D. Sign-in Protocol:

All sign-ins (doubles, qualifying, alternates, lucky losers) must be done by phone via text messaging **or by email**. Each entry must be received and viewed by the on-site supervisor, or the designate listed on the official detail sheet, prior to the deadline. The player is responsible for having his entry confirmed by the supervisor or the designate listed on the official detail sheet.

Effective Immediately (16 Feb): A change has been made to the NOTE at 7.08 C. 3) Vacancies a), pgs. 147-148 as noted below in **red**:

3) Vacancies

- a) Any main draw vacancies occurring after the withdrawal deadline and prior to the start of Qualifying will be filled in ranking order from the original main draw acceptance list by players who have preserved their position on the list. Players from the main draw alternate list who are directly accepted into qualifying are considered to have preserved their eligibility. A player can only preserve his eligibility on one list. If there are no alternates from the original main draw acceptance list who have preserved eligibility, the vacancy will be filled by the highest ranked player from the qualifying or alternate list using the Pepperstone ATP Rankings, and then PIF ATP Doubles Rankings, used for seeding.

After the start of the qualifying, any vacancy will come from the Lucky Loser/Alternate list. The Alternates will be placed below the players who lost in qualifying and shall be ordered based upon their position in the PIF ATP Rankings, and then the PIF ATP Doubles Rankings, used for seeding.

NOTE: In order to preserve his eligibility on the Acceptance List, the player must **email contact** the ATP Supervisor directly prior to 6 PM local time on the day before qualifying starts **by phone via text messaging or by email** (**email contact details as** listed on detail sheet) and personally inform the Supervisor that he wishes to preserve his position on the Acceptance List and the player must leave a contact number. The player should ask for confirmation that the Supervisor has received the **message**/email in a timely manner. A player can only preserve his eligibility on one list.

Effective Immediately (16 Feb): A new Case and Decision has been added under 7.20 C. Vacancies – Doubles 4), pgs 174-175 as noted below in **red**:

The written petition must be received within six (6) months after his last tournament and must provide medical documentation including a letter from a treating licensed physician confirming the injury or illness when **applicable, or official documentation confirming the player eligibility under other scenarios covered in the rule**. Each petition shall be evaluated on a case by case basis by the ATP Medical Services Committee **for medical cases or ATP CEO/his designee for other applicable cases**.

2) **Calculation and Use.** The entry protection shall be a position in the PIF ATP Rankings, as determined by the player’s average PIF ATP Rankings position during the first three (3) months* after his last event played. The entry protection shall be for entry into the main draw or qualifying competition or for special exempt consideration. The entry protection shall not be used for seeding purposes or lucky loser consideration.

*The player must be ranked (have at least one singles ranking point for a singles protected ranking and/or one doubles ranking point for a doubles protected ranking) during each week of this three (3) month period.

A player who has been out of competition and is applying for Entry Protection may not include any period of (Doping, Corruption and/or Conduct) suspension in the player’s weeks away from competition in order to qualify for Entry Protection.

3) Limit of Use.

- a) If a player **is physically injured meets the criteria defined in point 1) above** and does not compete in any tennis event for a period of at least six (6) months but less than twelve (12) months, the entry protection shall be in effect for the first nine (9) singles and the first nine (9) doubles tournaments that the player competes* in using the entry protection (excluding wild cards and entries as a direct acceptance with his current position in the PIF ATP Rankings) or for the period up to nine (9) months beginning with the first tennis event, including Special Events – Exhibitions, that the player competes in, whichever occurs first.

- b) If a player **is physically injured meets the criteria defined in point 1) above** and does not compete in any tennis event for a period of twelve (12) months or longer, the entry protection shall be in effect for the first twelve (12) singles tournaments and the first twelve (12) doubles tournaments that the player competes* in using the entry protection (excluding wild cards and entries as a direct acceptance with his current position in the PIF ATP Rankings) or for the period up to twelve (12) months beginning with the first tennis event, including Special Events – Exhibitions, that the player competes in, whichever occurs first. *Note: For purposes of this rule, once the player is included in the draw or accepts prize money as an on-site withdrawal, the event shall count against the players' total as specified under a) and b) above. The United Cup shall not count against a player's total protected ranking allowance.

The use of a protected ranking to enter the singles and/or doubles of a Grand Slam event is limited to once per Grand Slam event.

- c) The use of a protected ranking to enter the singles and/or doubles of the United Cup is limited to one (1) per the duration of the player's Protected Ranking.
- 4) **Expiration Date.** A player has three (3) years from his original last event played to activate his protected ranking and will not be eligible to use his entry protected ranking beyond this date. A player who does not compete in any tennis event, including Special Events – Exhibitions, for a period of three (3) years from the date of his original last event played will have his entry protection revoked.
- 5) **Re-injury Protection.** A player who has returned to competition and re-injures himself may petition for a "freeze" of the nine (9) or twelve (12) month limit for competing using his protected ranking.
