- i) The player must be on-site at the time of the withdrawal and must be declared unfit to compete by the tournament doctor.
 - ii) Each player is limited to two (2) tournaments*, non-consecutive, in a calendar year where he may receive prize money for the on-site withdrawal.
 - * There are no limits to the number of events a player may receive prize money for the on-site withdrawal due to Covid-19 reasons as long as the events are not in back to back weeks.
 - iii) Players who have been out of competition due to long term injuries (30 days or more) and withdraw on-site become eligible for the provision to receive prize money only after they have returned to competition and competed in their first event.

- b) The Lucky Loser replacing a player who has withdrawn on-site shall receive qualifying prize money earned plus money earned in the main draw minus the prize money paid to the withdrawing player.

Case: *A player withdraws on-site from singles before his first singles match but is still in doubles. Is he eligible for first round prize money compensation if all other conditions are met?*

Decision: Yes. *The player may collect the on-site prize money if he is still competing in the doubles of that tournament as long as he receives medical clearance prior to the doubles match. The doubles match cannot be on the same day as his withdrawal or on the day of his scheduled singles match.*

Case: *A player withdraws from singles before his first singles match and collects on site prize money. Can he play a special event or another tennis event that week?*

Decision: No. *Once a player withdraws he cannot continue or participate in any other event that week; whether he collects the on-site prize money compensation or not.*

Case: *A player withdraws on site and collects prize money. Is he allowed to do the same at the next tournament he's entered in.*

Decision: No. *A player is not allowed to collect prize money when withdrawing on-site at two consecutive tournaments. A player must compete in a tournament where ATP points are awarded or Davis Cup or Olympics before being allowed to collect prize money at another event.*

Case: *A player withdraws on site and receives prize money at an ATP Challenger Tour tournament. Subsequently, he withdraws on site and receives prize money at an ATP Tour tournament. Is the player allowed to withdraw on site and receive prize money at another ATP Challenger Tour or ATP Tour tournament?*

Decision: No. *Once the player has withdrawn on site and received prize money at any two, non-consecutive ATP Tour or ATP Challenger Tour tournaments, he has used his 2 tournament limit for the year and is not eligible to receive prize money for any future on-site*

III. FINANCIAL

withdrawal at an ATP Tour or ATP Challenger Tour tournament in that calendar year.

Case: *A player is out of competition for 30 days after retiring or withdrawing due to injury. Is he eligible to receive prize money if he withdraws on-site after being out the 30 consecutive days since his retirement/withdrawal?*

Decision: No: *The player is only eligible for the provision to receive prize money for an on-site withdrawal after he has returned to competition and competed in his first event.*

Case: *A player using a protected ranking for entry withdraws on site and collects prize money. Does this tournament count towards the total number of tournaments the player has used with his protected ranking?*

Decision: Yes.

Case: *If a player qualifies, accepts a special exempt or accepts a wild card and becomes a main draw player, can he receive on-site prize money if otherwise eligible?*

Decision: Yes. *Once he is accepted into the main draw as a qualifier, special exempt or wild card, he can receive on-site prize money compensation if otherwise eligible.*

Case: *A player who is not on-site withdraws after the 10 AM, Friday deadline and comes on-site to do promotional activity or to be medically examined (Challengers) in order to avoid the applicable penalties. Is he eligible for first round prize money compensation?*

Decision: No. *The player must be on-site at the time of the withdrawal in order to be eligible for first round prize money compensation under the rule.*

Decision: Yes, *the player may decline to accept the money and then it becomes a normal on-site withdrawal.*

Decision: *The player receives 1st round PM compensation. Seeding is not official until the draw is made.*

Case: *A main draw player withdraws late after the Qualifying has started and travels to the tournament site to perform Promotional Activities to avoid the LW fine. Is he eligible for prize money compensation?*

Decision: *The player is not eligible for compensation as he was not on-site when the withdrawal was done.*

Case: *During Qualifying, two players withdraw from the main draw*

list. One player was on-site and eligible for compensation while the other player was not on-site or otherwise ineligible to receive prize money. Neither player was seeded with a Bye. How is it decided what PM will the LL's be receiving?

Decision:

1. *The lucky loser who was drawn as the number 1 LL is eligible to receive first round prize money or whatever money he earns in the main draw. He does not keep qualifying prize money.*

2. *The lucky loser who was drawn as number 2 LL receives qualifying money earned plus money earned in main draw, less the amount paid to the withdrawing player.*

3. *The same principle applies if there were more than two withdrawing players prior to the completion of the qualifying or the qualifiers being placed in the draw.*

Case: *A seeded main draw player with a Bye withdraws on-site after the Qualifying started, the main draw has been made and the player is eligible to collect 2nd round prize money compensation. The order of play for the first day has not been released and the next seeded player who did not receive a Bye moves into that position. How is the prize money distributed?*

Decision: *The seeded player moving to the bye position will receive first round prize money if he loses and first round prize money plus the difference between 2nd round and the round reached if he wins. The LL inserted in the draw receives qualifying prize money earned plus prize money earned in main draw less the 1st round prize money.*

Case: *Same situation as above, however the order of play for the first day has been released.*

Decision: *If a qualifier is drawn into the bye position he will receive first round prize money if he loses and first round prize money plus the difference between 2nd round and the round reached if he wins. The lucky loser who was drawn into the 1st round position receives qualifying prize money earned plus money earned in main draw, less the 1st round money paid to the qualifier drawn into the bye position.*

Case: *Two main draw players withdraw overnight after the Qualifying has finished. The Qualifiers were drawn into their respective positions in the draw. The Order of Play for the first day of main draw is released. One of the withdrawing players was seeded with a bye. The LL's are drawn into the vacant position in the draw. The second LL is drawn to replace the seeded player with the bye. How is the prize money decided if the withdrawing players have received compensation?*

Decision: *The LL's receive PM dependent on which player they were drawn to replace in the draw. This is a different procedure than the cases when the WD's happen before the Q is finished and the Q/LL's inserted into the draw.*

Case: *After the withdrawal deadline on Friday, two players/ teams withdraw from the Qualifying/Main Draw Doubles list. One player/ team was on-site and eligible for compensation while the other*

player/team was ineligible to receive prize money. How is it decided what PM the Alternates will be receiving?

Decision:

1. *The highest ranked Alternate player/team who was accepted in the drawn is eligible to receive first round prize money or whatever money he/they earn in the tournament.*
2. *The second ranked Alternate player/team who was accepted in the draw will receive the prize money earned in the tournament, less the amount paid to the withdrawing player/team.*
3. *The same principle applies if there were more than two withdrawing players/teams eligible for substitution by Alternates in the singles qualifying/main draw doubles.*

Doubles - Prior to First Match:

A player/team accepted into the doubles main draw of an ATP Tour or ATP Challenger Tour event that withdraws prior to their first match from the main draw doubles after the doubles online on-site alternate deadline (Tour events) or the doubles on-site entry deadline (Challengers) for medical reasons shall receive first round prize money (second round in the case of a Bye) if the following conditions are met:

- a) The withdrawal was after the withdrawal deadline
- b) The withdrawing player (and his partner) must be on-site at the time of the withdrawal and the withdrawing player must be declared unfit to compete by the tournament doctor
- c) Both players used or could have used their doubles ranking for acceptance into the doubles draw.
- d) Players who have been out of competition due to long term injuries (30 days or more) and withdraw on-site become eligible for the provision to receive prize money only after they have returned to competition and competed in their first event.
- e) Players who have been out of competition, for any reason, 60 days or more and withdraw on-site become eligible for the provision to receive prize money only after they have returned to competition and competed in their first event.
- f) Each player is limited to two (2) tournaments*, non-consecutive, in a calendar year where he may receive prize money for doubles on-site withdrawal.

*There are no limits to the number of events a player may receive prize money for the on-site withdrawal due to Covid-19 reasons as long as the events are not in back to back weeks.

The alternate team replacing a team withdrawn on-site shall receive money earned in the main draw minus the prize money paid to the withdrawing player/team.

Doubles - After First Round:

Should a doubles match in an ATP Tour or ATP Challenger Tour event be uncontested* or fail to be completed, the losing team shall only receive points and prize money from the previous round unless one of the following exceptions is applicable:

- * A team withdrawing from the first round will not receive prize money whether there is or is not an alternate/lucky loser team, except if the team qualifies for compensation as defined above.

III. FINANCIAL

- a) Neither player was in the singles main draw;
- b) Both players used, or could have used**, their doubles ranking for entry into the doubles draw (does not apply to wild card teams).
- c) The retiring/withdrawing player is still in the singles competition and at the time of the medical examination is declared unfit to play in the singles of that event or, if no longer involved in the singles competition of that event, is forced to withdraw from the singles or doubles*** of the next tournament in which he is entered.
 - i) For ATP Tour events if the retiring/withdrawing player was not in the singles draw of that event and is forced to withdraw from the next event in which he is accepted in the main draw (singles or doubles).
 - ii) For ATP Challenger events if the retiring/withdrawing player was not in the singles draw of that event and is forced to withdraw from the following week's event (single or doubles) after the withdrawal deadline.
- d) The retiring/withdrawing player was not involved in the singles draw of that event and:
 - i) For ATP Tour events is forced to withdraw from the next event in which he is entered (singles or doubles).
 - ii) For ATP Challenger events is forced to withdraw from the following week's event (singles or doubles***).
- e) The retiring/withdrawing player had withdrawn/retired from his singles match, which was scheduled the same day; or, if the doubles match is scheduled for a following day the player is examined by the tournament Doctor and is declared unfit for competition in the doubles event.

** Example: Player A is not in the singles draw and his doubles ranking is 20; his partner, Player B, is in the singles draw with a ranking of 15. Player B's doubles ranking is 30. The cutoff for their method of entry is 60. Using player B's doubles ranking would have kept them as a direct acceptance so they qualify for exception b) above.

*** For ATP Challenger events the withdrawal for doubles must be after the withdrawal deadline.

- 4) A player who receives a "bye" and loses in the second round shall receive second round loser's prize money.
- 5) Players affected by the entries or seedings not in accordance with ATP Rules and Regulations shall not be entitled to compensation. Such entry or seeding variances shall be resolved at the sole discretion of the Senior Vice President - Rules & Competition.
- 6) A tournament must send to ATP any prize money not paid to a player who is defaulted for improper conduct.

For all other tournaments, the on-site prize money will be increased or decreased from approved prize money levels when there are significant exchange rate changes between USD or EUR / local currency. The amount of the prize money adjustment shall be determined as follows:

- 1) As of March 31, June 30, September 30 and December 31 of each year, ATP will compare the current market exchange (ratio of local currency to USD or EUR) with the 5-year average of the same currency exchange rate for each non-U.S./ non-European group and calculate the change between the current rate and average rate as a percentage of the average rate. Prize money amounts for tournaments in countries where more than a 10% change occurs will be adjusted by one-half of the percentage change subject to a maximum adjustment of 15%.

The calculations will apply to tournaments in the following year on the dates as follows:

- a) March 31 calculation-tournaments that begin from January 1 through March 31

New ATP tournaments may not opt out of this rule.

If it is determined that the unresolved issue(s) or questions(s) are due to an act or omission of a tournament member, then the M1000 PM Committee will determine the implications for the purpose of the prize money formula calculation and/or that tournament may be subject to a fine pursuant to Section G below.

and the supporting audit work papers to the 250 Player Auditor. The 250 Player Auditor will undertake a review of the provided information and results. After completing this review, if the 250 Player Auditor has any outstanding issues or questions, the 250 Player Auditor will work with the 250 PM Committee Auditor to resolve such issues and questions. In the event that the 250 PM Committee Auditor and the 250 Player Auditor are unable to resolve any such issues or questions, the 250 Committee Auditor and the 250 Player Auditor will inform the 250 PM Committee and may jointly conduct an on-site audit at the offices of the relevant tournament or Related Party to review and evaluate the books and records of such tournament or Related Party that are reasonably necessary to resolve such issue or question; provided, that any such joint on-site audit must be conducted during regular business hours and no more than three (3) joint on-site audits may be conducted during any consecutive twelve (12) month period. If after any joint on-site audit, the 250 PM Committee Auditor and the 250 Player Auditor are still unable to resolve any such issues or questions (or in the event the 250 PM Committee Auditor and the 250 Player Auditor elect not to conduct an on-site audit and such issues or questions remain), the 250 PM Committee Auditor and the 250 Player Auditor will inform the 250 PM Committee and the 250 PM Committee will evaluate the information presented and then issue a determination as to whether the unresolved issue(s) or question(s) is due to an act or omission of a tournament member. In the event that the 250 Voting Members are unable to unanimously agree on such determination, then the 250 Independent Member will make such determination in his or her sole discretion.

F. Any tournament member that (i) fails to provide a 250 Submission to the 250 PM Committee Auditor as required under this rule (including with respect to the timing, accuracy and/ or completeness thereof), (ii) submits a report or document that contains a material misstatement or omits material information, (iii) does not fully cooperate with the 250 PM Committee Auditor and 250 Player Auditor as required hereunder, or (iv) otherwise fails to comply with this rule, may request from the 250 PM Committee a 10 day extension in order to comply with its submission failure. Following any such extension the tournament in each case, may be subject to a fine in a maximum amount of \$250,000. This maximum fine amount will increase by 100% for each consecutive year submission failure by a tournament. The 250 PM Committee shall evaluate the circumstances that led to the failure of such tournament member to comply with the terms of this rule and assess an appropriate fine taking into consideration the guidelines set forth in Section G below or as otherwise provided by the ATP Board of Directors from time to time. For clarity, any such guidelines will be for guidance purposes only and the 250 PM Committee will have the right to determine an appropriate fine in its sole discretion. In the event that the 250 Voting Members are unable to unanimously agree on a fine, the 250 Independent Member will make such determination in his or her sole discretion taking into account the circumstances that led to the failure of the tournament member to comply with the terms of this rule. All fines assessed under this rule will be contributed to player programs as determined by the Player Board Representatives.

3.20 ATP Masters 1000 Player Compensation & ATP Variable Bonus Pool

A. On-site prize money for 2023 was the amount approved by the ATP Board for each tournament. The yearly aggregated on-site prize money for all Masters 1000 tournaments (Base Prize Money or “BPM”) increases by 2.5% annually beginning in 2023. The 2.5% annual increase in BPM will be divided as determined by the tournaments.

B. VBP (as defined below) is an additional annual amount that will vary with the calculation for each year and the amounts are not cumulative (don’t carry over year to year). VBP is calculated using current year ANI, as defined below, compared to the BPM of the then current year. 50% of any excess of ANI over BPM will be contributed to VBP and paid to players based on participation and performances at the Masters 1000 and ATP Finals tournaments during the respective calendar year. The M1000 PM Committee Auditor will be responsible for making these calculations and reporting such results to the M1000 PM Committee for approval by the end of September each year. Any VBP contribution approved for payment will be shared as determined by the tournaments and will be paid to ATP for distribution to players at the end of each respective calendar year in conjunction with the payment of the ATP Fixed Bonus Pool. Allocation to players of both ATP Fixed Bonus Pool and Variable Bonus Pool as determined by the ATP Board.

C. The following terms used in this Rule shall have the meanings set forth below:

Tournament Financial Information Rule for Masters 1000 Tournaments (“1000s Audit Rule”) – The ATP rule which, among other provisions, specifies the required annual independently audited reporting by each Masters 1000 tournament of its revenues, costs and expenses, net income, net income before taxes and other financial information, and specifies the audit procedures to be applied to submitted information. Definitions within the 1000s Audit Rule are incorporated herein by reference. Implementation of this Masters 1000 Player Compensation Rule will be the responsibility of the M1000 PM Committee (as defined in the 1000s Audit Rule).

III. FINANCIAL

Aggregated Net Income (“ANI”) - Total of annual audited net income before income taxes for each of the Masters 1000 tournaments as calculated by M1000 PM Committee Auditor and approved by the M1000 PM Committee. Level 1 data revenues and any fines assessed under the Tournament Financial Information Rule for Masters 1000 Tournaments will be excluded from each tournament’s audited net income. For combined men/women tournaments, ANI will be determined with a direct allocation method where revenues and expenses/costs directly attributable to men or women will be allocated 100% to men or women. Remaining revenues and expenses will be allocated equally. The resulting men’s net income before income taxes will be included in ANI.

VBP - 50% of the excess of current year ANI over current year BPM.

3.21 ATP 500 Prize Money Formula Rule

The formula within this rule will be used to determine increases in on-site prize money for the 500 category tournaments (as this category is currently composed) for the years 2023 through 2037. In the event Net Income before taxes equals aggregated on-site prize money then this formula and the related reporting rule will be replaced with a 50/50 prize money formula similar to the Masters 1000’s Prize Money Formula Rule. In the event this category is materially changed during this period, the 500 PM Committee will determine what effect such material changes have on applying this rule for the remainder of the term. The formula will be based on a 2-year Average Growth Percentage (“AGP”) in Defined Revenues (“DR”) for all tournaments in the category. The 500 PM Committee Auditor will calculate AGP and submit such calculations to the 500 PM Committee for review and approval. Such AGP will be applied to current year category total on-site prize money as follows:

AGP up to 2.5%	On-site prize money increases by 2.5%
AGP over 2.5% to 6%	On-site prize money increases by AGP
AGP over 6%	On-site prize money increases by AGP times 1.167

The resulting overall on-site prize money increase will be allocated equally to each of the thirteen 500 tournaments, regardless of their current on-site prize money level.

Definitions:

Tournament Financial Information Rule for 500 Tournaments (“500 Audit Rule”)

– The ATP rule which, among other provisions, specifies the required annual independently audited reporting by each 500 tournament of its revenues, costs and expenses, net income, net income before taxes and other financial information, and specifies the audit procedures to be applied to submitted information. Definitions within the 500s Audit Rule are incorporated herein by reference. Implementation of this 500 Prize Money Formula Rule will be the responsibility of the 500 PM Committee (as defined in the 500 Audit Rule).

Average Growth Percentage (“AGP”) - AGP is the 2-year average growth in the most recent actual years DR as reported to and calculated by the 500 PM Committee Auditor. The annual period for purposes of AGP will be the 12-month periods ending in April each year immediately following the Barcelona tournament.

III. FINANCIAL

Defined Revenues (“DR”) - Defined revenues are the basis for the AGP calculations and include the following four broad revenue categories as long as the 2-year average of these revenues exceed 92% of average gross revenues as reported to the 500 PM Committee Auditor:

1. Sponsorships
2. Ticketing and on-site hospitality
3. Media and television revenues
4. Government funding and/or government subsidies

Other Revenues (“OR”) - OR includes all tournament revenues not otherwise included in DR.

Revenues within each of these categories must include all amounts earned in connection with each category. For example, if a sponsor agreement, in addition to sponsor signage and benefits, provides for on-site parking or event merchandise, total sponsor payments must be included within this category and not allocated to another revenue category. Similarly, if food and beverage and/or parking are included in a ticketing/hospitality package, the total package proceeds will be included in the ticketing/hospitality category as DR and not allocated to another revenue category.

Consistent with the 500 Audit Rule, where applicable, Gross Revenues and DR include tournament revenues received by related parties. A person/company is considered to be a Related Party to the tournament if that person/company has control, joint control or significant influence over the tournament or a tournament entity, either via ownership, via agreement, or via power to manage/govern/influence the tournament’s finances and/or operations. Also, a person/company is considered to be a Related Party to the tournament if the tournament has control, joint control or significant influence over the person/company, either via ownership, via agreement, or via power to manage/govern/influence the person/company’s finances and/or operations.

If two-year average DR are less than 92% of average gross revenues, the next largest revenue category as determined by the 500 Committee Auditor and approved by the 500 Committee will be added to DR so that the 92% minimum is achieved.

For purposes of DR, barter transactions for each category are required to be included.

ATP payments to tournaments for rebates and prize money subsidy are not included in DR or OR. Data distribution revenues shall be included in OR and subject to reclassification within DR as provided above.

For purposes of DR, the following will also apply:

- For men’s and women’s combined tournaments, direct men only revenues will be included in DR at 100%. Direct women only revenues will be excluded.
- A 70% factor will be applied to combined tournaments revenues which are not directly men or women tournament revenues.

III. FINANCIAL

- Exchange rates to USD for formula calculation purposes and for equal prize money allocation among tournaments will be based on a 2-year average exchange rate.
- Complimentary tickets where no value is received will not be included in revenues. Complimentary tickets provided to Related Parties will be valued and included in DR.
- Taxes and fees required to be paid on tickets sales will be excluded from revenues.

Insurance proceeds which replace lost revenues will be included as revenues in the category for which the proceeds relate.

Agreed Upon Procedures as defined in the 500 Audit Rule will only be applied to DR of the 500s tournaments. Remaining OR as reported under the 500 Audit Rule will be subject only to overall fluctuation reviews and resulting inquiries by the 500 PM Committee and 500 Player Auditor necessary to understand significant changes.

On site prize money for the 250 category tournaments increases annually by 2.5% for the period 2023 through 2030. Such 2.5% annual increases in on site prize money will be calculated using the total of on-site prize money for all 250 tournaments and then divided equally among the tournaments.

3.23 Challenger Tournament Prize Money

On site prize money for the Challenger Tour tournaments will increase annually by 2.5% per each tournament category.
