 m)..

EXHIBIT K - Glossary

Draw Results:

The Supervisor must record match results using, where appropriate, the following definitions:

Abandoned: Match began but was not completed for any reason other than default or retirement. There is no winner or loser. The match is not to be completed. Players receive points and money equivalent to loser of that round.

Default: Losing player was defaulted under provisions of Code of Conduct after match had begun.

Incomplete: Match began but was not completed for any reason other than weather, default, or retirement. There is no winner or loser. It is anticipated that the match will be resumed and completed.

Ineligible: Player fails to sign the Consent and Agreement form prior to his first match.

Retired: Losing player retired because of illness or injury after match had begun.

Unplayed: Match did not begin for any reason other than (a) illness or injury on the part of one player or (b) one player was subjected to penalties of Code of Conduct before first serve of match was struck or otherwise not permitted by ATP or tournament Supervisor from playing. There is no winner or loser and the match will not be played.

Unregistered: Player fails to complete the registration process prior to his first match.

Walkover: Match did not begin because:

- a) losing player was ill or injured or
- b) losing player was subjected to penalties of Code of Conduct before first serve of match was struck or otherwise not permitted by ATP or tournament Supervisor to play.

This would not be used when a lucky loser or alternate is substituted. Winners of "walkover"/"no match" matches receive points and prize money as if the match had been played.

Weather: Match began but was not completed because of inclement weather. There is no winner or loser. It is anticipated that the match will be resumed and completed.

Miscellaneous Definition of Terms

Alternate: The next highest ranked player(s) who were not a direct acceptance at the time of the entry deadline.

ATP Player Dues: Money owed or collected for ATP player membership or the annual dues of such membership.

Ball Mark Inspection (BMI): On clay courts the Chair Umpire may leave the chair and inspect the mark left by the ball in play to determine the correctness of the call. This can only be done after a point-ending shot or if the player or team stops play to request an inspection.

X. EXHIBITS

Ceremonies: Awards presentations customarily held following the conclusion of the final championship match(es).

Chair Umpire: This official is responsible for the conduct of the match. His main duties are to enforce all ATP Rules and Regulations and on-court procedures to ensure accuracy, fairness and safety. He is the final authority on all questions of fact that may arise during the match.

Direct Acceptance: Players or teams accepted directly in the draw by virtue of their position in the FedEx ATP Rankings or FedEx ATP Doubles Rankings System or by their protected ranking.

Fed Ex ATP Rankings (Singles & Doubles): The objective merit-based method used for determining qualification for entry and seeding in all tournaments for both singles and doubles and the Nitto ATP Finals (singles & doubles).

Ineligible: Player fails to sign the Consent and Agreement Form prior to his first match.

Late Withdrawal: Player withdraws after 12 Noon PVB time on the Friday prior to the event; or player does not appear for his match and is not on-site.

Late Withdrawal (Dbl-MD) – used to indicate a player who has withdrawn from doubles after the on-site entry deadline.

Late Withdrawal, Qualifying: This applies to ATP Tour Masters 1000 and ATP Tour 500 events where there is an advance acceptance list for the qualifying and the player withdraws after the deadline.

Line Umpire: Officials responsible for calling specific assigned lines according to the ATP Rules under the direct on-court supervision of the Chair Umpire.

The tournament will provide a telephone/fax machine in the doctor's room and each physiotherapy treatment area. The tournament will be responsible for cost of installation and cost for the phone line.

The treatment room will be equipped with a high-speed high-speed or wireless internet connection, with 0.6 megabit per second for uploads and 5 megabits per second for downloads at a minimum, for each ATP physiotherapist to enable use of the online medical records. This can be individual DSL/ADSL cable connections, a single ADSL line with a router and cabling to provide individual connections or a WIFI router providing adequate internet connection service to the group. This is to be provided in each training room. The tournament will be responsible for the cost of installation of the Internet connection.

The tournament will provide a printer and copier for the ATP physio to use during the tournament for medical documents.

Adequate power outlets or power boards to be supplied for operation of computers, phones, routers, hi-lo treatment tables, refrigerators, TV's, etc

X. EXHIBITS

Linen

The tournament will supply adequate towels of minimum size 60cm x 120cm (larger towels are better for players to lay on the treatment table with. For example 2 quantity 60 x 120 towels would be needed under a player as compared to only 1, 80 x 180cm sized towel). During the busy days of the tournament (qualifying Saturday to main draw Thursday) it would be usual for each physio working the event to use 50 towels per day.

Sanitation Requirements

The tournament will provide a dispensed liquid soap with paper towels in the training room for hand washing. The tournament will provide covered waste bins with pedal-control– to decrease infected waste. The training room, doctor's office and massage therapy rooms will be cleaned twice a day. This will consist of cleaning tables, chairs, equipment, and floors. Anti- bacterial wipes or spray is to be supplied for cleaning of treatment tables between treatments.

Additional Items

Ice: It is expected that at least 2 bags of ice will be used for a 32 draw size per day, 3 bags for a 48 draw and 4 bags for a 64 draw and 5 bags for a 96 draw. This does NOT include ice for making ice towels (an additional supply will be required for that). Ice bags also need to be supplied by the tournament. Durable plastic bags that do not leak are needed to assist with ice application for the players.

X. EXHIBITS

Water: Bottled still water and electrolyte drinks to be supplied for players to rehydrate while in the treatment room. All drinks must be WADA compatible and consistent with ATP requirements

Television: At least one television should be supplied with access to live scoring. An additional TV with court view is ideal so that players can watch current matches.

Massage Therapist

Each massage therapist will require a separate massage table. They will also have a separate supply of towels (minimum 30 per day) and 30 sheets per day.

Timing Required for Preparation of Treatment Room Facility and Equipment

The massage therapist will have close access to proper hand washing and toilet facilities. They will have lockable cupboard, waste bins, chairs for players, and one rolling stool per massage therapist.

All of these requirements must be ready to operate by 8:00 am tournament local time the day of Qualifying Sign-In (i.e. The day before Qualifying matches begin).

EXHIBIT U - ELC Review Official Protocol

The ELC Review Official (RO) shall be designated by the governing body responsible for that match.

- Prior to the start of the ELC system on any court, during the CU meeting, be responsible to inform the Chair Umpires about:
 - On site booth set up
 - Location
 - Conditions
 - Type of communication with ELC Staff and TV.
 - Type of the system (Approved Systems: Foxtenn, Hawkeye)
- In the case of a temporary RO in the booth the designated ELC Review official is responsible to make sure that the temporary RO is aware of all the local set up and booth procedures specific to that event.
- Shall be in direct communication with the Chair Umpire.
- Most desirable method is a direct talk box with a “push to talk” button. Alternative is dedicated walkie-talkie.
- If using computer to record the challenges load proper match into it.
- On all “potential” review impacts – Make sure you listen to the CU announcement (which line and call made) – if in any doubt radio the CU to double check. For additional information, see Review Official Protocol for a Challengeable shot
- Alert technicians to a possible review by announcing “STANDBY” Confirm that a review has been requested or Anticipate that there will be no review. “Release to television” announcement establishes the time when television may be sent the video.
- This applies to when either the RO determines that a Challenge will not be made or cannot be made. A visual indication that the player has accepted the call and a challenge is not likely. Circumstances when a challenge cannot be made would include an improper challenge (not a point-ending shot) or when the player has no challenges remaining. Responsible for determining that the requested impact is available for review.
- RO is responsible to send the correct shot and correct line to the videoboard for the challenge. The RO must listen the CU announcement (which line was challenged). And double check is the correct ball requested. If any doubt, confirm with the CU prior sending to the board.
- Once proper impact is determined, gives the order to send to video board and television simultaneously. The On- Court Board should be sent first if 2 different input needs to be sent.

X. EXHIBITS

- Responsible for monitoring the status of the system.
- If the system crashes or is not functioning, the RO must immediately notify the chair umpire so that the players may be informed that no review is available until further notice.
- If the RO's monitor cannot retrieve the data to review the call, then he shall notify the Chair Umpire that the original call shall stand.
- If the RO's monitor is working properly but it is the Main Video Board (in-stadium video) that is malfunctioning, then the RO will notify the chair umpire of the decision via radio or other communication device. The Chair Umpire should inform the players of this at the first opportunity.
- Will notify the Chair Umpire when the system is back and available for review (if the RO is satisfied that the cause has been identified and corrected).
- The RO shall notify the chair umpire at the first available time, including during a game in progress. Before returning to “live” mode:
- Ensure that the operators have performed all their protocols when returning a system to “go” status following a crash or restart of the system.
- Act as the final authority on the number of challenges remaining for each player or team.
- Since available challenges will be displayed on the video board, the RO is responsible for correct number of the challenges to be displayed (including the additional challenges in a tie-break or re-setting after set break). If the video board operator is changing the challenges on cue from the chair umpire, then only verification is needed.
- If a challenged call is not available for review – this shall not count against the total of the challenging player.
- Shall not speak to the press or any media without the permission of the Supervisor.
- Ensure that the RO and chair umpire communicate verbally when one player or team has only 1 challenge remaining.
- The RO is prohibited from using the internet while matches are in progress.
- The RO is prohibited from using e-mail or text in any form while matches are in progress.

Video Board

- During the warm-up, the following statement shall appear on the video board and remain visible for at least 90 seconds. This should coincide with the Announcer's introductions (if an announcer is used).

“This match will use Electronic Review as an officiating aid. Each player (team) will have three incorrect challenges per set, plus one more in a tiebreak. Challenges

X. EXHIBITS

must be made in a timely manner and can only be made on point-ending shots or when a player stops play. If, for any reason, Electronic Review of the call is unavailable, the original call will stand.”

- There shall not be any review shown in the Stadium except for “Official Review” challenges. The RO is responsible for the correct communication with the operators.
- The in-stadium video shall not replay “live” action on any controversial or reviewed call.
- If video replays are shown between points or if the video goes live between points, the operator shall return to the scoreboard just prior to the serving player taking his position at the baseline.
- Once it is confirmed that a challenge has been made:
 - The RO shall have direct communication with the operator of the video board and will give verbal instructions on when to show review.
 - When the RO has confirmed the impact-image is correct then he gives the order to send result to board or if the RO has control of the board then sends the result himself. When sending challenge to the board, make sure you check that what is displayed on the stadium scoreboard is the same (same line) that you have confirmed with the operator and was challenged.
 - Video shows the tracking of the ball into and out of the impact area, and then the view angle is moved to show the impact mark. The “flyover” mode is used to slow the process down “to build the moment”.
 - Graphic includes “Official Review”.
 - Graphic at bottom of screen shows “IN” or “OUT”. The “in” / “out” will not appear until after the overhead zoom to enhance the drama of the video. Television will receive the exact same feed as the video board with the graphic “OFFICIAL REVIEW” and showing “IN” or “OUT”.
- If review is not available, the RO shall notify the chair umpire and then while the chair umpire is informing the players, the graphic “Review Not Available - Original Call Stands” shall be sent to the video board. Reviews not available shall not count against the challenging players total.
 - The graphic is held until the players have reached the baselines preparing to play, at which time the board returns to the main scoreboard view.
 - The video board(s), scoreboard(s) or other location(s) must always show number of remaining challenges for each player. This information must be part of the scoreboard build.

Announcing

Chair Umpire

When a Challenge is made:

- The Player shall clearly express his/her desire to have the call reviewed by stating, “I challenge”. If the Chair Umpire is not 100% sure that the Player is challenging,

X. EXHIBITS

then the Chair Umpire shall confirm with the Player prior to announcing the review request. When the Chair Umpire is satisfied that a proper Challenge request has been made, then:

- Chair Umpire shall announce over the microphone “Mr./Ms. _____ is challenging the call on the Base Line (give specific line) the ball was called IN/OUT”.
- After the review, it is not necessary to announce “The call stands, or the call is overturned” but it is optional. Then announce the score if point awarded or replay the point and then repeat the previous score. Depending on the timing, try to also announce “Mr./Ms. X has X Challenges remaining” when there is a reduction.
- If the review is not available, simply say (after informing the players) “Review is unavailable; the original call of IN/OUT stands. No challenge is charged to Mr./Ms. _____.”
- In the case where the line umpire is unsighted and the chair umpire cannot make the call, if the umpire asks for a review then he shall inform the crowd of this procedure by stating, “line umpire was unsighted – the call shall be reviewed”.
- Announce the additional challenges available at the start of each tiebreak.
- After announcing 6-games all – tie-break, announce “Both players/teams receive one additional challenge.”
- If there are no in-Stadium Video Boards or if there is a malfunction and they are not available for use, then the chair shall use the following procedures:
 1. The RO will communicate the result of the challenge to the Chair Umpire via the radio, using the following wording: “Call challenged by [name of player] on the [name of line]; the ball is IN/OUT”.
 2. The chair umpire will acknowledge the good reception of the information by immediately answering the RO using the following wording: “The result of the challenged call on the [name of line] is IN/OUT”.
 3. If the review is not available, simply say (after informing the players) “Review is unavailable; the call (in/out) stands”.
- In the event the video screen shows the mark OUT and the “IN/OUT” text graphic shows IN or the video screen shows the mark IN and the “IN/OUT” text graphic shows OUT, the protocol is as follows: 1) The mark determines IN / OUT not the text graphic. 2) The chair umpire should communicate with the RO to ensure that is correct. 3) The corrected text graphic should be displayed on the big screen, so players, officials and spectators see the corrected mistake.

Additional ELC procedures for Specifically for Hawk Eye

- The Review Official will instruct the Hawkeye Operator that when the command “Stand By” is given, the operator will immediately say if the ball is “in” or “out” and give the measurement.
- Confirm specifically with the VR Operator that:
 - The system is set for the appropriate event (singles or doubles)

X. EXHIBITS

- During warm-up, view at least one (1) test review.
- At 1 min. announcement, confirm with the System Operator and the VR Operator that all systems are go.
- In doubles, when the score reaches “Deuce” – deciding point, tell the Hawkeye Operator if the receiver will be from the “Deuce” or “Advantage” side.
- Before sending the challenge to the video board double check that the distance and the decision “IN” or “OUT” given by the Hawk eye operator is corresponding with the image on the RO screen (serve, rally, singles, doubles etc.)

Additional ELC Procedures Specifically for FoxTenn

In general, the role of the RO when working with FoxTenn is the same but there are some differences, which are going to be mentioned here.

Pre-match:

- Check with the RO operator that they have calibrated the lines for the appropriate event – singles or doubles.
- During the warmup look at one image of the ball to make sure the system is ready.
- **When the match starts:**
- When giving “Standby”, you must also give the exact line. So, for example: “Standby –left near sideline”.
- For FoxTenn it’s very important to give the “Standby” as soon as possible because they must capture the image immediately to avoid long delays. So, you should be giving more “Standby” commands. Give the “Standby” every time if there is any chance there will be a challenge.
- When the challenge is made you will be looking at live image and need to confirm the bounce on the live image. There will be no numbers on the screen, so it’s **IMPERATIVE** that you watch the match all the time to know which bounce it is.
- When the VR operator tells you “ready”, you should have graphic image of the mark on your screen with the decision “in” or “out” written. Then you can send the challenge to the video board.
- When the challenge is shown on the video board there are two images shown: live image of the ball and graphic image of the mark with the decision “in” or “out”. There may be instances when only one of those two images will be shown.
- Do not “Release” the challenge too early. It’s better to hold it longer, until you are 100% sure there will be no challenge, or the next point is about to start. If you have a challenge after you released it, it will cause long delay again.
- There will be no distances given from FoxTenn, only “in” or “out”.

X. EXHIBITS

- As FoxTenn operates differently than Hawkeye, there is no option to look at some of the close balls from the points played, so, do not ask for that.
- **IMPORTANT** to remember LANGUAGE to use:
 - o **STAND BY** and the line (ex. **STAND BY LEFT BASE**)
 - o **WORK ON IT** (when it’s not sure if the ball will be challenged)
- The CU chair is shown in different position based on which camera is in use, but the **ORIENTATION POINT IS ALWAYS** the CU chair, so, left base will always be left base in relation to the CU chair, regardless of what side of the screen the chair is located at that particular challenge.

Additional ELC Procedures Specifically for FlightScope

At the beginning of the match Remember to check the

1. INITIAL SCREEN

- To ensure the correct match is loaded
- To ensure the player names are at the correct side of the court (after the coin toss)
- To ensure the number of challenges for each player is correct.
- When there is a challenge press the button START CHALLENGE.

2. When you press **START CHALLENGE** you will see (**WAITING FOR DATA**)

- **If DATA is displayed go to point 3,**
- **if DATA NOT AVAILABLE is displayed, go to Point 8**

3. If **DATA** is received you will have to **choose the ball**, which you can do in 2 ways:

- Press the dot with the number on the court (after you press it will become red), or
- Press the number at the bottom of the screen (yellow balls above “CHOOSE BALL” writing)

4. After choosing the ball, you need to double check if you have chosen the correct ball and CONFIRM BALL

5. Next step is to **confirm/change the area** (darker grey color) to the correct area

- If it is a serve, then one of the service boxes should be in darker color – if it’s incorrect, touch the screen to change the box
- If it is a rally, the whole half of the court (singles/doubles) should be in darker color.

6. When you confirm the area, you will see the screen with the information: “WAITING FOR RESULT” **If NO SHOTS WERE RECEIVED go to point 8.**

7. After you receive the result you will have to **PREVIEW the challenge** – if everything is good and correct, press: **START ANIMATION** (system won’t let you send the challenge to the board before you preview the challenge)

X. EXHIBITS

8. At point 2 or 6 you might receive the screen with the information “**NO DATA RECEIVED**” or “**NO SHOTS WERE RECEIVED**”

- If “**NO SHOTS WERE RECEIVED**”, the procedure is to ask the operator: “**Do you have it?**”
 - o **YES** – he will input the rally from his computer to the tablet or
 - o **NEED MORE TIME** – he will look for the rally and input it to the tablet or
- **In both cases you need to go back to the original procedure – DATA available Point 2/ SHOT available Point 7)**
- **NO – ORIGINAL CALL STANDS** (you press red button located under match time in the right top corner), see below

IMPORTANT INFORMATION:

1. Any time that you press the button **START CHALLENGE** the system is **LOCKED** and is not recording anything further, you have 2 buttons that you can use in case a challenge is not happening or has been cancelled:

- If “**WAITING FOR DATA**” or “**WAITING FOR RESULT**” press **DISMISS**
- In any other case press **RELEASE** (located in the bottom right corner)

NOTE: It is **very important** to **DISMISS/RELEASE** as soon as you know that there won't be a challenge to have the system fully functioning.

2. Another button that you can see is **BACK** – you can use it to go one step back at the time.

3. In point 7 you see the button **REPLAY** – you can use it to replay the preview of the challenge as many times as needed before you **START ANIMATION**.

4. In point 3-5 you can see two buttons **PREVIOUS** and **NEXT** – this is the option to see all the bounces (long rally) as on your screen when you press **START CHALLENGE** you will see last 5 bounces – **I strongly recommend NOT TO USE this buttons** unless necessary (there should be no reason to allow the challenge of the ball that is 5 shots or more back).

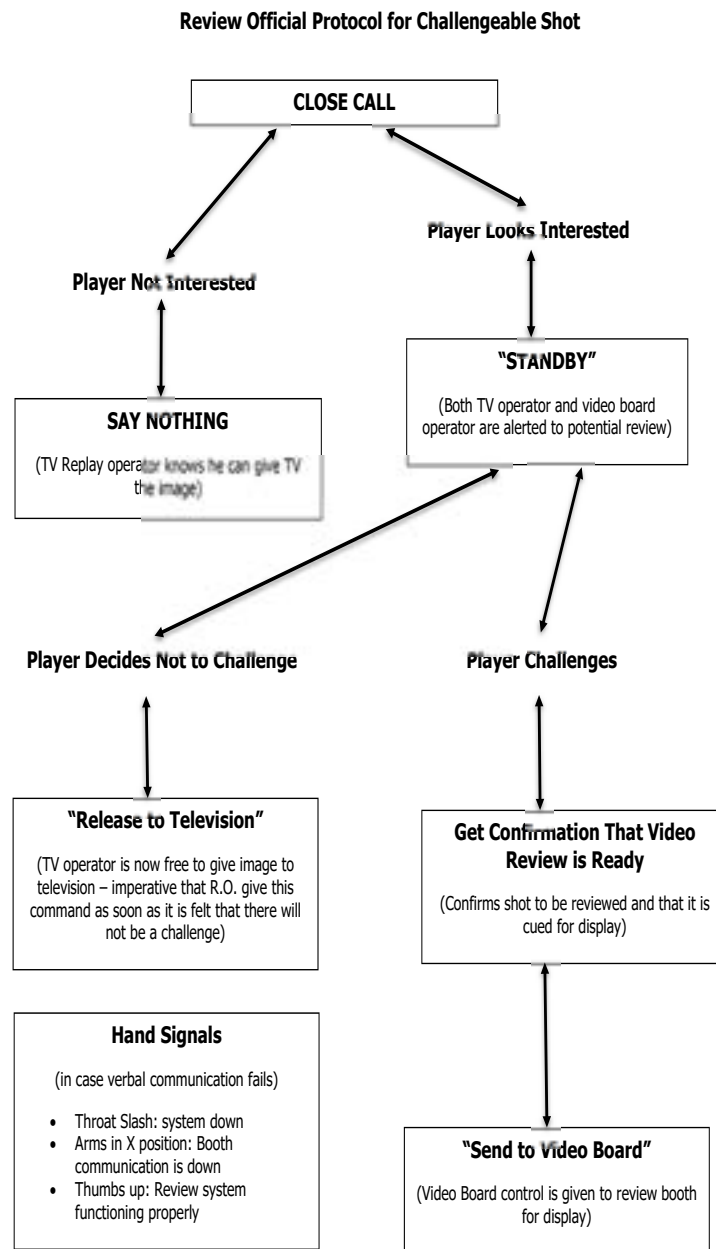

This system is provided by FlightScope, who at some events is also providing other services (e.g. Scoreboards).

At some events whenever you press **START ANIMATION** it will go directly to the scoreboard and will automatically go off board when the animation is finished (you will have the option to press the button **OFF BOARD**-located in the bottom left corner-earlier if needed).

If FlightScope is not operating the scoreboards there will be an extra step, when you release the challenge will be sent to the vendor who will be responsible to send to the board.

EXHIBIT V - Anti-Doping Testing Facilities Guidelines

Doping Control Station

The Doping Control Station must be a dedicated facility for the exclusive use of the Doping Control team for the duration of the event.

Location: near the locker room (but not with direct access).

Accommodation: a minimum of two (and preferably three) connected areas or rooms: a Sample Collection Room and a Waiting Room at a minimum, plus an Administration Room if possible, all of which should be air-conditioned or well ventilated. The Sample Collection Room should be directly connected to a toilet (for the sole use of Doping Control).

Security: If free-standing, a security guard should be posted to restrict admission to those with appropriate credentials. It must be lockable, with access restricted to the Doping Control team. The Doping Control Officer must be given charge of all keys to all rooms for the duration of testing.

Hygiene: The Doping Control Station should be cleaned every day at a time agreed with the Doping Control Officer.

Items to be supplied in the Doping Control Station (for all draw sizes):

EXHIBIT W - Retractable Roof Policy

Whenever practical, playing conditions on the center court will remain the same as on all other courts.

In the event rain is falling prior to the scheduled starting time of the match, the roof will remain closed for the duration of that match.

If the rain stops and the forecast is good, the roof may be opened after the match in progress is completed. Decisions on re-opening the roof will be made on a match-by-match basis depending upon current conditions and the forecast.

If play commences with the roof open, a decision to close the roof will normally be made after play has stopped because of rain, although if other factors warrant the roof to be closed prior to this, the Supervisor will make that decision.

The roof will not normally be closed because of the threat of rain.

In the event high winds, sufficient to harm the retractable roof, are forecast with reasonable certainty, the roof may be closed prior to the start of the match. The reverse is applicable when the roof is closed and high winds or other conditions necessitate, for safety reasons, that the roof be opened.

In the event that the temperature is below 50F / 10C prior to the start of a match, in order to enhance the fan experience, the roof may be closed as directed by the Supervisor. Decisions on whether to close the roof for cold will be made on a match-by-match basis.

In some instances, the roof must be partially closed for the lights to function properly. In this case, the roof must be partially closed prior to the start of the match.

The ATP Supervisor shall be the final authority on all decisions regarding the

EXHIBIT X - Writing Table For Umpire Chairs

In an effort to provide a comfortable platform for the Chair Umpires to place their hardware such as tablet, walkie-talkie, net device handset, it is requested that all tournaments attach a writing table according to the instructions below to the Chair Umpire's chairs on all match courts.

This simple and low cost upgrade will contribute tremendously to reduce scoring errors caused by data being accidentally entered as a result of the umpire holding the tablet in their hand and ease the process of entering data in the tablet.

When setting up the writing tables, please make a note of the following:

- Attach the writing table to the right side armrest. If there is a microphone attached to the chair, the microphone must be installed on the left side of the chair so as not to interfere with the writing platform on the right side armrest.
- Ensure that the writing table is installed with the slender end at the back of the armrest. The design is made considering most armrests are 20 inches (50.8 cm) long and 3 inches (7.62 cm) wide. This design calls for the overall dimension of 32 inches (81.28 cm) which leaves a full 12 inches (30.48 cm) of space in front of the umpire for the various equipment.
- A standard wood product could be used. For example, in the USA a 1 x 12 could be used and just cut to length and ripped for the 9 x 20 piece that is taken out. The actual dimension of a 1 x 12 is 11 ½ inches wide by ¾ inches thick. A comparable product could also be used in countries using the metric standard.

EXHIBIT Y - Premier Player Protocol

Premier Player Group. Players ranked as a year-end top 30 player (commitment players) or have a current protected ranking within the top 10 are eligible to be selected in the premier player group for purposes of fulfilling the restriction on who is eligible to be named as an additional Wild Card at an ATP Tour 500 event. The size of the premier player group shall be six (6) players plus two (2) alternates selected as follows:

Six (6) players shall be selected as “regional” premier players (A+) by each of the three (3) regions (Americas, European and International). Each region shall also designate two (2) alternates as A1 and A2. The regional CEO’s shall solicit input from their respective events to determine the six (6) regional selections, plus alternates. These six (6) players and the two (2) alternates shall be presented to the Board at the final Board meeting of the previous year for approval.

In the event that an A+ player becomes injured or otherwise is not able to compete for an extended period of time, as specified below, he will be replaced by the A1 player designated by the region.

The same procedure will be followed in the event that a second player needs to be replaced as determined below.

If additional A+ players are required and the designated A1 and A2 players have already been promoted or are otherwise not available, then the A+ replacement player will be the next highest ranked player on the most current FedEx ATP Rankings.

Replacement protocol. The replacement of a Premier Player will automatically occur when any of the following apply:

- 1) A Premier Player has withdrawn / retired from an event due to illness or injury and has been out of competition for sixty (60) days; or
- 2) A Premier Player has announced that due to illness / injury or other reasons he will be out of competition for a period of at least sixty (60) days; or
- 3) A Premier Player announces his retirement; in this case he is replaced immediately following his last event.

Note: The count shall begin on the withdrawal deadline date; the date of the retirement; the date of the late withdrawal; or the date of the on-site withdrawal, whichever was chronologically first.

A player must not compete in any other tennis event during those periods.

If the replaced player returns to competition during the season, he shall be reinstated as a premier A+ player upon the start of his first match (singles or doubles) in his first ATP Tour event.

1.21 Hotel Accommodations (Rooms)

TOURNAMENT HOTEL

Scenario 1 – no changes with exception of increased distancing and sanitizing requirements introduced.

ATP ADDENDUM

Scenarios 2 & 3 – tournaments are encouraged to use one or as few hotels as possible based on the draw size to successfully provide safe accommodation conditions for the players, their support teams, tournament, and ATP staff. Hotels located near the tournament site are recommended. This would ease the reduced or no use of locker rooms and player lounges on-site.

For all Scenarios, all Players, team members and on-site event personnel must be placed in secure hotels or secured sections of hotels which isolates such people. Testing locations will be required at either a location outside the hotel or at an isolated location in the hotel, or alternative suitable venue.

The tournament hotel should be properly sanitized, and an individual plan put in place emphasizing players' and staff health while practicing distancing and following hygiene principles. This plan must be approved in advance by the ATP following the guidelines of the local government and health organizations.

- All players, team members and event personnel to be housed at specifically selected and approved hotels.
- Personal Protection Equipment (masks) to be worn when in public locations inside the hotel premises.
- All hotel employees are mandated to follow COVID-19 prevention guidelines from local government, public health authorities, WHO, CDC and ATP Medical Committee. COVID-19 health screening and testing must occur following every occasion an employee leaves the hotel site and returns.
- Approved quarantining facilities to be provided at the hotels.
- If a player travels with more than the two persons permitted on-site, then any such additional persons will not be allowed at the tournament venue and other facilities and are required to stay at the tournament hotel and comply with the applicable requirements in this document. This includes submitting to ATP testing and screening.
- Fitness Facility:
 - A private ATP fitness facility at hotel dependent on size of facility, location, and ventilation as large spaces are strongly recommended to mitigate the risk of infection. The minimum requirements for this facility remain the same for all levels of tournaments
 - Physical distancing required by only allowing 1 person per 4 square meters to train.
 - There must be an attendant monitoring and cleaning the fitness facility. Equipment must be disinfected before and after each use.
 - The gym must be equipped with sanitizing materials such as alcohol-based cleaning liquids and disposable towels; and have a designated cleaner to wipe down all areas/equipment after each use
 - Individuals must sign up for specific time to train at facility. Players and coaches are encouraged to only use the gym for workout that are not possible to be performed elsewhere and in open air.
 - Wherever possible, tournaments will be encouraged to set up outdoor gym areas allowing extensive ventilation.

ATP ADDENDUM

The use of room service dining is strongly recommended. All meals per day will be provided in the safest feasible way.

- Breakfast will be provided at the official hotel only.
- Lunch will be provided in a similar and safe manner both at the tournament venue and at the official hotel.
- Dinner will be provided in a similar and safe manner or in the hotel guest room if requested. Additionally, dinner at the tournament venue will be supplied if participating at the event.
- Drinks and snacks throughout the day will be provided at designated locations at the tournament venue and at the official hotel for players and event personnel to access.

Players should use their discretion when leaving the hotel or accepting outside engagements to make sure they maintain social distancing and best practice to avoid contracting COVID-19.

II. BRANDING

These additional duties would include and not be limited to oversight and assistance with participant screening for COVID-19.
- 2) **Tournament Infection Control Officer (TICO).**

The tournament in conjunction with the tournament physician will appoint an Infection Control Officer designated to work in collaboration with the ATP Medical Services Committee and ATP Tour Supervisor.

Tournaments must submit candidates for the TICO to ATP Medical Services for review well prior to the start of their tournament along with designation of their tournament medical staff. These should be submitted to the respective ATP regional office.

on-site staff and also minimize the time players are on-site before/after matches and practice sessions. Location of the massage therapist must be placed to allow for adequate social distancing both between massage therapists (if more than one therapist is staffed simultaneously) and between massage therapist(s) and Physiotherapists or other personnel if massage is located within a multi-disciplinary player treatment area. It is recommended that massage therapy services are provided in an area separate from the training room to minimize numbers of players and staff in any one room per government and medical recommendations on distancing. This distancing between tables / therapists would be greater than 6 feet (2 meters) per recommendations from the CDC and WHO.

For Scenario 3 - the use of locker rooms may not be allowed or extremely limited depending on local authorities' directives, and players must use their hotel room for this purpose.

6.14 Gym

The minimum requirements for the on-site player gymnasium remain the same for all categories of events. Larger space for the gymnasiums is strongly recommended to reduce the risk of infection.

- The use of the facilities should be limited as much as possible.
- Players and their coaches would be encouraged to only use the gym for workout not possible to be performed elsewhere and in open air.
- Maximum number of players to be allowed at a time inside the gym. The numbers will depend on the size and ventilation of the facilities with at least double the size of physical distancing recommendation in place at times. (Suggestion: One person every 4 m2)
- Wherever possible, tournaments will be encouraged to set up outdoors gym areas allowing extensive ventilation.
- The gym must be equipped with sanitizing materials such as alcohol-based cleaning liquids and disposable towels. See medical section for cleaning requirements.
- Minimal sanitizing staff with appropriate PPE must be available to maintain the required hygiene standard.
- Equipment must be disinfected before and after each use.
- The number of coaches allowed in the gym at a time should be minimal.

- Stringers to wear Personal Protective Equipment when working and maintain a physical distance.

For Scenarios 2 & 3, setting up the stringing station outside the facility with a safe drop off and delivery service to minimize the number of staff on-site while keeping the service fast, safe, and functional should be considered.

ATP ADDENDUM

6.16 Player Restaurant / Food

Restaurant Layout

When planning the layout of the player restaurant, it is required to plan enough space between the tables to allow physical distance at a minimum of 2 meters or more. Partitioning to be installed to increase player distancing and minimize the risk of transmitting COVID-19 when sharing a same room.

For Scenario 3, consideration for not allowing on-site dining, however individual packaged dining options should be available for the players and their coaches implementing a curb side take out service.

6.18 Tournament Transportation Service

Scenario 1 – no changes with exception of increased distancing and sanitizing requirements introduced.

Scenarios 2 & 3 – restrictions to the number of people allowed inside a vehicle and sanitizing requirements in place to allow safe environment following local government and health authorities' guidance.

For all scenarios, the tournament transportation vehicles should be properly sanitized and an individual plan to be put in place emphasizing players' and staff health while practicing distancing and following hygiene principles. This plan is to be approved in advance by the ATP following the guidelines of the local government and health organizations.

ATP ADDENDUM

Designated waiting areas to be marked both on-site and at the tournament hotel allowing a minimum of 2 m. distance between people waiting for transportation.

All tournament staff and passengers to wear at least protective face masks when at the waiting areas.

Every effort to be made to minimize the negative effect of the limitations.

The measures for all Scenarios are intended to minimize the exposure to COVID-19 and possible spread amongst the players and the tournament staff while understanding the importance of maintaining adequate media coverage.

6.25 Players Pre-Match Holding Area (PMHA)

- Tournaments should set up a player pre-match holding area each equipped with 2 chairs, exercise mat, Wi-Fi, and score update monitor (monitors positioned at a centrally highly visible location could substitute individual monitors in each area) for all 3 Scenarios.
- The PMHA could be set up inside a marquee with internal partitioning high enough for providing distancing for players and their coach/guest while waiting for their match.
- The number of match courts multiplied by 2 would identify the number of separate areas needed inside the general PMHA structure.
- Separate dedicated one-way entrance and exit of the PMHA to be assigned.
- Players and their support member should wear PPE any time they are exiting their individual area either on the way in or out of the PMHA.
